EXHIBIT A: SCOPE OF WORK

Section 1. Program Description

1.1. Women's Recovery Services (WRS) consists of one or more state licensed recovery homes for women who suffer from chemical dependency in Sonoma County. The program provides a supervised home-like environment in which emphasis is placed on the residents assuming responsibility for structuring and planning their recovery. The licensed home or homes of the program can accommodate up to twenty (20) adult and twelve (12) child residents. General Assistance direct vendor payments will be paid for eligible residents in licensed homes only.

1.2. Approximately 75% of WRS program residents have no source of income. Those with income usually receive monies from a private source, SSI or disability/retirement pensions. General Assistance will be a significant source of funding for destitute women participating in the WRS recovery program.

1.3. WRS provides opportunities for the establishment of personal goals and the development of a continuing plan of growth for return to work, school or some other constructive endeavor.

1.4. Residents are assigned to a ninety (90) day program. Extensions up to a maximum of one hundred twenty (120) days may be granted at the discretion of the program director. Approximately 15% of the residents leave the program prior to completing the full recovery process. WRS has found that those residents who stay longer in their protected environment are successful in their rehabilitation.

1.5. Residents who leave the program may reapply for admission by submitting a clean and sober plan to the program's Director. Acceptance is based upon evaluation of the plan and reconsideration to determine the degree of commitment to the conditions of residency.

1.5.1. In order to be accepted for readmission, individuals must be out of the facility thirty (30) days or more.

Section 2. General Assistance Eligibility Criteria

2.1. Only Sonoma County residents participating in the licensed residential program shall be eligible for General Assistance benefits. No out of County court placements will be funded by General Assistance.

2.2. General Assistance benefits may be paid for up to twenty (20)

residents per month.

2.3. The vocational component of the program begins at approximately the mid-point in the resident's treatment plan. The primary case manager works with the resident to access employment possibilities. Individuals are referred to programs such as North Bay Veterans Resource Center and Job Link for assistance with job readiness preparation. Prior to release, discharge staff help the client prepare a formal plan. Securing housing is also a component that is addressed with vocational plans. 90% of the women who complete the program go directly from the facility to safe housing.

Section 3. Adverse Actions/Complaint Procedures

3.1. It is mutually agreed that applicants for, or recipients of, General Assistance services under this MOU are entitled to request a County Hearing to appeal any decision or action in the Program that adversely impacts them. Such aggrieved persons may, if needed, be given assistance by the County in filing for a County Hearing. Facility agrees to abide by the decisions rendered in this process.

3.2. Facility shall direct participants alleging a violation of General Assistance to file such complaints as are allowed under County regulations.

Section 4. Facility's Additional Warranties

4.1. Facility may not deviate from the program described herein without prior written authorization from the Human Services Department.

4.2. Facility warrants that all of the Facility's facilities: (a) will be adequately supervised; (b) will be maintained in a safe and sanitary condition; (c) will be available for monitoring by County and/or state and federal monitors; (d) are accessible to handicapped individuals if appropriate; and (e) are nonsectarian.

4.3. Facility warrants that it will fully comply with relevant requirements of the General Assistance Program and the policies and procedures issued by the Human Services Department.

4.4. Facility warrants that it will comply with all terms and conditions of this MOU and all other applicable federal, state and local laws, regulations or policies.

4.5. Facility will notify County if any residential treatment home is to be closed ninety (90) days in advance of closing.

4.6. Facility shall maintain licenses required in order to perform the duties contracted for in this MOU.

4.7. Facility shall notify County within twenty-four (24) hours of any

disciplinary action taken against their professional license, including citation, revocation, or suspension, even if stayed; along with any additional follow up as they may occur, including probation terms, inactive status or lapse.

4.8. Facility warrants that invoices or other payment documents from County that might identify clients will not be used for income verification purposes.

Section 5. Facility Responsibilities

5.1. Review program purposes and goals, program costs and the ability to pay with prospective participants prior to admission.

5.2. Screen all participants for available income and resources and ensure that each participant completes an application on her own behalf.

5.3. Arrange to have residents brought to a Human Services intake site on a mutually agreed upon day to apply for General Assistance.

5.4. Be responsible for immediately notifying the Eligibility Worker when a resident leaves the program. Facility shall be strictly liable for all overpayments made to the program by the County as a result of the program's failure to report a change of status of a program participant. The program shall also be obligated to return any monies paid to the program in error by the County.

5.5 Facility will track AB109 client demographics separately and report to County as requested.

Section 6. County Responsibilities

6.1. Designate one Eligibility Worker as responsible for the WRS caseload.

6.2. Review and monitor Facility's performance to determine adherence to this MOU's conditions and goals. This will include on-site visits as arranged.

6.3. Provide monthly payments to Facility based on the General Assistance Table of Allowances and Ceilings as currently approved by the Board of Supervisors. Total monthly payments shall be limited by the number of General Assistance eligible residents in the program each month.

EXHIBIT B: PAYMENT TERMS

For all services and incidental costs required hereunder, Facility shall be paid in accordance with the following terms:

Such requests shall include a brief summary of the reasons for the request and a specific period of time for which the funding would be needed. Extensions to the program will be granted on an exception basis, and may be funded up to a maximum of four (4) additional weeks.
- E. Direct vendor payments shall be made only for General Assistance recipients who have executed an Assignment of General Assistance Benefits, form HSD 0308, provided by the County.
- F. As needed and requested by Women's Recovery Services, bus passes will be issued to Women's Recovery Services residential treatment programs, for General Assistance participants only. The total number of tickets will be based on the total number of active General Assistance participants used for Medical appointments and job search functions. These tickets will be picked up at the beginning of every month at the Employment & Training office at 2227 Capricorn Way, Suite 100, Santa Rosa.
