PATHWAYS TO INCLUSION: UNDERSTANDING IMMIGRANT SERVICES IN SONOMA COUNTY CBO SURVEY SAMPLE

The Local Immigrant Integration and Inclusion Grant (LIIIG) has provided the Sonoma County Economic Development Collaborative, the Secure Families Collaborative, and the County of Sonoma with funding to support California's rural counties in enhancing efforts to integrate immigrant populations, foster community trust, and strengthen the capacity of local governments to better serve these communities.

This survey seeks to fulfill that goal through understanding the scope of services your organization provides to develop a resource map that includes services that are relevant to immigrant communities.

The Sonoma County Economic Development Collaborative, the Secure Families Collaborative, and the County of Sonoma thank you for your input.
