

ANALYSIS OF FY 23-24 USER FEES

This is a summary of all user fees established by Ordinance of the Board of Supervisors and collected by the Sheriff's Office. Fees that are fixed by statute, such as civil process fees, are not included. The following summary provides a description of the methodology used to determine the charges for new fees or fee changes and outlines the basis for calculating the proposed fees.

Statutory authority normally provides for recovery of the following costs:

- Direct material costs (as applicable).
- Direct labor costs.
- Department indirect costs (costs incurred by the Sheriff's Office to support the direct labor service, such as accounting, purchasing, payroll, personnel, reception, records, etc.)
- County indirect costs (Title 2CFR, Part 200 cost allocations).

Proposed fees over \$100 have been rounded down to the nearest dollar; fees between \$20 and \$99.99 have been rounded down to the nearest \$0.25, and fees below \$19.99 down to the nearest \$0.10. The only exceptions to these rounding methods are rates for security services, explosive ordnance disposal (EOD) services, vehicle rates, morgue use rates, rates for response to unabated disturbances, and telecommunications fees. The Sheriff's Office proposes the following fees during FY 23-24:

CARRYING CONCEALED WEAPONS (CCW) PERMIT

Penal Code Section 26190 establishes limits on the fees that the local licensing authority (Sheriff's Office) may charge for a concealed weapon permit.

Government Code 54985 further states a county board of supervisors has the authority to increase the fee or charge, that is otherwise authorized to be levied by another provision of law, in the amount reasonably necessary to recover the cost of providing any product or service or the cost of enforcing any regulation for which the fee or charge is levied. Effective, July 1, 2022, Ordinance 6373 set a new permit fee at \$367, license renewal at \$92.75, and amendment to the permit at \$92.75. The fee proposed for FY 23-24 is consistent with the fee for FY 22-23. A time study was anticipated to be completed during FY 22-23, but was delayed. The permit application process takes approximately six months from the time the application is received until the time a permit is issued. Because of this, a time study is difficult to complete. A time study was started in FY 21-22, will contain data from FY 21-22 and FY 22-23, and will be completed in time to update the FY 24-25 fee accordingly.

The following summarizes the activities performed and the associated costs:

The Sheriff's Office contracts with an outside vendor to capture applicants' data and collect applicable fees. The cost for this service is \$3.00 per application and is charged to the Sheriff's Office. This cost is added to the fee to recover the direct cost associated with providing the service.

If psychological testing on the initial application is required, the license applicant shall be referred to a licensed psychologist used by the County for the psychological testing of its own employees. The applicant may be charged for the actual cost of testing in an amount not to exceed \$150.

While a Sheriff's Captain approves new applications, the Investigations Lieutenant processes application renewals, and amendments.

CCW Permit/New - Procedure

Community Services Officer (CSO)

30 minutes

Fingerprint applicant.

Secretary

90 minutes

Receives completed application and examines for completeness prior to submission to Sonoma County Sheriff’s Office (SCSO). If application is not within SCSO jurisdiction, requests a refund for monies received. For accepted applications, processes application fee, accepts and sorts check for Department of Justice (DOJ), submits yellow copy of CCW and mail check to DOJ, conducts online check, prints any relevant information, compile folder for Investigation Lieutenant, makes copies, process required billing to DOJ.

Upon final decision: When a permit is *approved* and three letters of recommendations, and training certificates are received, prepare approval letter and print CCW permit, coordinate permit pick up, meet with applicant to witness signature, collect fingerprint, and collect any outstanding fees. If a permit is *denied*, prepare letter to notify applicant and request a refund of final payment (if applicant made a payment).

Investigation Lieutenant

45 minutes

Reviews and evaluates the application, interviews applicant in-person or by phone, final review of applicants live scan response, reference letters (3), and training certificates, contacts applicants’ references if needed, and makes decision to final approve or deny permit.

Captain

15 minutes

Signs off on application based on lieutenant’s recommendation.

BOOKING PHOTO AND INFORMATION

The Sheriff's Office receives requests from defense attorneys and licensed bail agents to provide duplicate booking information and booking photos for their clients who have had bench warrants issued or for whom bail forfeiture has been ordered. Fees for defense attorneys are established in order to recover the direct costs of duplication. In addition, Penal Code 11105.6 allows the Sheriff's Office to charge a fee to licensed bail agents or bail bondsmen equal to the cost of providing the information.

All prior or concurrent fee ordinances will remain in full force until revised. Effective July 1, 2022, Ordinance 6373 established the fee for providing booking photos and information at \$12.70 for defense attorneys and \$12.10 for licensed bail agents. The following summarizes the activities performed and the associated costs:

Chronology Report (CAD) - Procedure

The process for copying CAD chronology reports released to attorneys is similar to the process described for copying crime reports. However, additional time/cost activities detailed below are needed. The proposed fee for FY 23-24 is calculated as follows:

Senior Legal Processor

12 minutes

Reviews the request to determine what is required, verifies the case number, logs it in, forwards to Dispatch, prepares invoice, and writes receipt. Once CAD is uploaded to Evidence.com, searches system for uploaded CAD, views report to verify correct report requested, certifies report, logs it out, and delivers copy to the requesting party.

Supervising Dispatcher

20 minutes

Locates file, validates case, prints, and certifies report. Scans and uploads report to Evidence.com, enters metadata to report on Evidence.com. Advises SLP that upload is complete.

CORONER REPORT

All prior or concurrent fee ordinances will remain in full force until revised. Effective July 1, 2022, Ordinance 6373 established the fee for copying Coroner reports at a flat rate of \$12.70 per report. To ensure that this fee continues to cover only the costs of processing the request, the proposed fee reflects the FY 23-24 salary and benefit rates for the staff involved. The following summarizes the process and associated costs:

CRIME PHOTO, AUDIO, VIDEO, AND DATA DUPLICATION

Duplication of crime photos, audio, video, and data may be provided to the public upon request. The Central Information Bureau has the primary role in responding to the requests and the Crime Scene Investigation Unit (CSI) handles the actual duplication of items. In cases occurring after November 2018, some digital evidence is reproduced without the assistance of the Crime Scene Investigations Unit or a Community Services Officer. A Senior Legal Processor may handle the entire process. Digital camera photos are produced in-house; others are sent to an outside photo lab for processing. Video, audio, and data are duplicated using equipment available within the Investigations Bureau. As in the past, individuals requesting audio, video, and data duplication are required to provide a new blank DVD(s) or SATA hard drive to be used for making the copy, as determined by the Sheriff's Office. The Sheriff's Office recommends that the fees be established in order to recover the direct costs of duplication.

All prior or concurrent fee ordinances will remain in full force until revised. Effective July 1, 2022, Ordinance 6373 established the fee for copies of crime photos at \$86.25, plus actual vendor charges for reprints. The proposed fee for FY 23-24 is based on salary and benefit rates for the time involved in providing the services. The following summarizes the activities performed and the associated costs:

Crime Photo, Audio, Video, and Data Duplication (Hard copy booked into the Property/Evidence Unit) - Procedure

Senior Legal Processor (SLP) 10 minutes

Receives and reviews request, verifies availability of item, confirms item number, logs request, prepares invoice, and writes receipt. Once detective is finished, retrieves item from detective, logs item into system, and contacts the requestor to arrange for pick-up.

Community Services Officer (CSO) 12 minutes

Receives request from SLP, reviews the request and researches the location of the item in the system, retrieves item, scans barcode on item, logs item chain of custody, and routes item to detective. Once detective is finished, retrieves item from detective, scans barcode on item, logs item chain of custody back to Property/Evidence, returns item to storage location.

Deputy Detective 23 minutes

Receives item from Property/Evidence CSO, verifies item with the request, unseals item, writes/copies data, labels thumb drive/hard drive/disc, views item in computer to verify item is transferred properly, logs request, reseals item, returns original item to Property/Evidence, and delivers copy to the SLP.

CRIME REPORT/CALL FOR SERVICE REPORT/CHRONOLOGY REPORT(Netviewer)

All prior or concurrent fee ordinances will remain in full force until revised. Effective July 1, 2022, Ordinance 6373 established the fee for copying crime reports at a flat rate of \$12.70 per report. The fee charged is based upon the minimum time/cost for discovery process activities detailed below. The proposed fee for FY 23-24 is calculated as follows:

Crime Report, Call for Service Report, and Chronology Report (Netviewer) - Procedure

Legal Staff Supervisor 10 minutes

Reviews the request to determine what is required, verifies the case number, locates file, reviews report to determine if the document can be released, determines which pages are to be copied, makes copies, and prepares document for transmittal, prepares invoices, and write receipt.

DIGITALLY STORED EVIDENCE (previously titled *Body Worn Camera Video*)

Since May 2015, the Sheriff’s Office has accepted requests to provide digitally stored evidence such as body worn camera video footage, photos, audio and video recordings of interviews, etc. A fee per deputy per case number is charged for the Sheriff’s Office to receive the request, locate the digital evidence files to ensure it is what is being requested and releasable, then deliver copies of digital evidence files. A fee increase is proposed for FY 23-24 based on salary & benefit rates for staff involved in providing the services. The following summarizes the activities performed and associated costs:

Digitally Stored Evidence - Procedure

Senior Legal Processor 18 minutes

Receives request for digital evidence, creates an invoice and sends to the requester, receives payment, and processes receipt, locates file(s) by using a variety of search options, reviews footage description to ensure it is what is being requested and releasable, creates invoice and sends to requesting party, logs the request, receives payment and media from requester, and then delivers evidence to requesting party.

Digitally Stored Evidence - Cost Table

DISPATCH RECORDING

All prior or concurrent fee ordinances will remain in full force until revised. Effective July 1, 2022, Ordinance 6373 established the minimum fee for copying dispatch recordings at \$55.25. In November 2018, the Sheriff’s Office began using a cloud-based digital evidence management system that allows staff to manage, review, and share digital evidence. The minimum fee will be collected at the time a request is received and any additional charge will be required to be paid prior to sharing the link. A fee increase is proposed for FY 23-24 based on salary and benefit rates for staff a involved in providing the services.

The following summarizes the activities performed and the associated costs:

Dispatch Recording - Procedure

Senior Legal Processor 16 minutes

Reviews the request to determine what is required, verifies the case number, logs it in, forwards to Dispatch, prepares invoice, and writes receipt. Once recordings are uploaded, searches system for uploaded recordings, listens to recording until able to verify it is the correct case, logs out, and links recording to requesting party.

Supervising Dispatcher 18 minutes

Identifies requirements, locates information, reviews information, and uploads to Evidence.com.

Dispatch Recording – Cost Table

Job Class	Hours	Hourly Rate	Department Indirect	County Indirect	Total Rate
0050 Senior Legal Processor	0.27	64.26	5.79	0.26	18.98

Recommended Fee - Dispatch Recording

\$60.00

Additional time will be charged at \$100.00 per hour (prorated)

Hard Drive Duplication

Occasionally, the Sheriff’s Office receives requests to duplicate hard drives and remove media that have been seized as evidence. In these cases, individuals requesting hard drive duplication are required to provide a new blank SATA hard drive to be used for making the copy, as determined by the Sheriff’s Office.

The process for hard drive duplication is similar to the process described for duplicating crime photos, audio, video, and data. However, additional time/cost activities detailed below are needed. The proposed fee for FY 23-24 is calculated as follows:

Hard Drive Duplication - Procedure

Legal Staff Supervisor (LSS) 10 minutes

Verifies availability of item, confirms item number, logs request, prepares invoice, and writes receipt.

Community Services Officer (CSO) 5 minutes

Retrieves item from Evidence Unit and routes item to CSI.

Deputy Detective 120 minutes

Unseals item, duplicates data, labels hard drive, reseals item, and returns to Evidence Unit.

PHOTO LINE-UP COLOR COPY

The Sheriff's Office receives numerous color Photo Line-Up requests. The fee charged is based upon the minimum time/cost for activities detailed below and is charged on a per job request. All prior or concurrent fee ordinances will remain in full force until revised. Effective July 1, 2022, Ordinance 6373 established the Photo Line-Up Color fee at \$18.40. The proposed fee reflects FY 23-24 salary and benefit rates for the staff involved. The following summarizes the activities performed and the associated costs:

Photo Line-Up Color copy – Procedure

Legal Staff Supervisor (LSS) 10 minutes

Reviews the request, verifies availability of item booked into evidence, confirms item number, logs request, prepares invoice, writes receipt, and forwards request to CSO.

TEN PRINT CARD REPORT

The Sheriff's Office occasionally receives requests for Ten Print Card Reports. Upon such requests a detective accesses the Cogent Automated Fingerprint Identification System (AFIS) and produces Ten Print Card Report. The fee charged is based upon the minimum time/cost for activities detailed below

and is charged on a per job request. All prior or concurrent fee ordinances will remain in full force until revised. Effective July 1, 2022, Ordinance 6373 established the Ten Print Card Report fee at \$85.25. The proposed fee reflects the FY 23-24 salary and benefit rates for the staff involved. The following summarizes the activities performed and the associated costs:

Ten Print Card Report – Procedure

FIREARM SEIZURE, STORAGE, AND RELEASE

California Penal Code § 33880 allows the County to adopt an ordinance imposing a charge equal to its administrative costs relating to the seizure, impounding, storage, or release of a firearm. The charge shall only be imposed on the person claiming title to the firearm and shall be collected only from the person claiming title to the firearm. The fee shall not exceed the actual costs incurred for the expenses directly related to taking possession of a firearm, storing the firearm, and surrendering possession of the firearm to the owner.

All prior or concurrent fee ordinances will remain in full force until revised. Effective July 1, 2022, Ordinance 6373 established a fee of \$144.00 to recover the actual costs of firearm seizure, storage, and release. This fee has been adjusted to ensure that the fee continues to recover the Sheriff's costs associated with providing this service. The proposed fee is calculated as follows:

Firearm Seizure, Storage and Release - Procedure

Deputy II Intermediate

30 minutes

Confiscates the firearm during an incident, performs a California Law Enforcement Telecommunications System (CLETS) inquiry to see if stolen, documents in the related crime report the reason the firearm was seized, enters firearm information in the evidence tracking system, and packages the firearm for the Property/Evidence Unit.

Community Services Officer (CSO)

60 minutes

Removes firearm from the locker and examines for safety (unloaded), verifies information in the evidence tracking system, assigns storage location and stores the weapon. Enters the firearm data into RMS/CLETS System. Prior to firearm release, verifies case has been adjudicated, requests authorization for release from deputy/detective, sends letter to owner, once the owner has complied with DOJ's gun release mandates, calls owner, and schedules appointment for release of firearm, verifies ID and paperwork, releases firearm. Cancels CLETS entry, updates data in Evidence Tracking system.

Firearm Seizure, Storage, and Release - Cost Table

Job Class	Hours	Hourly Rate	Department Indirect	County Indirect	Total Rate
4081 Deputy II Int	0.50	114.76	23.09	5.52	71.69
3397 CSO II	1.00	69.50	6.26	0.28	76.04
					147.73

The following indirect costs are applied to the hourly rate:

Deputy II Int	Administration / CIB	9.43%
Deputy II Int	Law Enforcement Admin. / CIB	10.69%
Deputy II Int	County 2CFR (A-87) LE	4.81%
CSO II	Administration	9.01%
CSO II	County 2CFR (A-87) Admin	0.41%

Recommended Fee - Firearm Seizure, Storage & Release \$147.00

Firearm Seizure, Storage, and Release/Additional Firearm

It takes less time to release additional firearms associated with an incident when multiple firearms are involved. Verification of adjudication, authorization release requests, and owner contact for appointments, and ID verification have been taken into consideration by the Community Services Officer with the initial firearm release. In addition, the deputies' time has been taken into consideration with the initial incident. There is no CLETS inquiry, crime report write-up or entry into the evidence tracking system. Those activities are not associated with the release of additional firearms that have been stored, therefore, the cost of releasing additional firearms is reduced accordingly.

All prior or concurrent fee ordinances will remain in full force until revised. Effective July 1, 2022, Ordinance 6373 established a fee of \$53.50 to recover the actual costs of firearm seizure, storage, and the release of additional firearms. This fee has been adjusted to ensure that the fee continues to recover the Sheriff's costs associated with providing this service. The proposed fee is calculated as follows:

Firearm Seizure, Storage, and Release/Additional Firearm - Procedure

Community Services Officer (CSO) 45 minutes

Removes firearm from the locker and examines for safety (unloaded), verifies information in the evidence tracking system. Enters the firearm release data into RMS/CLETS System, updates data in Evidence Tracking system, and releases firearm.

PROTECTIVE ORDER FIREARM SEIZURE, STORAGE, AND RELEASE

Family Code Section 6389(e) permits a local law enforcement agency to charge a fee for the actual cost for storage of any firearm relinquished pursuant to Family Code Section 6389. Protective orders

issued pursuant to this section prohibit a person subject to the protective order from owning or possessing a firearm while the order is in effect. The respondent to the order must sell the weapon or surrender it to the local law enforcement agency. Family Code Section 6389(e) provides for charging the actual cost for storage, which is defined as “expenses directly related to taking possession of a firearm, storing the firearm, and surrendering possession of the firearm.

All prior or concurrent fee ordinances will remain in full force until revised. Effective July 1, 2022, Ordinance 6373 established a fee of \$144.00 to recover the actual costs of protective order firearm seizure, storage, and release. This fee has been adjusted to ensure that the fee continues to recover the Sheriff’s costs associated with providing this service. The proposed fee is calculated as follows:

Protective Order Firearm Seizure, Storage, and Release - Procedure

Deputy II 30 minutes

Individuals surrender the firearms to a deputy who performs a California Law Enforcement Telecommunications System (CLETS) inquiry to see if stolen, documents in the related information report the reason the firearm was surrendered, enters firearm information in the evidence tracking system, and packages the firearm for the Property/Evidence Unit.

Community Services Officer (CSO) 60 minutes

Removes firearm from the locker and examines safely, verifies information in the evidence tracking system, assigns storage location and stores the weapon. Enters the firearm data into RMS/CLETS System. Prior to firearm release, verifies case has been adjudicated, requests authorization for release from deputy/detective, and sends letter to owner. Once the owner has complied with DOJ's gun release mandates, calls owner, and schedules appointment for release of firearm, verifies ID and paperwork, and releases firearm. Cancels CLETS entry, and updates data in Evidence Tracking system.

Recommended Fee - Protective Order Firearm Seizure, Storage & Release \$147.00

Protective Order Firearm Seizure, Storage, and Release/Additional Firearms

It takes less time for the releasing of additional firearms associated with a protective order incident when multiple firearms are involved. Verification of protective order release requests, and owner

contact for appointments, and ID verification have been taken into consideration by the Community Services Officer with the initial firearm release. In addition, the deputies' time has been taken into consideration with the initial incident. There is no CLETS inquiry, crime report write-up or entry into the evidence tracking system. Those activities are not associated with the release of additional firearms that have been stored, therefore, the cost of releasing additional firearms is reduced accordingly.

All prior or concurrent fee ordinances will remain in full force until revised. Effective July 1, 2022, Ordinance 6373 established a fee of \$53.50 to recover the actual costs of protective order firearm seizure, storage, and the release of additional firearms.

GAMING LICENSE

Sonoma County Code §§ 4-14 to 4-29 established gaming regulations and designated the Sheriff as the licensing authority for gaming businesses. All prior or concurrent fee ordinances will remain in full force until revised. Effective July 1, 2011, ordinance 5932 established the annual gaming license fee at \$600 per gaming table. **No change is proposed to the current fee of \$600.00.**

CARD DEALER PERMIT

The Code sections noted above also require the Sheriff to issue card dealer permits. All prior or concurrent fee ordinances will remain in full force until revised. Effective July 1, 2022, Ordinance 6373 established the permit fee at \$306.00 for new permits, \$252.00 for renewals, and \$49.00 for replacement permits. In addition to the County's permit fee, the applicant is required to pay a State fingerprint fee that is currently set at \$32.00.

The proposed fee for FY 23-24 has been adjusted to ensure that the fee continues to recover the Sheriff's costs associated with providing this service. The following summarizes the activities performed and the associated costs:

Card Dealer Permit/New - Procedure

Community Services Officer (CSO) 45 minutes

Receives and reviews application, collects fee and issues receipt, photographs applicant, takes fingerprints, and forwards for verification.

Secretary 60 minutes

Performs County and nationwide records checks, prepares permit, compiles all data, creates file, forwards to sergeant for review, mails approved permit to applicant.

Sergeant Detective 60 minutes

Reviews applicant's file, investigates and approves or denies permit.

GUN DEALER LICENSE

Sonoma County Code §§ 19A-10 and 19A-11 designates the Sheriff as the gun dealers licensing authority. All prior or concurrent fee ordinances will remain in full force until revised. Effective July 1, 2022, Ordinance 6373 established the fee for gun dealer licenses at \$306.00 for new licenses and \$252.00 for renewals. The process associated with issuing gun dealer licenses is the same as described above for card dealer permits, with the added responsibility to verify the applicant’s eligibility certificate from the Department of Justice. Accordingly, the fees proposed for issuance of gun dealer licenses in FY 23-24 are the same as those proposed above for card dealer permits:

Gun Dealer License - New	\$335.00	(Plus State/DOJ fees)
Gun Dealer License - Renewal	\$276.00	

PICTURE ARCADE PERMIT

In 1984, the Board created a Picture Arcade Commission and adopted regulations governing the operation of picture arcades. The Sheriff is the designated picture arcade licensing authority.

All prior or concurrent fee ordinances will remain in full force until revised. Pursuant to Ordinance 6373 effective July 1, 2022, the current fee for new permits is \$306.00 and \$252.00 for annual renewals. The process for issuing these permits is the same as that for card dealer permits. Accordingly, the fees proposed for picture arcade permits for FY 23-24 are the same as those proposed for card dealer permits:

Picture Arcade Permit - New	\$335.00	(Plus State fingerprint fee)
Picture Arcade Permit - Renewal	\$276.00	

SECONDHAND DEALER LICENSE

Pursuant to California Business and Professions Code §§ 21641 and 21642, the Sheriff accepts applications and grants licenses permitting licensees to engage in the business of secondhand dealing. The following State fees are collected and sent to the Department of Justice:

Fingerprint fee	\$32	(Each partner in secondhand business)
Initial Application fee	\$300	(As set by DOJ - Each secondhand business)
Renewal fee	\$300	(Every other year)

All prior or concurrent fee ordinances will remain in full force until revised. Pursuant to Ordinance 6341 effective July 1, 2021, the County currently collects and retains \$306.00 for each new license and \$252.00 for renewals to recover processing costs.

The Sheriff's costs for issuing secondhand dealer license is the same as the costs described above for card dealer permits. Accordingly, the secondhand dealer license fees proposed for FY 23-24 are the same as those proposed for card dealer permits:

Secondhand Dealer License - New	\$335.00	(Plus State/DOJ fees)
Secondhand Dealer License - Renewal	\$276.00	

TAXICAB

Sonoma County Code §§ 18-60 to 18-70 established taxicab regulations and designated the Sheriff as the licensing authority for issuing taxicab Vehicle Permits, Driver's Permits, and Certificates of Exemptions in the unincorporated areas of Sonoma County.

The County of Sonoma has adopted regulations governing the operation of taxicabs in the unincorporated areas of the County. The Sheriff is the designated licensing authority for issuing vehicle and driver permits within unincorporated areas of the County. Permits shall be valid for a term of one year from the date of issuance and require annual renewal. In addition, the Sheriff's Office will charge a reduced fee for issuing Certificates of Exemption for taxicabs and /or taxicab drivers who are operating under valid permits or licenses issued by cities if they are similar in nature.

Driver Permit

Sonoma County Code §§ 18-60 to 18-70 established taxicab regulations and designated the Sheriff as the licensing authority for issuing taxicab driver permits in the unincorporated areas of Sonoma County. Driver permits will be required for all drivers that provide taxi services within the unincorporated areas of the County.

Driver permits require annual renewal. Proposed fees are established based upon the cost of taking the application and issuing the permit. In addition to the County's permit fee, the applicant is required to pay a State fingerprint fee that is currently set at \$32.00.

All prior or concurrent fee ordinances will remain in full force until revised. Effective July 1, 2022 Ordinance 6373 established the annual Driver Permit at \$132.00 per driver, and \$108.00 for annual Driver Permit Renewal. The proposed fee reflects the FY 23-24 salary and benefit rates for the staff involved in providing the services. The following summarizes the activities performed and the associated costs:

Driver Permit/New - Procedure

Community Services Officer (CSO) 20 minutes

Accepts packet, takes fingerprints and forwards to Secretary.

Secretary 45 minutes

Receives and reviews application for completeness and performs a California Law Enforcement Telecommunications System (CLETS) inquiry for criminal history, forwards for review process, and collects fees and issues permit.

CERTIFICATE OF EXEMPTION

Sonoma County Code §§ 18-60 to 18-70 established taxicab regulations and designated the Sheriff as the licensing authority for issuing taxicab vehicle and driver permits in the unincorporated areas of Sonoma County. Applicants who have obtained vehicle or driver permits from an incorporated city located within the County (which satisfies certain minimum requirements), may be issued a Certificate of Exemption in lieu of such permits. The purposes for providing an option to apply for Certificates of Exemption are to streamline the process and reduce application costs for those taxicabs and drivers who have already passed public safety inspection, background, and other requirements in another jurisdiction within the County.

The Sheriff's Office will charge a reduced fee for issuing Certificates of Exemption for taxicabs and/or taxicab drivers who are operating under valid permits or licenses issued by cities if they are similar in nature.

All prior or concurrent fee ordinances will remain in full force until revised. Effective July 1, 2021, Ordinance 6341 established the annual Certificate of Exemption at \$39.50 and is valid for the term of the underlying permit issued by the other jurisdiction. The proposed fee for FY 23-24 is based on salary and benefit rates for staff involved in providing the services. The following summarizes the activities performed and the associated costs:

VERIFICATION LETTER

The Sheriff's Office is routinely requested to provide record clearance reports for persons applying for jobs requiring such clearance, individuals attempting to obtain visas for foreign travel, persons involved in adoptions, etc. All prior or concurrent fee ordinances will remain in full force until revised. Effective July 1, 2022, Ordinance 6373 established the fee for providing clearance letters at \$12.010. To ensure that the fee continues to recover the Sheriff's Office costs associated with providing this service, the proposed fee reflects FY 23-24 salary and benefit rates for the staff involved in providing the services. The following summarizes the activities involved and the associated costs:

Using the same process as described above for Clearance Letters, the Sheriff's Office also provides Incarceration Verification letters and Crime Report Verification letters. Staff analysis has shown that the process to issue these letters is the same as for Clearance Letters.

Crime Report Verification

The Community Services Officer verifies the occurrence of a crime on a specific date and location. The verification letter is mostly used for insurance claims. As the process for supplying this information entails the same amount of time as for Clearance Letters, **the proposed fee for providing Crime Report Verification letters for FY 23-24 is \$12.90.**

Incarceration Verification

The Community Services Officer verifies incarceration information on persons that have been in the Sheriff's custody including dates, cases, and release information. As the process for supplying this information entails the same amount of time as for Clearance Letters, **the proposed fee for providing Incarceration Verification letters for FY 23-24 is \$12.90.**

BODY REMOVAL

The Sheriff's Office contracts with a private service provider for body removal services. Fees for this service will be collected by mortuaries and the Sheriff's Office will bill the mortuaries for the fee. Government Code 27472 authorizes the County to charge a fee of up to \$100 for the cost of removal from the location of death and storage of deceased persons. The charge shall not be imposed upon: 1) a person who claims and proves to be indigent, or 2) in cases in which the body is that of a child and not more than 14 years of age, or 3) in cases in which the Coroner ascribes the death to the criminal act of another, unless the Coroner has reasonable grounds to believe that the deceased was involved in any criminal activity which contributed to his or her own death.

Other counties increased their rates per Government Code 54985. The code states that a county board of supervisors has the authority to increase the fee or charge that is otherwise authorized to be levied by another provision of law, in the amount reasonably necessary to recover the cost of providing any product or service or the cost of enforcing any regulation for which the fee or charge is levied.

Calculation of the proposed fee to recover costs is shown below. The service fee is established by the average attendant rate and the service area rate per the vendor agreement. The service area rate also considers the historical percentage of occurrences in each area. The County holds a blanket purchase order with a vendor who provides supplies for the Coroner's Office. The body bag rate is based on an average cost of heavy and medium duty bags. The rate for body bags decreased during FY 22-23 and that decrease is reflected in the FY 23-24 fee calculation. A request for proposal for body removal services was issued in January 2021, and a new contract became effective on July 1, 2021. Rates for the first three years are included in the agreement, which has an option to extend for two additional one-year periods. The FY 23-24 contract rates are used for the FY 23-24 fee calculation.

The charge shall not include expenses for keeping the body during the time necessary for the Coroner to perform his or her duties. The charge, if not paid, may be considered a part of the funeral expenses and paid as a preferred charge against the estate of the decedent.

MORGUE USE

Other outside organizations use the Sonoma County Sheriff’s Office Morgue facility to perform tissue and organ recovery procedures. A Morgue Use Fee is charged for this usage. Fees are based on the cost of operation for building areas used for autopsies. Additionally, biohazardous waste disposal and labor costs incurred by the County are added to this cost.

The total facility floor space is 6,811 square feet. 5,226 square feet of the facility is used by the Sheriff’s Office. The total area devoted to this type of procedure is 4,255 square feet, 62.47% of the floor space. Fees are based on total facility annual operating costs of \$20,804 projected for FY 23-24, divided by the average number of procedures 469, (calculated from the prior three completed fiscal years FY 19-20 – 458, FY 20-21 – 480, and FY 21-22 - 470).

The County General Services Department has an agreement with a private service provider for regulated medical waste removal/disposal services. Effective Oct 1, 2021, the County changed providers, which resulted in a new cost structure. The cost to the Sheriff’s Office for hazardous waste disposal was previously \$113.02 per container. For FY 23-24, the proposed fee to recover our costs for this service is \$117.57 per container.

Beyond the biohazardous waste disposal and building portion of this fee is the cost of a forensic assistant and a detective for coordinating activities with a representative from the facility user, check in/out, set up, preparing invoices, scheduling the procedure, and discussing the procedure with the decedent’s family when necessary. The forensic assistant and detective invest an average of 20 minutes each per case.

The following table outlines fee calculations:

In addition to facility and scheduling costs, facility users are charged staff time provided during the procedure. The base time for provision of staff is one and one-half hours at the Forensic Assistant rate during normal working hours. Procedures scheduled for hours other than normal working hours are calculated based on staff costs at the overtime rate and is a minimum of two hours due to “call back” contract provisions. The rate will be based on the position of the staff member available for call back. Rates are as follows:

HELICOPTER SERVICE

Fees could be charged whenever private citizens receive air ambulance services and whenever non-County residents receive Search and Rescue services involving the helicopter. All prior or concurrent fee ordinances will remain in full force until revised. In FY 22-23, Ordinance 6373 established the following rates for helicopter services:

Advanced Life Support Rate (Charged per ALS transport)	\$2,820
Search and Rescue (Charged per flight hour – Out-of-County residents only)	\$2,537
Law Enforcement (Charged per call out for special support situations)	\$2,245

Below are summarized the helicopter fees proposed for FY 23-24.

Advanced Life Support (ALS) Medical Service: After much research by the Sheriff’s Office and County Counsel, County Counsel concluded that the Sheriff’s Office cannot bill for ALS helicopter transports as the Sheriff’s helicopter program does not meet the California Code of Regulations Title 22 definition of an air ambulance. The fee is calculated in the event of changes in code or operation that would allow billing for ALS. The Sheriff’s Office has based its 23-24 fees on the full medical transport cost. The proportionate share of ALS cost to total helicopter costs is used to calculate ALS rates. These fee rates are calculated using the percentage of ALS missions to total missions. In FY 22-23, the Sheriff’s Office charges \$2,820 per flight hour for ALS transport operations. The Sheriff’s Office is proposing that the fee in FY 23-24 decrease to \$2,646.

FY 23-24 Med\SAR\LE Helicopter Unit Costs	2,289,726 *	60,859
Estimated FY 23-24 Emergency Medical Transports	23	<u>2,646</u>

Search and Rescue (SAR): As permitted under California Government Code 26614.5, the SAR fee is charged for the rescue of out-of-County residents. Bills are directed to the county or city and county of the person being searched for or rescued by the Sheriff’s Office. The indirect overhead costs for SAR fees are reduced compared to the other helicopter fees because the Helicopter Unit costs include a direct dispatch services contract with REDCOM for SAR services. In FY 22-23, the Sheriff’s Office fee is \$2,537 per flight hour for search and rescue operations. In FY 23-24, the Sheriff’s Office is proposing a per detail (call-out) rate increase to \$2,641 for the search and rescue mission, which includes cost per hour as follows:

FY 23-24 Med\SAR\LE Helicopter Unit Costs	2,289,726 *	488,639
Estimated FY 23-24 SAR Details (call-outs)	185	<u>2,641</u>

Law Enforcement Service: The fee charged for the Law Enforcement /Security mission in FY 22-23 was \$2,245 per call-out. The fee proposed for Law Enforcement missions in FY 23-24 is recommended to increase to \$2,645 per call-out.

The “Law Enforcement” rate applies to special law enforcement missions, such as air support services during foot pursuits of fleeing suspects, robberies or other crimes in progress, major traffic accidents,

and other potentially life-threatening emergencies. The Sheriff’s Office determined that based on operational experience, the emergent portions of most air support calls for service are resolved within the first 15 minutes of the event. The emergent portion of the call is defined as the period of time when an immediate threat to life exists. At the 15-minute mark, the helicopter will continue to provide air support only at the request of the other agency, which will then be billed for the call-out.

Requests for non-emergency services, such as surveillance or follow-up investigations, will be charged per call-out. Fees will also apply to other government agencies and County departments that occasionally request services for non-emergency activities. Additionally, the fee will be used to charge private parties who desire to use air helicopter services for security service contracts.

DRIVING UNDER THE INFLUENCE (DUI) INCIDENT

Since FY 96-97 the Sheriff’s Office has been collecting fees related to driving under the influence incidents (DUI). The authority for collecting the fees is found in Government Code Section 53150, which states:

“Any person who is under the influence of an alcoholic beverage or any drug, or the combined influence of an alcoholic beverage and any drug, whose negligent operation of a motor vehicle caused by that influence proximately causes any incident resulting in an appropriate emergency response, and any person whose intentionally wrongful conduct proximately causes any incident resulting in an appropriate emergency response, is liable for the expense of an appropriate emergency response by a public agency to the incident.”

Section 53155 limits liability to \$12,000. It also limits the fee to those costs directly arising because of the emergency response to the particular incident. All prior or concurrent fee ordinances will remain in full force until revised. To ensure that the fee continues to recover the Sheriff’s Office direct costs associated with the response to the incident, it is recommended that the fee be adjusted for FY 23-24.

The fee will only be collected in those circumstances where there is a DUI incident/pursuit that requires an emergency response. The following summarizes the activities and the associated costs:

DUI Incident - Procedure

<u>Deputy II Int</u>	180 minutes
Emergency response, on-scene investigation, and transport to jail.	

Dispatcher II 15 minutes
Verifies license status, warrants, confirms owner registration, and enters data into DMV system.

Sergeant 15 minutes
Reviews arrest report and supporting documents.

Legal Processor II 20 minutes
Enters vehicle information into the RMS system, confirms CLETS entry, dispatches notices required by Vehicle Code Section 22852, makes copies for District Attorney’s Office, collects fee, and prepares receipt.

LP II	Administration	9.01%
LP II	County 2CFR (A-87) Admin	0.41%

Recommended Fee - DUI Incident \$529.00

Pursuit/Intentional Wrongful Conduct

The amount of time expended for these incidents may vary from 30 minutes to several hours, especially in pursuit situations. The process is similar to the process described for DUI Incident Responses outlined above. Accordingly, a minimum fee is recommended based on the fee for DUI Arrest/Incident Responses. Additional fees will be charged if more time is expended and pro-rated in 30-minute increments. **The proposed fee for FY 23-24 is a base fee of \$529.00 for the first hour of pursuit and \$264.50 for each additional 30-minute increment.** Other direct costs arising out of the pursuit such as damage to equipment will be collected up to the \$12,000 limit on liability.

EXPLOSIVE ORDNANCE DISPOSAL

Bomb Squad Service: The Bomb Squad is responsible for responding to suspicious device calls for service 24-hours-a-day, seven days- a-week. The Sheriff’s Bomb Squad is one of the only full-response units in the North Bay. The Sheriff’s Office presently has agreements with several cities for Explosive Ordnance Disposal (EOD). These agreements are structured as a flat fee for service. EOD services are provided by the Sonoma County Sheriff’s Office Bomb Squad to agencies choosing to participate. Due to fiscal challenges, many cities have opted out of the agreement. As a result, the Sheriff’s Office developed a fee for service (per callout) which was included in the FY 22-23 adopted fee ordinance. Out-of-County agencies are expected to pay a 25% premium over the In-County EOD service fee. The proposed fee only covers a minimal amount of actual cost of the Unit. The following fees are proposed for FY 23-24 to recover per hour labor costs incurred by the Sheriff’s Office.

Bomb Squad – Procedure

EOD Unit salary and benefits and vehicle use fee costs are used to calculate the EOD fee.

EOD fees are based on an hourly overtime rate for a sergeant and for deputies who respond to calls for service. This fee will be charged on actual response time with a 3-hour minimum, which includes a half hour travel time for each direction to the call and back. It also includes the daily vehicle use fee which is set by County Fleet Operations. Out-of-County calls are charged a 25% premium. Mileage is charged in addition to the proposed rate to recover the cost of services. For FY 23-24 the mileage rate for the bomb unit van is \$0.38 per mile. Note: For FY 21-22 and prior, the patrol pool car mileage rate for security services was being used to recover costs. However, the bomb unit van is the primary vehicle used and the more appropriate rate to recover cost for services.

RESPONSE TO UNABATED DISTURBANCE SERVICE

Sonoma County Code §§ 4-101 through 4-105 allows the Sheriff to charge a service fee for the second and subsequent response to unabated disturbances or nuisances. The Code Section was created in 1992 primarily to deal with disturbances or nuisances resulting from loud parties or other similar gatherings. Sheriff’s Office costs for this service may include labor, special equipment required to deal with the disturbance, damage to property, and injury to personnel. Charges may also include expenses incurred by other County departments (damage to County property, injury to County personnel). All prior or concurrent fee ordinances will remain in full force until revised. Effective July 1, 2022, Ordinance 6373 established an hourly fee of \$145.94 for Deputy labor and \$172.47 for Sergeant labor.

The following fees are proposed for FY 23-24 to recover per hour labor costs incurred by the Sheriff’s Office for response to unabated disturbances.

Unabated Disturbance – Cost Table

Job Class	Hours	Hourly Rate	Department Indirect	County Indirect	Proposed Rate
4081 Deputy II Int	1.0	114.76	23.09	5.52	143.37
4095 Sergeant Adv	1.0	150.07	30.19	7.22	187.48

The following indirect costs are applied to the hourly rate:

Administration / CIB	9.43%
Law Enforcement Admin. / CIB	10.69%
County 2CFR (A-87) LE	4.81%

Recommended Fee - Unabated Disturbance/Deputy II	\$143.37
Recommended Fee - Unabated Disturbance/Sergeant	\$187.48

Other expenses associated with repeat responses to unabated disturbances (e.g., damage to County property, injury to County personnel, etc.) will continue to be charged based on actual documented costs.

SECURITY SERVICE

The Sheriff's Office occasionally receives requests from private individuals or organizations for special event security services. When the request is for services that are over and above the normal services provided by the Sheriff, and when such services can be provided without reducing the Sheriff's normal/on-going law enforcement services to the County, the Sheriff may agree to provide special security services for a fee.

All prior or concurrent fee ordinances will remain in full force until revised. In FY 22-23, Ordinance 6373 set hourly rates for security services and vehicle rates as follows:

Security Service (FY 22-23)

Community Service Officer II	\$54.34
Deputy II Int	\$125.18
Deputy II Int-Premium	\$128.87
Sergeant Adv Post	\$152.68

TOWED VEHICLE RELEASE

California Vehicle Code Section 22850.5(a) provides in part “A city, county, or city and county may adopt an ordinance or resolution establishing procedures for the release of properly impounded vehicles and for the imposition of a charge equal to its administrative costs relating to the removal, impound, storage or release of the vehicles.”

All prior or concurrent fee ordinances will remain in full force until revised. Effective July 1, 2022, Ordinance 6371 established the fee at \$263.00. The proposed fee for FY 23-24 is based on salary and benefit rates for staff involved in providing the services.

The following summarizes the activities involved and the associated costs:

Towed Vehicle Release - Procedure

Deputy II 62 minutes

Prepares forms, inventory vehicle contents, and waits for tow truck.

Sergeant 13 minutes

Reviews report and supporting documentation, conducts Post Storage Hearing.

Dispatcher II 16 minutes

Run vehicle through CLETS system, determine owner registration and whether the vehicle is stolen, enter vehicle into DMV system.

Legal Processor II 15 minutes

Enter vehicle information into the RMS system, confirm CLETS entry, mail notices required by Vehicle Code Section 22852.

Community Services Officer (CSO) 27 minutes

Find case number in system, confirm vehicle is a Sheriff's Office tow, confirm vehicle is not an evidence tow, prepare vehicle release paperwork, check vehicle registration and driver's license status, perform additional research if needed, make copies, collect fee, and prepare receipt.

Towed Vehicle Release – Cost Table

TELECOMMUNICATION SERVICE

The Sheriff's Office has established a Telecommunications Bureau, which is responsible for certain radio repair services on a fee-for-service basis to other agencies. The Sheriff's Office has determined the amounts reasonably necessary to recover the cost of providing specific types of telecommunications services. In FY 17-18, a civilian Communications Manager replaced the Sergeant supervisor.

The proposed fees are calculated using an average of a Communications Technician and Senior Communications Technician's salary and benefits costs and are charged on an hourly basis. In FY 21-22, the rate calculation for the Communication Technician was changed from overtime salary and benefit costs to straight-time. Workload statistics revealed the majority of time spent on services provided to others were performed during regular staff time hours. Any necessary materials used will be charged at actual cost.

All prior or concurrent fee ordinances will remain in full force until revised. In FY 22-23, Ordinance 6373 set hourly rates for a Telecommunications Technician at \$95.16.

Telecommunication – Cost Table

Maintenance & Repair fees		Hourly	Department	County	Total
