Interests & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

I'm interested being part of the NCRA board transition to a trail authority because the GRT has the potential to be a huge economic driver for northern Sonoma County and the City of Cloverdale. As a member of the SMART board and a Cloverdale Councilmember, I hope to provide a bridge between the three agencies so the GRT can live up to its potential as an amenity for residents and a destination for eco-tourism.
