Contractor hereby agrees to provide all services under this Agreement in accordance with generally accepted professional practices and standards of care, as well as the requirements of applicable federal, state, and local laws, it being understood that acceptance of Contractor's work by County shall not operate as a waiver or release. If County determines that any of Contractor's work is not in accordance with such level of competency and standard of care, County, in its sole discretion, shall have the right to do any or all of the following: (a) require Contractor to meet with County to review the quality of the work and resolve matters of concern; (b) require Contractor to repeat the work at no additional charge until it is satisfactory; (c) terminate this Agreement pursuant to the provisions of Article 4 (Termination); or (d) pursue any and all other remedies at law or in equity.

With respect to performance under this Agreement, Contractor shall employ the following key personnel: _____.
- c. In the event that any of Contractor's personnel assigned to perform services under this Agreement become unavailable due to resignation, sickness, or other factors outside of Contractor's control, Contractor shall be responsible for timely provision of adequately qualified replacements.

1.5. Contract Exhibits

This Agreement includes the following exhibits, which are hereby incorporated by reference as though fully set forth herein. In the event of a conflict between the terms in the body of this Agreement and any of the following exhibits, the terms in the body of this Agreement shall control.

For all services and incidental costs required hereunder, Contractor shall be paid in accordance with the following terms:

2.1. Payment for Services

Contractor shall be paid on a time-and-material/expense basis in accordance with the budget set forth in Exhibit B (Budget), attached hereto and incorporated herein by this reference (hereinafter "Exhibit B"). Contractor shall submit its bills in arrears on a monthly basis in a form approved by County's Auditor and the Head of County department receiving the services. The bills shall show or include: (i) the task(s) performed, (ii) the time in quarter hours devoted to the task(s), (iii) the hourly rate(s) of the person(s) performing the task(s), and (iv) copies of receipts for reimbursable materials/expenses, if any. Expenses not expressly authorized by the Agreement shall not be reimbursed.

Unless otherwise noted in this Agreement, payments shall be made within the normal course of County business after presentation of an invoice in a form approved by County for

services performed. Payments shall be made only upon the satisfactory completion of the services as determined by County.

2.2. Maximum Payment Obligation

In no event shall County be obligated to pay Contractor more than the total sum of \$_____ under the terms and conditions of this Agreement.

2.3. California Franchise Tax Withhold

Pursuant to California Revenue and Taxation Code (R&TC) Section 18662, County shall withhold seven percent of the income paid to Contractor for services performed within the State of California under this Agreement for payment and reporting to the California Franchise Tax Board if Contractor does not qualify as: (1) a corporation with its principal place of business in California, (2) an LLC or partnership with a permanent place of business in California, (3) a corporation/LLC or partnership qualified to do business in California by the Secretary of State, or (4) an individual with a permanent residence in the State of California.

If Contractor does not qualify, County requires that a completed and signed California Form 587 be provided by Contractor in order for payments to be made. If Contractor is qualified, then County requires a completed California Form 590. California Forms 587 and 590 remain valid for the duration of the Agreement provided there is no material change in facts. By signing either form, Contractor agrees to promptly notify County of any changes in the facts. Forms should be sent to County pursuant to Article 12 (Method and Place of Giving Notice, Submitting Bills, and Making Payments). To reduce the amount withheld, Contractor has the option to provide County with either a full or partial waiver from the State of California.

2.4. Overpayment

If County overpays Contractor for any reason, Contractor agrees to return the amount of such overpayment to County, or at County's option, permit County to offset the amount of such overpayment against future payments owed to Contractor under this Agreement or any other agreement.

2.5. Disallowance of Payment

In the event that Contractor claims or receives payment from County for a service, reimbursement for which is later disallowed by County, State of California, or the United States Government, then Contractor shall promptly refund the disallowed amount to County upon request, or at its option, County may offset the amount disallowed from any payment due or that becomes due to Contractor under this Agreement or any other agreement.

2.6. Budget Line Amendments

County Department of Health Services Director is authorized to approve and execute a "Budget Revision Form", which revises program funds in the line items set forth in the Program Budget Summary, so long as changes do not result in an increase in County's maximum payment obligation as set forth in Article 2 (Payment) of this Agreement.

2.7. Federal Funding

This Section 2.7 is applicable if all or part of this Agreement will be paid with federal awards.

2.7.1. Required Information

In signing this Agreement, Contractor acknowledges that it understands and will comply with the provisions of 2 CFR Part 200. One provision of 2 CFR Part 200 requires a subrecipient that expends \$750,000 in federal awards during its fiscal year to have an audit performed in accordance with 2 CFR Part 200. If such an audit is required, Contractor agrees to provide County with a copy of the audit report within 9 months of Contractor's fiscal year-end. The term of this Agreement shall be from _____ to _____ unless terminated earlier in accordance with the provisions of Article 4 (Termination).

4. Termination

4.1. Termination Without Cause

Notwithstanding any other provision of this Agreement, at any time and without cause, County shall have the right, in its sole discretion, to terminate this Agreement by giving 5 days advance written notice to Contractor.

4.2. Termination for Cause

Notwithstanding any other provision of this Agreement, should Contractor fail to perform any of its obligations hereunder within the time and in the manner herein provided or otherwise violate any of the terms of this Agreement, County may immediately terminate this Agreement by giving Contractor written notice of such termination, stating the reason for termination.

4.3. Delivery of Work Product and Final Payment Upon Termination

In the event of termination, Contractor, within 14 days following the date of termination, shall deliver to County all materials and work product subject to Section 9.11 (Ownership and Disclosure of Work Product) and all reports, original drawings, graphics, plans, studies, and other data or documents, in whatever form or format, assembled or prepared by Contractor or Contractor's subcontractors, consultants, and other agents in connection with this Agreement, and shall submit to County an invoice showing the services performed, hours worked, and copies of receipts for reimbursable expenses up to the date of termination.

4.4. Payment Upon Termination

Upon termination of this Agreement by County, Contractor shall be entitled to receive, as full payment for all services satisfactorily rendered and reimbursable expenses properly incurred hereunder, an amount which bears the same ratio to the total payment specified in the Agreement as the services satisfactorily rendered hereunder by Contractor bear to the total services otherwise required to be performed for such total payment; provided, however, that if services which have been satisfactorily rendered are to be paid on a per-hour or per-day basis, Contractor shall be entitled to receive as full payment an amount equal to the number of hours or days actually worked prior to the termination times the applicable hourly or daily rate; and further provided, however, that if County terminates the Agreement for cause pursuant to Section 4.2 (Termination for Cause), County shall deduct from such amount the amount of damage, if any, sustained by County by virtue of the breach of the Agreement by Contractor.

4.5. Authority to Terminate

The Board of Supervisors has the authority to terminate this Agreement on behalf of County. In addition, the Purchasing Agent or Department of Health Services' Head, in consultation with County Counsel, shall have the authority to terminate this Agreement on behalf of County.

4.6. Obligations After Termination

The following shall remain in full force and effect after termination of this Agreement: (1) Section 2.7 (Federal Funding), (2) Article 5 (Indemnification), (3) Section 9.5 (Records Maintenance), (4) Section 9.5.1 (Right to Audit, Inspect, and Copy Records), (5) Section 9.15 (Confidentiality), and (6) Section 13.5 (Applicable Law and Forum).

4.7. Change in Funding

Contractor understands and agrees that County shall have the right to terminate this Agreement immediately upon written notice to Contractor in the event that (1) any state and/or federal agency and/or other funder(s) reduces, withholds, or terminates funding which County anticipated using to pay Contractor for services provided under this Agreement, or (2) County has exhausted all funds legally available for payments due under this Agreement.

5. Indemnification

Contractor agrees to accept all responsibility for loss or damage to any person or entity, including County, and to indemnify, hold harmless, and release County, its officers, agents, and employees from and against any actions, claims, damages, liabilities, disabilities, or expenses that may be asserted by any person or entity, including Contractor, that arise out of, pertain to, or relate to Contractor's or its agents', employees', contractors', subcontractors', or invitees' performance or obligations under this Agreement. Contractor agrees to provide a complete defense for any claim or action brought against County based upon a claim relating to such Contractor's or its agents', employees', contractors', subcontractors', or invitees' performance or obligations under this Agreement. Contractor's obligations under this Article apply whether or not there is concurrent or contributory negligence on County's part, but to the extent required by law, excluding liability due to County's conduct. County shall have the right to select its legal counsel at Contractor's expense, subject to Contractor's approval, which shall not be unreasonably withheld. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for Contractor or its agents under workers' compensation acts, disability benefits acts, or other employee benefit acts.

6. Insurance

With respect to performance of work under this Agreement, Contractor shall maintain and shall require all of its subcontractors, consultants, and other agents to maintain insurance as described in Exhibit C (Insurance Requirements), which is attached hereto and incorporated herein by this reference (hereinafter "Exhibit C").

7. Prosecution of Work

The execution of this Agreement shall constitute Contractor's authority to proceed immediately with the performance of this Agreement. Performance of the services hereunder shall be completed within the time required herein, provided, however, that if the performance is delayed by earthquake, flood, high water, or other Act of God, or by strike, lockout, or similar labor

disturbances, the time for Contractor's performance of this Agreement shall be extended by a number of days equal to the number of days Contractor has been delayed.

8. Extra or Changed Work

Extra or changed work or other changes to the Agreement may be authorized only by written amendment to this Agreement, signed by both parties. Changes which do not exceed the delegated signature authority of the Department may be executed by the Department Head in a form approved by County Counsel. The Board of Supervisors or Purchasing Agent must authorize all other extra or changed work which exceeds the delegated signature authority of the Department Head. The parties expressly recognize that, pursuant to Sonoma County Code Section 1-11, County personnel are without authorization to order extra or changed work or waive Agreement requirements. Failure of Contractor to secure such written authorization for extra or changed work shall constitute a waiver of any and all right to adjustment in the Agreement price or Agreement time due to such unauthorized work and thereafter Contractor shall be entitled to no compensation whatsoever for the performance of such work. Contractor further expressly waives any and all right or remedy by way of restitution and quantum meruit for any and all extra work performed without such express and prior written authorization of the County.

9. Representations of Contractor

9.1. Standard of Care

County has relied upon the professional ability and training of Contractor as a material inducement to enter into this Agreement. Contractor hereby agrees that all its work will be performed and that its operations shall be conducted in accordance with generally accepted and applicable professional practices and standards as well as the requirements of applicable federal, state, and local laws, it being understood that acceptance of Contractor's work by County shall not operate as a waiver or release.

9.2. Status of Contractor

The parties intend that Contractor, in performing the services specified herein, shall act as an independent contractor and shall control the work and the manner in which it is performed. Contractor is not to be considered an agent or employee of County and is not entitled to participate in any pension plan, workers' compensation plan, insurance, bonus, or similar benefits that County provides its employees. In the event County exercises its right to terminate this Agreement pursuant to Article 4 (Termination), Contractor expressly agrees that it shall have no recourse or right of appeal under rules, regulations, ordinances, or laws applicable to employees.

9.3. No Suspension or Debarment

Contractor warrants that it is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in covered transactions by any federal department or agency. Contractor also warrants that it is not suspended or debarred from receiving federal funds as listed in the "List of Parties Excluded from Federal Procurement or Nonprocurement Programs" issued by the General Services Administration. If Contractor becomes debarred, Contractor has the obligation to inform County.

9.4. Taxes

Contractor agrees to file federal and state tax returns and pay all applicable taxes on amounts paid pursuant to this Agreement, and shall be solely liable and responsible to pay such taxes and other obligations, including but not limited to state and federal income and FICA taxes. Contractor agrees to indemnify and hold County harmless from any liability which it may incur to the United States or to the State of California as a consequence of Contractor's failure to pay, when due, all such taxes and obligations. In case County is audited for compliance regarding any withholding or other applicable taxes, Contractor agrees to furnish County with proof of payment of taxes on these earnings.

9.5. Records Maintenance

Contractor shall keep and maintain full and complete documentation and accounting records concerning all services provided under this Agreement. Records shall include all medical records, accounting records, and administrative records related to services provided hereunder. Contractor agrees to preserve and maintain such records for a period of at least 7 years following the close of County and state fiscal year in which the services were provided. If an audit has been started, records must be retained until completion and final resolution of any and all issues that might arise. Final settlement shall be made at the end of the audit and appeal process. All accounting records shall be maintained so that they clearly reflect the source of funding for each type of service for which reimbursement is claimed by Contractor. Accounting records include, but are not limited to, all ledgers, books, vouchers, time sheets, payrolls, appointment schedules, client data cards, and schedules for allocating costs.

9.5.1. Right to Audit, Inspect, and Copy Records

Contractor agrees to permit County and any authorized state or federal agency to audit, inspect, and copy all records, notes, and writings of any kind in connection with the services provided by Contractor under this Agreement, to the extent permitted by law, for the purpose of monitoring the quality and quantity of services, monitoring the accessibility and appropriateness of services, and ensuring fiscal accountability. All such audits, inspections, and copying shall occur during normal business hours. Upon request, Contractor shall supply copies of any and all such records to County. Failure to provide the above-noted documents requested by County within the requested time frame indicated may result in County withholding payments due under this Agreement. In those situations required by applicable law(s), Contractor agrees to obtain necessary releases to permit County or governmental or accrediting agencies to access patient medical records.

9.6. Conflict of Interest

Contractor covenants that it presently has no interest and that it will not acquire any interest, direct or indirect, that represents a financial conflict of interest under state law or that would otherwise conflict in any manner or degree with the performance of its services hereunder. Contractor further covenants that in the performance of this Agreement, no person having any such interests shall be employed. In addition, if requested to do so by County, Contractor shall complete and file and shall require any other person doing work under this Agreement to complete and file a "Statement of Economic Interest" with County disclosing Contractor's or such other person's financial interests.

9.7. Statutory Compliance/Living Wage Ordinance

Contractor agrees to comply, and to ensure compliance by its subconsultants or subcontractors, with all applicable federal, state and local laws, regulations, statutes and policies, including but not limited to the County of Sonoma Living Wage Ordinance, applicable to the services provided under this Agreement as they exist now and as they are changed, amended, or modified during the term of this Agreement. Without limiting the generality of the foregoing, Contractor expressly acknowledges and agrees that this Agreement is subject to the provisions of Article XXVI of Chapter 2 of the Sonoma County Code, requiring payment of a living wage to covered employees. Noncompliance during the term of the Agreement will be considered a material breach and may result in termination of the Agreement or pursuit of other legal or administrative remedies.

9.8. Nondiscrimination

Without limiting any other provision hereunder, Contractor shall comply with all applicable federal, state, and local laws, rules, and regulations in regard to nondiscrimination in employment because of race, color, ancestry, national origin, religious creed, belief or grooming, sex (including sexual orientation, gender identity, gender expression, transgender, pregnancy, childbirth, medical conditions related to pregnancy, childbirth or breast feeding), marital status, age, medical condition, physical or mental disability, genetic information, military or veteran status, or any other legally protected category or prohibited basis, including without limitation, the County's Non-Discrimination Policy. All nondiscrimination rules or regulations required by law to be included in this Agreement are incorporated herein by this reference.

9.9. AIDS Discrimination

Contractor agrees to comply with the provisions of Chapter 19, Article II, of the Sonoma County Code prohibiting discrimination in housing, employment, and services because of AIDS or HIV infection during the term of this Agreement and any extensions of the term.

9.10. Assignment of Rights

Contractor assigns to County all rights throughout the world in perpetuity in the nature of copyright, trademark, patent, and right to ideas in and to all versions of the plans and specifications, if any, now or later, prepared by Contractor in connection with this Agreement. Contractor agrees to take such actions as are necessary to protect the rights assigned to County in this Agreement, and to refrain from taking any action which would impair those rights. Contractor's responsibilities under this provision include, but are not limited to, placing proper notice of copyright on all versions of the plans and specifications as County may direct, and refraining from disclosing any versions of the plans and specifications to any third party without first obtaining written permission of County. Contractor shall not use or permit another party to use the plans and specifications in connection with this or any other project without first obtaining written permission of County.

9.11. Ownership and Disclosure of Work Product

All reports, original drawings, graphics, plans, studies, and other data or documents ("documents"), in whatever form or format, assembled or prepared by Contractor or Contractor's subcontractors, consultants, and other agents in connection with this Agreement, shall be the property of County. County shall be entitled to immediate possession of such documents upon completion of the work pursuant to this Agreement. Upon expiration or termination of this

Agreement, Contractor shall promptly deliver to County all such documents which have not already been provided to County in such form or format as County deems appropriate. Such documents shall be and will remain the property of County without restriction or limitation. Contractor may retain copies of the above-described documents, but agrees not to disclose or discuss any information gathered, discovered, or generated in any way through this Agreement without the express written permission of County.

9.12. Authority

The undersigned hereby represents and warrants that he or she has authority to execute and deliver this Agreement on behalf of Contractor.

9.13. Sanctioned Employee

Contractor agrees that it shall not employ in any capacity, or retain as a subcontractor in any capacity, any individual or entity that is listed on any list published by the Federal Office of Inspector General regarding the sanctioning, suspension, or exclusion of individuals or entities from the federal Medicare and Medicaid programs. Contractor agrees to monthly review said state and federal lists to confirm the status of current employees, subcontractors, and contractors. In the event Contractor does employ such individual(s) or entity(ies), Contractor agrees to assume full liability for any associated penalties, sanctions, loss, or damage that may be imposed on County by the Medicare or Medicaid programs.

9.14. Compliance with County Policies and Procedures

Contractor agrees to comply with all County policies and procedures as they may relate to services provided hereunder, including, but not limited to, County's policies and procedures, manuals, programs, and processes related to selection, retention, credentialing and recredentialing providers, utilization management, quality management, compliance, grievances, appeals, and expedited appeals, advanced directives, and administrative manual.

9.15. Confidentiality

Contractor agrees to maintain the confidentiality of all patient medical records and client information in accordance with all applicable state and federal laws and regulations. This Section 9.15 shall survive termination of this Agreement.

9.16. Lobbying

If any federal funds are to be used to pay for any services under this Agreement, Contractor shall fully comply with all certifications and disclosure requirements prescribed by Section 319 of the Public Law 101-121 (31 United States Code Section 1352) and any implementing regulations, and shall ensure that each of its subcontractors receiving funds under this Agreement also fully complies with all such certification and disclosure requirements.

9.17. Subcontractors

Contractor agrees that any employees or agents of Contractor that assist Contractor in the provision of services shall also satisfy the requirements of this Agreement. In this regard, Contractor understands and agrees that all obligations and prohibitions imposed on Contractor pursuant to this Agreement are equally applicable to each and every individual providing services through Contractor under this Agreement, and Contractor shall assure that such individuals agree to comply with such obligations and prohibitions.

9.18. Licensure and Staffing

Contractor warrants that it and all its employees and sub-contractors providing or supervising services under this Agreement have all necessary licenses, permits, and certificates to provide services under this Agreement, as required by applicable state and federal laws, rules, and regulations. Contractor agrees to maintain said licenses, permits, and certificates in good standing for the duration of this Agreement. A copy of each such licenses, permits, and certificates shall be made available upon request, not to exceed three (3) business days after the initial request, for inspection, review, and/or audit by authorized representatives and designees of County, state, and/or federal governments during the term of this Agreement and for the applicable records retention period. Failure to maintain said licenses, permits, and/or certificates in effect for the duration of this Agreement shall be deemed a material breach of this Agreement and constitutes grounds for immediate termination of this Agreement by County. Staff shall only function within the scope of practice as dictated by licensing boards/bodies. At all times during the term of this Agreement, Contractor shall have available and shall provide upon request to authorized representatives of County a list of all persons by name, title, professional degree, and experience who are providing any services under this Agreement.

9.19. Charitable Choice/Faith-Based Organizations

Contractor agrees and acknowledges that County may make funds available for programs or services affiliated with religious organizations under the following conditions: (i) the funds are made available on an equal basis for programs or services affiliated with non-religious organizations; (ii) the program funded does not have the substantial effect of supporting religious activities; (iii) the funding is indirect, remote, or incidental to the religious purpose of the organization.

Contractor agrees and acknowledges that County may not make funds available for programs or services affiliated with a religious organization that (i) has denied or continues to deny access to services on the basis of race, color, religion, ancestry, national origin, sex, citizenship, or known disability; (ii) will use the funds for a religious purpose; (iii) will use the funds for a program or service that subjects its participants to religious education.

Contractor agrees and acknowledges that all recipients of funding from County must (i) comply with all legal requirements and restrictions imposed upon government-funded activities set forth in Article IX, Section 8 and Article XVI, Section 5 of the California Constitution and in the First Amendment to the United States Constitution; and (ii) segregate such funding from all funding used for religious purposes.

10. Demand for Assurance

Each party to this Agreement undertakes the obligation that the other party's expectation of receiving due performance will not be impaired. When reasonable grounds for insecurity arise with respect to the performance of either party, the other party may in writing demand adequate assurance of due performance, and until such assurance is received may, if commercially reasonable, suspend any performance for which the agreed return has not been received. "Commercially reasonable" includes not only the conduct of a party with respect to performance under this Agreement, but also conduct with respect to other agreements with parties to this Agreement or others. After receipt of a justified demand, failure to provide within a reasonable time, but not exceeding 30 days, such assurance of due performance as is adequate under the

circumstances of the particular case is a repudiation of this Agreement. Acceptance of any improper delivery, service, or payment does not prejudice the aggrieved party's right to demand adequate assurance of future performance. Nothing in this Article limits County's right to terminate this Agreement pursuant to Article 4 (Termination).

11. Assignment and Delegation

Neither party hereto shall assign, delegate, sublet, or transfer any interest in or duty under this Agreement without the prior written consent of the other party, and no such transfer shall be of any force or effect whatsoever unless and until the other party shall have so consented.

12. Method and Place of Giving Notice, Submitting Bills, and Making Payments

All notices, bills, and payments shall be made in writing and shall be given by personal delivery or by U.S. Mail or courier service. Notices, bills, and payments shall be addressed as follows:

| To County: | To Contractor: |
|------------|----------------|
| | |

When a notice, bill, or payment is given by a generally recognized overnight courier service, the notice, bill, or payment shall be deemed received on the next business day. When a copy of a notice, bill, or payment is sent by facsimile or email, the notice, bill, or payment shall be deemed received upon transmission as long as: (1) the original copy of the notice, bill, or payment is promptly deposited in the U.S. Mail and postmarked on the date of the facsimile or email (for a payment, on or before the due date); (2) the sender has a written confirmation of the facsimile transmission or email; and (3) the facsimile or email is transmitted before 5 p.m. (recipient's time). In all other instances, notices, bills, and payments shall be effective upon receipt by the recipient. Changes may be made in the names and addresses of the person to whom notices are to be given by giving notice pursuant to this Article 12.

13. Miscellaneous Provisions

13.1. No Waiver of Breach

The waiver by County of any breach of any term or promise contained in this Agreement shall not be deemed to be a waiver of such term or provision or any subsequent breach of the same or any other term or promise contained in this Agreement.

13.2. Construction

To the fullest extent allowed by law, the provisions of this Agreement shall be construed and given effect in a manner that avoids any violation of statute, ordinance, regulation, or law. The parties covenant and agree that in the event that any provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired, or invalidated thereby. Contractor and County acknowledge that they have each contributed to the making of this Agreement and that, in the event of a dispute over the interpretation of this Agreement, the language of the Agreement will not be construed against one party in favor of the other party. Contractor and County acknowledge that they have each had an adequate opportunity to consult with counsel in the negotiation and preparation of this Agreement.

13.3. Consent

Wherever in this Agreement the consent or approval of one party is required to an act of the other party, such consent or approval shall not be unreasonably withheld or delayed.

13.4. No Third-Party Beneficiaries

Nothing contained in this Agreement shall be construed to create and the parties do not intend to create any rights in third parties.

13.5. Applicable Law and Forum

This Agreement shall be construed and interpreted according to the substantive law of California, regardless of the law of conflicts to the contrary in any jurisdiction. Any action to enforce the terms of this Agreement or for the breach thereof shall be brought and tried in the City of Santa Rosa or the forum nearest to the City of Santa Rosa in the County of Sonoma.

13.6. Captions

The captions in this Agreement are solely for convenience of reference. They are not a part of this Agreement and shall have no effect on its construction or interpretation.

13.7. Merger

This writing is intended both as the final expression of the Agreement between the parties hereto with respect to the included terms and as a complete and exclusive statement of the terms of the Agreement, pursuant to Code of Civil Procedure Section 1856. Each party acknowledges that, in entering into this Agreement, it has not relied on any representation or undertaking, whether oral or in writing, other than those which are expressly set forth in this Agreement. No modification of this Agreement shall be effective unless and until such modification is evidenced by a writing signed by both parties.

13.8. Survival of Terms

All express representations, waivers, indemnifications, and limitations of liability included in this Agreement will survive its completion or termination for any reason.

13.9. Time of Essence

Time is and shall be of the essence of this Agreement and every provision hereof.

13.10. Counterparts and Electronic Copies

The parties agree that this Agreement may be executed in two or more counterparts, each of which shall be deemed an original, and together which when executed by the requisite parties shall be deemed to be a complete original agreement. Counterparts may be delivered via facsimile, electronic mail (including PDF), or other transmission method, and any counterpart so delivered shall be deemed to have been duly and validly delivered, be valid and effective for all purposes, and shall have the same legal force and effect as an original document. Contractor is solely responsible for all decisions made by Contractor regarding the safeguarding of the County PHI.

2. Amendment

The parties acknowledge that federal and state laws relating to electronic data security and privacy are rapidly evolving and that amendment of this Exhibit may be required to provide for procedures to ensure compliance with such developments. The County may terminate this Agreement if Contractor is found guilty of a criminal violation of HIPAA. The County may terminate this Agreement if a finding or stipulation that the Contractor has violated any standard or requirement of HIPAA, or other security or privacy laws is made in any administrative or civil proceeding in which the Contractor is a party or has been joined. DHCS will consider the nature and seriousness of the violation in deciding whether or not to terminate the Agreement.

4. Assistance in Litigation or Administrative Proceedings

Contractor shall make itself and any subcontractors, employees or agents assisting Contractor in the performance of its obligations under this Agreement, available to the County at no cost to the County to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings being commenced against the County, its directors, officers or employees based upon claimed violation of HIPAA, or the HIPAA regulations, which involves inactions or actions by the Contractor, except where Contractor or its subcontractor, employee or agent is a named adverse party.

From time to time, and subject to all applicable federal and state privacy and security laws and regulations, the County may conduct a reasonable inspection of the facilities, systems, books and records of Contractor to monitor compliance with this Exhibit. Contractor shall promptly remedy any violation of any provision of this Exhibit. The fact that the County inspects, or fails to inspect, or has the right to inspect, Contractor's facilities, systems and procedures does not relieve Contractor of its responsibility to comply with this Exhibit. The County's failure to detect a non-compliant practice, or a failure to report a detected non-compliant practice to Contractor does not constitute acceptance of such practice or a waiver of the County's enforcement rights under this Agreement, including this Exhibit.

- 2.2** Contractor shall at all times comply with all applicable federal laws, regulations, executive orders, Office of Budget and Management circulars, FEMA policies, procedures, directives, and program or grant conditions, as they may be amended or promulgated from time to time during the term of this Agreement, including but not limited to those requirements of 2 C.F.R.¹ 200.317 through 200.327 and Appendix II to 2 CFR Part 200—“Contract Provisions for Non-Federal Entity Contracts Under Federal Awards,” which is included herein by reference; and including the Age Discrimination Act of 1975; the Americans with Disabilities Act of 1990, the Civil Rights Act of 1964 (Title VI); the Civil Rights Act of 1968 (Title VIII); the Drug-Free Workplace Act of 1988; the Drug Abuse Office and Treatment Act of 1972; the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970; the Public Health Service Act of 1912; the Education Amendments of 1972 (Title IX); the Equal Opportunity in Education Act; the Energy Policy and Conservation Act; the False Claims Act; the Hotel and Motel Fire Safety Act of 1990; the National Environmental Policy Act; the Rehabilitation Act of 1973; the Whistleblower Protection Act (including 41 USC 4712); the Hatch Act (5 U.S.C.² 1501 et seq.); and all related and Department of Homeland Security-mandated federal regulations, including 44 CFR Part 7.
- 2.3** Whether or not expressly set forth herein, all contractual provisions required by FEMA (including as may be amended or modified from time to time) are hereby incorporated by reference. This agreement may be amended to further incorporate and expressly state new, revised, and or subsequent contractual provisions required by FEMA. In the event of any conflict between any provision of this Agreement, this Exhibit, or any FEMA term, condition, or requirement, the stricter standard shall apply. Contractor shall refer any inconsistency or perceived inconsistency between this Agreement and any federal requirement to County for guidance. Contractor shall not perform any act, fail to perform any act, or refuse to comply with any requests that would cause County to be in violation of any FEMA term, condition, or requirement.

¹ Code of Federal Regulations (“CFR”).

- 2.4 The Government shall enjoy the right to seek judicial enforcement of any law, regulation, condition, or provision stated herein.
- 2.5 Contractor shall ensure it has the necessary processes and systems in place to comply with applicable federal reporting requirements, including those contained in 2 CFR Part 170 as applicable.
- 2.6 Trafficking Victims Protection Act. INTENTIONALLY OMITTED.

For all repair or construction activity done pursuant to this Agreement (if applicable), all such repair or construction shall be carried out in accordance with applicable standards of safety, decency, and sanitation and in conformity with applicable codes, specifications and standards, including those required pursuant to 44 CFR 206.400.
- 2.8 Contractor agrees to include the herein-stated clauses in each Third Party Subcontract such that all provisions will equally apply to the subcontractor. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject thereto.

3. ACCESS TO RECORDS

- 3.1 Contractor shall provide County and the Department of Homeland Security access to, and the right to examine and copy, records, accounts, and other documents and sources of information related to the federal financial assistance award and permit access to facilities, personnel, and other individuals and information as may be necessary, as required by federal regulations and other applicable laws or program guidance.
- 3.2 Contractor agrees to provide County, the State of California, the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this Agreement for the purposes of making audits, examinations, excerpts, and transcriptions. The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. Contractor agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the Agreement.
- 3.3 In compliance with section 1225 of the Disaster Recovery Reform Act of 2018, the County and the Contractor acknowledge and agree that no language in this Agreement is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.
- 3.4 The Contractor agrees to maintain all books, records, accounts, and reports required under this Agreement for a period of not less than five years after the later of: (a) the date of termination or expiration of this Agreement or (b) the date all projects, programs, and close outs are completed, except in the event of audit, litigation, or settlement of claims arising from this Agreement, in which case, Contractor agrees to maintain same until the County, FEMA, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims, or exceptions related thereto. Contractor shall grant County the option of retention of the records, books, papers, and documents in unalterable, electronic form if Contractor elects to dispose of said documents following the mandatory retention period.
- 3.5 The requirements set forth above are all in addition to, and should not be considered to be in lieu of, any more stringent requirement set forth in the Agreement.

4. DEBARMENT AND SUSPENSION

- 4.1 This Agreement is a covered transaction for purposes of 2 C.F.R. Part 180 and 2 C.F.R. Part 3000. As such, the Contractor is required to verify that none of the Contractor's principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

- 4.2 Contractor must comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.
- 4.3 Contractor represents, warrants, and certifies that it, and its principals, is and are not debarred, suspended, or otherwise excluded from or disqualified or ineligible for participation in Federal assistance programs or activities, including under Executive Order 12549, "Debarment and Suspension" or Executive Order 12689, and that it (and each of its principals) is not on the Excluded Parties List System in the System for Award Management (SAM) or on any comparable list of precluded persons, entities, or facilities. Contractor agrees that neither Contractor nor any of its third party subcontractors shall enter into any third party subcontracts for any of the work under this Agreement with a third party who is debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs under executive Order 12549 or any federal regulation, including 2 CFR Part 180.
- 4.4 This certification is a material representation of fact relied upon by County. If it is later determined that the Contractor did not comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C, in addition to remedies available to County, the federal government may pursue available remedies, including but not limited to suspension and/or debarment.
- 4.5 The bidder or proposer agrees to comply with the requirements of 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.
- 4.6 Contractor agrees to the provisions of Exhibit -1, Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions, attached hereto and incorporated herein. For purposes of this Agreement and Exhibit -1, Contractor is the "prospective lower tier participant."

5. NO OBLIGATION BY FEDERAL GOVERNMENT

Contractor acknowledges and agrees that the federal government is not a party to this Agreement and is not subject to any obligations or liabilities to the County, Contractor, or any other party (whether or not a party to this Agreement) pertaining to any matter resulting from the Agreement.

6. EQUAL EMPLOYMENT OPPORTUNITY COMPLIANCE (all construction contracts meeting the definition of "federally assisted construction contract" under 41 CFR 60-1.3)

Contractor agrees to comply with Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR Part 60). 41 CFR 60-1.4 is hereby incorporated by reference.

During the performance of this Agreement, the contractor agrees as follows:

- 6.1 The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

- 6.2 The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- 6.3 The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
- 6.4 The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- 6.5 The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- 6.6 The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- 6.7 In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other Contract Provisions Guide 12 sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- 6.8 The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, that if the applicant so participating is a state or local government, the above equal opportunity clause is not applicable to any agency,

instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

7. NONDISCRIMINATION CLAUSE

7.1 Contractors and subcontractors shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, race, color, ancestry, religious creed, national origin, sexual orientation, physical disability (including HIV and AIDS), mental disability, medical condition, age, marital status, denial of family care leave, or based on any other prohibited basis.

7.2 Contractors, and subcontractors shall ensure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment.

8. CONTRACT WORK HOURS AND SAFETY STANDARDS (all contracts in excess of \$100,000 that involve the employment of mechanics, laborers (including watchmen and guards) (as defined by federal law and regulation), or construction work, but not to purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence)

Contractor and all subcontractors shall comply with the Contract Work Hours and Safety Standards Act, 40 USC 3701 through 3708 (including sections 3702 and 3704), as supplemented by Department of Labor regulations at 29 CFR Part 5, which are incorporated hereto. Contractor and all subcontractors shall compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is subject to conditions, as stated in the Act and regulations. No laborer or mechanic shall be required to work

in surroundings or under working conditions that are unsanitary, hazardous, or dangerous to health or safety.

Compliance with the Contract Work Hours and Safety Standards Act. In accordance with 29 CFR sections 5.5(d) and 5.5(e), all required contract clauses, appropriate wage determinations, and other provisions under 29 CFR Part 5 are hereby incorporated by reference and apply as a matter of law. Accordingly, references in this Article 8 are to the following subsections in conformance with the sections and subsections of 29 CFR Section 5.5.

29 CFR 5.5(b):

- (1) **Overtime requirements.** No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
- (2) **Violation; liability for unpaid wages; liquidated damages.** In the event of any violation of the clause set forth in paragraph (1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages and interest from the date of the underpayment. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchpersons and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$32 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1).
- (3) **Withholding for unpaid wages and liquidated damages-**
 - (i) **Withholding process.** The County may, upon its own action, or must, upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the contractor so much of the accrued payments or advances as may be considered necessary to satisfy the liabilities of the prime contractor or any subcontractor for any unpaid wages; monetary relief, including interest; and liquidated damages required by the clauses set forth in this paragraph on this contract, any other Federal contract with the same prime contractor, or any other federally assisted contract subject to the Contract Work Hours and Safety Standards Act that is held by the same prime contractor (as defined in 29 CFR 5.2). The necessary funds may be withheld from the contractor under this contract, any other Federal contract with the same prime contractor, or any other federally assisted contract that is subject to the Contract Work Hours and Safety Standards Act and is held by the same prime contractor, regardless of whether the other

- contract was awarded or assisted by the same agency, and such funds may be used to satisfy the contractor liability for which the funds were withheld.
- (ii) Priority to withheld funds. The Department has priority to funds withheld or to be withheld in accordance with (a)(2)(i) or (b)(3)(i) of this section, or both, over claims to those funds by:
 - (A) A contractor's surety(ies), including without limitation performance bond sureties and payment bond sureties;
 - (B) A contracting agency for its reprocurement costs;
 - (C) A trustee(s) (either a court-appointed trustee or a U.S. trustee, or both) in bankruptcy of a contractor, or a contractor's bankruptcy estate;
 - (D) A contractor's assignee(s);
 - (E) A contractor's successor(s); or
 - (F) A claim asserted under the Prompt Payment Act, 31 USC 3901-3907.
 - (4) **Anti-retaliation.** It is unlawful for any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, or to cause any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, any worker or job applicant for:
 - (i) Notifying any contractor of any conduct which the worker reasonably believes constitutes a violation of the Contract Work Hours and Safety Standards Act (CWHSSA) or its implementing regulations in 29 CFR Part 5;
 - (ii) Filing any complaint, initiating or causing to be initiated any proceeding, or otherwise asserting or seeking to assert on behalf of themselves or others any right or protection under CWHSSA or 29 CFR Part 5;
 - (iii) Cooperating in any investigation or other compliance action, or testifying in any proceeding under CWHSSA or 29 CFR Part 5; or
 - (iv) Informing any other person about their rights under CWHSSA or 29 CFR Part 5.
 - (5) **Required records.** Unless specified otherwise herein, Contractor and all subcontractors must maintain regular payrolls and other basic records during the course of the work and must preserve them for a period of at least 3 years after all the work on the prime contract is completed for all laborers and mechanics, including guards and watchpersons, working on the contract. Such records must contain the name; last known address, telephone number, and email address; and social security number of each such worker; each worker's correct classification(s) of work actually performed; hourly rates of wages paid; daily and weekly number of hours actually worked; deductions made; and actual wages paid. Further, the records to be maintained under this paragraph must be made available by the contractor and subcontractors for inspection, copying, or transcription by authorized representatives of County, Treasury, and the Department of Labor, and the contractor or subcontractor will permit such representatives to interview workers during working hours on the job.
 - (6) **Subcontracts.** The contractor (and all subcontractors) shall insert in any subcontracts the clauses set forth in paragraphs (1) through (6) of this section, and a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor is responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in these paragraphs (1) through (6). In the event of any violations of these clauses, the prime contractor and any subcontractor(s) responsible will be liable for any unpaid wages and monetary relief, including interest from the date of the underpayment or loss, due to any workers of lower-tier subcontractors, and associated liquidated damages and may be subject to debarment, as appropriate.

29 CFR 5.5(a):

(1) Minimum wages.

(i) **Wage rates and fringe benefits.** All laborers and mechanics employed or working upon the site of the work (or otherwise working in construction or development of the project under a development statute), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of basic hourly wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. As provided in paragraphs (d) and (e) of this section (i.e., 29 CFR 5.5), the appropriate wage determinations are effective by operation of law even if they have not been attached to the contract. Contributions made or costs reasonably anticipated for bona fide fringe benefits under the Davis-Bacon Act (40 U.S.C. 3141(2)(B)) on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (a)(1)(v) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics must be paid the appropriate wage rate and fringe benefits on the wage determination for the classification(s) of work actually performed, without regard to skill, except as provided in paragraph (a)(4) of this section. Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: *Provided*, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classifications and wage rates conformed under paragraph (a)(1)(iii) of this section) and the Davis-Bacon poster (WH-1321) must be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii) Frequently recurring classifications.

(A) In addition to wage and fringe benefit rates that have been determined to be prevailing under the procedures set forth in 29 CFR part 1, a wage determination may contain, pursuant to 29 CFR § 1.3(f), wage and fringe benefit rates for classifications of laborers and mechanics for which conformance requests are regularly submitted pursuant to paragraph (a)(1)(iii) of this section, provided that:

- (1) The work performed by the classification is not performed by a classification in the wage determination for which a prevailing wage rate has been determined;
- (2) The classification is used in the area by the construction industry; and
- (3) The wage rate for the classification bears a reasonable relationship to the prevailing wage rates contained in the wage determination.

(B) The Administrator will establish wage rates for such classifications in accordance with paragraph (a)(1)(iii)(A)(3) of this section. Work performed in such a classification must be paid at no less than the wage and fringe benefit rate listed on the wage determination for such classification.

(iii) Conformance.

(A) The contracting officer must require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract be classified in conformance with the wage determination. Conformance of an additional classification and wage rate and fringe benefits is appropriate only when the following criteria have been met:

- (1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and
- (2) The classification is used in the area by the construction industry; and
- (3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) The conformance process may not be used to split, subdivide, or otherwise avoid application of classifications listed in the wage determination.

(C) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken will be sent by the contracting officer by email to DBAconformance@dol.gov. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer will, by email to DBAconformance@dol.gov, refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(E) The contracting officer must promptly notify the contractor of the action taken by the Wage and Hour Division under paragraphs (a)(1)(iii)(C) and (D) of this section. The contractor must furnish a written copy of such determination to each affected worker or it must be posted as a part of the wage determination. The wage rate (including fringe benefits where appropriate) determined pursuant to paragraph (a)(1)(iii)(C) or (D) of this section must be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iv) **Fringe benefits not expressed as an hourly rate.** Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor may either pay the benefit as stated in the wage determination or may pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(v) **Unfunded plans.** If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, *Provided*, That the Secretary of Labor has found, upon the written request of the contractor, in accordance with the criteria set forth in 29 CFR § 5.28, that the applicable standards of the Davis-Bacon Act have been

met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(vi) **Interest.** In the event of a failure to pay all or part of the wages required by the contract, the contractor will be required to pay interest on any underpayment of wages.

(2) **Withholding —**

(i) **Withholding requirements.** The County may, upon its own action, or must, upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the contractor so much of the accrued payments or advances as may be considered necessary to satisfy the liabilities of the prime contractor or any subcontractor for the full amount of wages and monetary relief, including interest, required by the clauses set forth in paragraph (a) of this section for violations of this contract, or to satisfy any such liabilities required by any other Federal contract, or federally assisted contract subject to Davis-Bacon labor standards, that is held by the same prime contractor (as defined in 29 CFR § 5.2). The necessary funds may be withheld from the contractor under this contract, any other Federal contract with the same prime contractor, or any other federally assisted contract that is subject to Davis-Bacon labor standards requirements and is held by the same prime contractor, regardless of whether the other contract was awarded or assisted by the same agency, and such funds may be used to satisfy the contractor liability for which the funds were withheld. In the event of a contractor's failure to pay any laborer or mechanic, including any apprentice or helper working on the site of the work (or otherwise working in construction or development of the project under a development statute) all or part of the wages required by the contract, or upon the contractor's failure to submit the required records as discussed in paragraph (a)(3)(iv) of this section, the County may on its own initiative and after written notice to the contractor, sponsor, applicant, owner, or other entity, as the case may be, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

(ii) **Priority to withheld funds.** The Department has priority to funds withheld or to be withheld in accordance with paragraph (a)(2)(i) or (b)(3)(i) of this section, or both, over claims to those funds by:

- (A) A contractor's surety(ies), including without limitation performance bond sureties and payment bond sureties;
- (B) A contracting agency for its procurement costs;
- (C) A trustee(s) (either a court-appointed trustee or a U.S. trustee, or both) in bankruptcy of a contractor, or a contractor's bankruptcy estate;
- (D) A contractor's assignee(s);
- (E) A contractor's successor(s); or
- (F) A claim asserted under the Prompt Payment Act, 31 U.S.C. 3901–3907.

(3) **Records and certified payrolls —**

(i) **Basic record requirements —**

- (A) **Length of record retention.** All regular payrolls and other basic records must be maintained by the contractor and any subcontractor during the course of the work and preserved for all laborers and mechanics working at the site of the work (or otherwise working in construction or development of the project under a development statute) for a period of at least 3 years after all the work on the prime contract is completed.
- (B) **Information required.** Such records must contain the name; Social Security number; last known address, telephone number, and email address of each such worker; each worker's correct classification(s) of work actually performed; hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents

thereof of the types described in 40 U.S.C. 3141(2)(B) of the Davis-Bacon Act); daily and weekly number of hours actually worked in total and on each covered contract; deductions made; and actual wages paid.

(C) **Additional records relating to fringe benefits.** Whenever the Secretary of Labor has found under paragraph (a)(1)(v) of this section that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in 40 U.S.C. 3141(2)(B) of the Davis-Bacon Act, the contractor must maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits.

(D) **Additional records relating to apprenticeship.** Contractors with apprentices working under approved programs must maintain written evidence of the registration of apprenticeship programs, the registration of the apprentices, and the ratios and wage rates prescribed in the applicable programs.

(ii) **Certified payroll requirements —**

(A) **Frequency and method of submission.** The contractor or subcontractor must submit weekly, for each week in which any DBA- or Related Acts-covered work is performed, certified payrolls to Treasury if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the certified payrolls to the applicant, sponsor, owner, or other entity, as the case may be, that maintains such records, for transmission to Treasury. The prime contractor is responsible for the submission of all certified payrolls by all subcontractors. A contracting agency or prime contractor may permit or require contractors to submit certified payrolls through an electronic system, as long as the electronic system requires a legally valid electronic signature; the system allows the contractor, the contracting agency, and the Department of Labor to access the certified payrolls upon request for at least 3 years after the work on the prime contract has been completed; and the contracting agency or prime contractor permits other methods of submission in situations where the contractor is unable or limited in its ability to use or access the electronic system.

(B) **Information required.** The certified payrolls submitted must set out accurately and completely all of the information required to be maintained under paragraph (a)(3)(i)(B) of this section, except that full Social Security numbers and last known addresses, telephone numbers, and email addresses must not be included on weekly transmittals. Instead, the certified payrolls need only include an individually identifying number for each worker (*e.g.*, the last four digits of the worker's Social Security number). The required weekly certified payroll information may be submitted using Optional Form WH-347 or in any other format desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division website at <https://www.dol.gov/sites/dolgov/files/WHD/legacy/files/wh347/.pdf> or its successor website. It is not a violation of this section for a prime contractor to require a subcontractor to provide full Social Security numbers and last known addresses, telephone numbers, and email addresses to the prime contractor for its own records, without weekly submission by the subcontractor to the sponsoring government agency (or the applicant, sponsor, owner, or other entity, as the case may be, that maintains such records).

(C) **Statement of Compliance.** Each certified payroll submitted must be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor, or the contractor's or subcontractor's agent who pays or supervises the payment of the persons working on the contract, and must certify the following:

(1) That the certified payroll for the payroll period contains the information required to be provided under paragraph (a)(3)(ii) of this section, the appropriate information and basic records are being maintained under paragraph (a)(3)(i) of this section, and such information and records are correct and complete;

- (2) That each laborer or mechanic (including each helper and apprentice) working on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR part 3; and
- (3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification(s) of work actually performed, as specified in the applicable wage determination incorporated into the contract.
- (D) **Use of Optional Form WH-347.** The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 will satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(C) of this section.
- (E) **Signature.** The signature by the contractor, subcontractor, or the contractor's or subcontractor's agent must be an original handwritten signature or a legally valid electronic signature.
- (F) **Falsification.** The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under 18 U.S.C. 1001 and 31 U.S.C. 3729.
- (G) **Length of certified payroll retention.** The contractor or subcontractor must preserve all certified payrolls during the course of the work and for a period of 3 years after all the work on the prime contract is completed.
- (iii) **Contracts, subcontracts, and related documents.** The contractor or subcontractor must maintain this contract or subcontract and related documents including, without limitation, bids, proposals, amendments, modifications, and extensions. The contractor or subcontractor must preserve these contracts, subcontracts, and related documents during the course of the work and for a period of 3 years after all the work on the prime contract is completed.
- (iv) **Required disclosures and access —**
 - (A) **Required record disclosures and access to workers.** The contractor or subcontractor must make the records required under paragraphs (a)(3)(i) through (iii) of this section, and any other documents that County, Treasury, or the Department of Labor deems necessary to determine compliance with the labor standards provisions of any of the applicable statutes referenced by 29 CFR § 5.1, available for inspection, copying, or transcription by authorized representatives of County, Treasury or the Department of Labor, and must permit such representatives to interview workers during working hours on the job.
 - (B) **Sanctions for non-compliance with records and worker access requirements.** If the contractor or subcontractor fails to submit the required records or to make them available, or refuses to permit worker interviews during working hours on the job, the Federal agency may, after written notice to the contractor, sponsor, applicant, owner, or other entity, as the case may be, that maintains such records or that employs such workers, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available, or to permit worker interviews during working hours on the job, may be grounds for debarment action pursuant to 29 CFR § 5.12. In addition, any contractor or other person that fails to submit the required records or make those records available to WHD within the time WHD requests that the records be produced will be precluded from introducing as evidence in an administrative proceeding under 29 CFR part 6 any of the required records that were not provided or made available to WHD. WHD will take into consideration a reasonable request from the contractor or person for an extension of the time for submission of records. WHD will determine the reasonableness of the request and may consider, among other things, the location of the records and the volume of production.
 - (C) **Required information disclosures.** Contractors and subcontractors must maintain the full Social Security number and last known address, telephone number, and email address of each

covered worker, and must provide them upon request to Treasury if the agency is a party to the contract, or to the Wage and Hour Division of the Department of Labor. If the Federal agency is not such a party to the contract, the contractor, subcontractor, or both, must, upon request, provide the full Social Security number and last known address, telephone number, and email address of each covered worker to the applicant, sponsor, owner, or other entity, as the case may be, that maintains such records, for transmission to Treasury, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or other compliance action.

(4) Apprentices and equal employment opportunity —

(i) Apprentices —

(A) Rate of pay. Apprentices will be permitted to work at less than the predetermined rate for the work they perform when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship (OA), or with a State Apprenticeship Agency recognized by the OA. A person who is not individually registered in the program, but who has been certified by the OA or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice, will be permitted to work at less than the predetermined rate for the work they perform in the first 90 days of probationary employment as an apprentice in such a program. In the event the OA or a State Apprenticeship Agency recognized by the OA withdraws approval of an apprenticeship program, the contractor will no longer be permitted to use apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(B) Fringe benefits. Apprentices must be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringe benefits must be paid in accordance with that determination.

(C) Apprenticeship ratio. The allowable ratio of apprentices to journeyworkers on the job site in any craft classification must not be greater than the ratio permitted to the contractor as to the entire work force under the registered program or the ratio applicable to the locality of the project pursuant to paragraph (a)(4)(i)(D) of this section. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated in paragraph (a)(4)(i)(A) of this section, must be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under this section must be paid not less than the applicable wage rate on the wage determination for the work actually performed.

(D) Reciprocity of ratios and wage rates. Where a contractor is performing construction on a project in a locality other than the locality in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyworker's hourly rate) applicable within the locality in which the construction is being performed must be observed. If there is no applicable ratio or wage rate for the locality of the project, the ratio and wage rate specified in the contractor's registered program must be observed.

(ii) Equal employment opportunity. The use of apprentices and journeyworkers under this part must be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

(5) Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

- (6) **Subcontracts.** The contractor or subcontractor must insert in any subcontracts the clauses contained in paragraphs (a)(1) through (11) of this section, along with the applicable wage determination(s) and such other clauses or contract modifications as County or the Government may by appropriate instructions require, and a clause requiring the subcontractors to include these clauses and wage determination(s) in any lower tier subcontracts. The prime contractor is responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this section. In the event of any violations of these clauses, the prime contractor and any subcontractor(s) responsible will be liable for any unpaid wages and monetary relief, including interest from the date of the underpayment or loss, due to any workers of lower-tier subcontractors, and may be subject to debarment, as appropriate.
- (7) **Contract termination: debarment.** A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.
- (8) **Compliance with Davis-Bacon and Related Act requirements.** All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.
- (9) **Disputes concerning labor standards.** Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.
- (10) **Certification of eligibility.**
- (i) By entering into this contract, the contractor certifies that neither it nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of 40 U.S.C. 3144(b) or 29 CFR § 5.12(a).
 - (ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of 40 U.S.C. 3144(b) or 29 CFR § 5.12(a).
 - (iii) The penalty for making false statements is prescribed in the U.S. Code, Title 18 Crimes and Criminal Procedure, 18 U.S.C. 1001.
- (11) **Anti-retaliation.** It is unlawful for any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, or to cause any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, any worker or job applicant for:
- (i) Notifying any contractor of any conduct which the worker reasonably believes constitutes a violation of the DBA, Related Acts, this part, or 29 CFR part 1 or 3;
 - (ii) Filing any complaint, initiating or causing to be initiated any proceeding, or otherwise asserting or seeking to assert on behalf of themselves or others any right or protection under the DBA, Related Acts, this part, or 29 CFR part 1 or 3;
 - (iii) Cooperating in any investigation or other compliance action, or testifying in any proceeding under the DBA, Related Acts, this part, or 29 CFR part 1 or 3; or
 - (iv) Informing any other person about their rights under the DBA, Related Acts, this part, or 29 CFR part 1 or 3.

9. NOTICE OF REPORTING REQUIREMENTS

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND
VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS**

(Lower Tier refers to the agency or Contractor receiving Federal funds, as well as any subcontractors that the agency or Contractor enters into contract with using those funds)

As required by Executive Order 12549, Debarment and Suspension, as defined at 44 CFR Part 17, County may not enter into contract with any entity that is debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by the Federal Government from participating in transactions involving Federal funds. Contractor is required to sign the certification below which specifies that neither Contractor nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by the Federal agency. It also certifies that Contractor will not use, directly or indirectly, any of these funds to employ, award contracts to, engage the services of, or fund any Contractor that is debarred, suspended, or ineligible under 44 CFR Part 17.

Instruction for Certification

1. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
2. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.
3. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definition and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
4. The prospective lower tier participant agrees by submitting this agreement that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
5. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
6. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

7. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

8. Except for transactions authorized under paragraph 4 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions

1. Contractor certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation.
