

Climate Workshop Planning Ad-Hoc Committee Quarterly Update

January – March 2023

Purpose and Scope

The Climate Workshop Planning Ad Hoc was established on January 24, 2023 for the duration of the 2023 calendar year. The Ad Hoc will meet with CARD and staff of key County departments/agencies to plan the content and format of the Board's Summer workshop (July 2023) and will develop recommendations for the Board of Supervisors pertaining to climate action planning based on the Fall workshop (November 2023).

Ad Hoc Members

Supervisor Gorin
Supervisor Hopkins

Attendees

County Staff

- Barbara Lee, CAO, CAR Director
- Cory O'Donnell, Chief Deputy County Counsel
- Anna Yip, CAO, CAR Principal Analyst
- As-needed subject matter support may also be provided by other departments and staff

Other

- As-needed subject matter support may also be provided by community members

Meetings Held

3/9/2023

Status

The Ad Hoc members met with staff for their first convening in early March. The Ad Hoc approved a charter for the committee, discussed overall scope and intent of the July Summer Workshop, and drafted an agenda for the July Summer Workshop. The charter for this Ad Hoc is attached.

Upcoming Meetings
