**Resolution Of The Board Of Supervisors Of The County Of Sonoma, State Of California,
delegating authority to the Sheriff-Coroner or designee to execute supplemental law enforcement
security services agreements with Sonoma Raceway.**

Whereas, Government Code Section 53069.8 allows the Board of Supervisors to contract on behalf of the Sheriff to provide supplemental law enforcement security services to private entities to preserve the peace at special events or occurrences that happen on an occasional basis; and

Whereas, Government Code Section 53069.8 requires the contract to provide for full reimbursement to the County of the actual costs of providing those services; and

Whereas, the Board of Supervisors adopted a Resolution on November 16, 1993, to delegate authority to the Sheriff-Coroner to execute contracts for the provision of supplemental security services up to \$25,000 (Resolution No. 93-1720); and

Whereas, the Sheriff's Office has been providing supplemental law enforcement security services pursuant to Government Code Section 53069.8 annually for Sonoma Raceway special racing events on an occasional basis since 1991; and

Whereas, the existing amount of the delegated authority under Resolution No. 93-1720 is insufficient to cover the actual costs of large multi-day special race events at Sonoma Raceway; and

Whereas, the Board of Supervisor has determined that it is necessary and appropriate to delegate authority to the Sheriff-Coroner or designee to execute agreements for supplemental law enforcement services at occasional special events at Sonoma Raceway in excess of the existing delegated authority amount; and

Whereas, the Board of Supervisors annually adopts fees for supplemental law enforcement security services that determine the amount to be reimbursed by Sonoma Raceway for all direct and indirect costs associated with providing supplemental law enforcement security services at occasional special events.

Now, Therefore, Be It Resolved by the Board of Supervisors that authority is delegated to the Sonoma County Sheriff-Coroner or designee to execute supplemental law enforcement security services agreements at Sonoma Raceway to preserve the peace at special racing events or occurrences that happen on an occasional basis, and to receive full reimbursements for actual direct and indirect costs of providing those services.
