WHEREAS, in the judgment of Sonoma County Public Infrastructure, it is necessary and desirable to contract for the services of Consultant for on-call right-of-way services.

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants contained herein, the parties hereto agree as follows:

AGREEMENT

1. Scope of Services

1.1. Consultant's Specified Services.

Consultant shall perform the services described in Exhibit A attached hereto and incorporated herein by this reference (“Scope of Services”), within the times or by the dates provided for in the Scope of Services and pursuant to Article 7, Prosecution of Work. In the event of a conflict between the body of this Agreement and the Scope of Services, the provisions in the body of this Agreement shall control.

1.2. Cooperation With County.

Consultant shall cooperate with County and County staff in the performance of all work hereunder.

1.3. Performance Standard.

Consultant shall perform all work hereunder in a manner consistent with the level of competency and standard of care normally observed by a person practicing in Consultant’s profession. County has relied upon the professional ability and training of Consultant as a material inducement to enter into this Agreement. Consultant hereby agrees to provide all services under this Agreement in accordance with generally accepted professional practices and standards of care, as well as the requirements of applicable federal, state and local laws, it being understood that acceptance of Consultant’s work by County shall not operate as a waiver or release of Consultant’s obligations under the Section. If County determines that any of Consultant’s work is not in accordance with such level of competency and standard of care, County, in its sole discretion, shall have the right to do any or all of the following: (a) require Consultant to meet with County to review the quality of the work and resolve matters of concern; (b) require Consultant to repeat the work at no additional charge until it is satisfactory; (c) terminate this Agreement pursuant to the provisions of Article 4; or (d) pursue any and all other remedies at law or in equity.

1.4. Assigned Personnel.

Consultant shall assign only competent personnel to perform work hereunder. In the event that at any time County, in its sole discretion, desires the removal of any person or persons assigned by Consultant to perform work hereunder, Consultant shall remove such person or persons immediately upon receiving written notice from County.

Any and all persons identified in this Agreement or any exhibit hereto as the project manager, project team, or other professional performing work hereunder are deemed by County to be key personnel whose services were a material inducement to County to enter into this Agreement, and without whose services County would not have entered into this Agreement. Consultant shall not remove, replace, substitute, or otherwise change any key personnel without the prior written consent of County. With respect to performance under this Agreement, Consultant shall employ the following key personnel:

<Key Staff Names>.

In the event that any of Consultant's personnel assigned to perform services under this Agreement becomes unavailable due to resignation, sickness or other factors outside of Consultant's control, Consultant shall be responsible for timely provision of adequately qualified replacements.

1.5. Consultant's Reports or Meetings.

Consultant shall submit progress reports on each specific project in accordance with the Task Order. These reports shall be submitted at least once a month. The report should be sufficiently detailed for County's Contract Administrator or designated project coordinator to determine, if Consultant is performing to expectations, or is on schedule, to provide communication of interim findings, and to sufficiently address any difficulties or special problems encountered, so remedies can be developed.

Consultant's Project Manager shall meet with County's Contract Administrator or designated project coordinator, as needed, to discuss progress on the project(s).

1.6. Federal Requirements.

Portions of the work under this Agreement may be funded by the County, the State or the Federal Highway Administration (FHWA), and other portions funded by the Federal Emergency Management Agency (FEMA). Work will be separated by funding source through Task Orders, and all applicable federal requirements as set forth in Exhibit B "Federal Requirements – FHWA" or Exhibit C "Federal Requirements – FEMA" (collectively, the "Federal Requirements") will be incorporated into each Task Order. In the event of any conflict between the body of this Agreement and the Federal Requirements, the Federal Requirements shall control.

2. Allowable Costs and Payments.

2.1. Method of Payment.

Consultant will be reimbursed for hours worked at the hourly rates specified in the approved Cost Proposal included in Exhibit A. The specified hourly rates shall include direct salary costs, employee benefits, overhead, and fee. These rates are not adjustable for the performance period set forth in this Agreement.

In addition, Consultant will be reimbursed for incurred (actual) direct costs other than salary costs that are in the Cost Proposal and identified in the Cost Proposal and in the executed Task Order.

2.2. Indirect Cost Rate.

The indirect cost rate included in the Cost Proposal shall be fixed for the duration of this Agreement.

2.3. Task Orders.

- A. Specific projects will be assigned to Consultant through issuance of Task Orders.
- B. After a project to be performed under this Agreement is identified by County, County will prepare a draft Task Order, less the cost estimate. A draft Task Order will identify the scope of services, expected results, project deliverables, period of performance, project schedule, and will designate a County's Task Order Manager. The draft Task Order will be delivered to all shortlisted consultants for review. Shortlisted consultants may submit a proposal and cost estimate (including a written estimate of the number of hours and hourly rates per staff person, any anticipated reimbursable expenses, overhead, fee if any, and total dollar amount) to perform the Task Order by the deadline indicated on the Task Order. The County will select the most qualified proposer. After agreement has been reached on the negotiable items and total cost, the finalized Task Order shall be signed by both County and Consultant.
- C. Task Orders may be negotiated for a lump sum (Firm Fixed Price), cost plus fixed fee, or for specific rates of compensation, all of which must be based on the labor and other rates set forth in Consultant's approved Cost Proposal.
- D. Consultant shall be responsible for any future adjustments to prevailing wage rates including, but not limited to, base hourly rates and employer payments as determined by the Department of Industrial Relations. Consultant is responsible for paying the appropriate rate, including escalations that take place during the term of this Agreement.
- E. Consultant shall not commence performance of work or services until this Agreement has been approved by County, and notification to proceed has been issued by County's Task Order Manager. No payment will be made prior to approval or for any work performed prior to approval of this Agreement.
- F. A Task Order is of no force or effect until returned to County and signed by an authorized representative of County. No expenditures are authorized on a project and work shall not commence until a Task Order for that project has been executed by County.
- G. The period of performance for Task Orders shall be in accordance with dates specified in the Task Order. No Task Order will be written which extends beyond the expiration date of this Agreement.
- H. The total amount payable by County for an individual Task Order shall not exceed the amount agreed to in the Task Order, unless authorized by contract amendment.
- I. If Consultant fails to satisfactorily complete a deliverable according to the schedule set forth in a Task Order, no payment will be made until the deliverable has been satisfactorily completed.
- J. Task Orders may not be used to amend this Agreement and may not exceed the scope of work under this Agreement.

2.4. Transportation & Subsistence.

Reimbursement for transportation and subsistence costs shall not exceed the lower of the rates specified in the approved Cost Proposal or State rates.

2.5. Milestone Costs.

When milestone cost estimates are included in the approved Cost Proposal, Consultant shall obtain prior

written approval for a revised milestone cost estimate from the County's Task Order Manager before exceeding such cost estimate.

2.6. Progress Payments.

Progress payments for each Task Order will be made monthly in arrears based on services provided and actual costs incurred.

2.7. Payment.

No payment will be made prior to approval of any work, nor for any work performed prior to approval of this Agreement.

2.8. Invoices.

Consultant shall submit its bills in arrears on a monthly basis in a form approved by County's Auditor and the Head of the County Department receiving the services. The bills shall show or include: (a) the task(s) performed; (b) the time in quarter hours devoted to the task(s); (c) the hourly rate or rates of the persons performing the task(s); and (d) copies of receipts for reimbursable materials/expenses, if any. Expenses not expressly authorized by the Agreement shall not be reimbursed, including a copy of all invoices paid to sub-consultants for work required included in the prime consultant's invoice. Consultant shall submit a Subconsultant Payment Declaration with each invoice.

Unless otherwise noted in this Agreement, payments shall be made within the normal course of County business after presentation of an invoice in a form approved by the County for services performed. Payments shall be made only upon the satisfactory completion of the services as determined by the County. Invoices shall be mailed to the Task Order Manager (contact information listed in the specific task order) and the SPI Roads Accounting Department at the following address:

spi-roads-accounting@sonomacounty.gov

2.9. Contract Value.

Consultant acknowledges that County has entered into on-call agreements with seven consultants for performance of the Scope of Services identified in Exhibit A, inclusive of this Agreement. The total aggregate amount payable by County under these on-call agreements shall not exceed \$1,000,000. Consultant acknowledges and agrees that there is no guarantee, either expressed or implied, that this dollar amount or any lesser dollar amount will be authorized through Task Orders under this Agreement. Each time a Task Order is awarded under any of the on-call agreements, the Contract Administrator will send written notification of such award to Consultant and each of the other consultants. Consultant acknowledges and agrees that County cannot pay any amount under this Agreement that would exceed the aggregate not-to-exceed amount stated above, and Consultant shall not enter into a Task Order that exceeds such amount.

2.10. Salary Increases.

Salary increases will be reimbursable if the new salary is within the salary range identified in the approved Cost Proposal and is approved by County's Contract Administrator.

For personnel subject to prevailing wage rates as described in the California Labor Code, all salary increases, which are the direct result of changes in the prevailing wage rates are reimbursable.

2.11. Taxes.

Pursuant to California Revenue and Taxation Code Section 18662, the County shall withhold seven percent of the income paid to Consultant for services performed within the State of California under this Agreement, for payment and reporting to the California Franchise Tax Board, if Consultant does

not qualify as: (1) a corporation with its principal place of business in California, (2) a limited liability company or partnership with a permanent place of business in California, (3) a corporation, limited liability company or partnership qualified to do business in California by the Secretary of State, or (4) an individual with a permanent residence in the State of California.

If Consultant does not qualify, County requires that a completed and signed Form 587 be provided by Consultant in order for payments to be made. If Consultant is qualified, then County requires a completed Form 590. Forms 587 and 590 remain valid for the duration of the Agreement provided there is no material change in facts. By signing either form, Consultant agrees to promptly notify the County of any changes in the facts. Forms should be sent to County pursuant to Article 12. To reduce the amount withheld, Consultant has the option to provide County with either a full or partial waiver from the State of California.

3. Term of Agreement.

This Agreement takes effect on the <Effective Date>, contingent upon approval by County, and ends on <End Date>, unless terminated earlier in accordance with Section 4 below. Consultant shall commence work after notification to proceed by County's Contract Administrator.

Consultant is advised that any recommendation for contract award is not binding on County until the Agreement is fully executed and approved by County.

The period of performance for each specific project shall be in accordance with the Task Order for that project.

County shall have two separate and consecutive options to extend the Term of this Agreement of one year each, upon the same terms and conditions set forth in this Agreement. County's options to extend are exercisable by written notice from the Director of Public Infrastructure to Consultant, delivery of which shall automatically extend the term by one year without need for counter-signature or contract amendment.

4. Termination.

4.1. Termination Without Cause.

Notwithstanding any other provision of this Agreement, at any time and without cause, County shall have the right, in its sole discretion, to terminate this Agreement by giving 5 days written notice to Consultant.

4.2. Termination for Cause.

Notwithstanding any other provision of this Agreement, should Consultant fail to perform any of its obligations hereunder, within the time and in the manner herein provided, or otherwise violate any of the terms of this Agreement, County may immediately terminate this Agreement by giving Consultant written notice of such termination, stating the reason for termination.

4.3. Delivery of Work Product and Final Payment Upon Termination.

In the event of termination, Consultant, within 14 days following the date of termination, shall deliver to County all reports, original drawings, graphics, plans, studies, and other data or documents, in whatever form or format, assembled or prepared by Consultant or Consultant's subcontractors, consultants, and other agents in connection with this Agreement and shall submit to County an invoice showing the services performed, hours worked, and copies of receipts for reimbursable expenses up to the date of termination.

4.4. Payment Upon Termination.

Upon termination of this Agreement by County, Consultant shall be entitled to receive as full payment for all services satisfactorily rendered and reimbursable expenses properly incurred hereunder, an amount which bears the same ratio to the total payment specified in the Agreement as the services satisfactorily rendered hereunder by Consultant bear to the total services otherwise required to be performed for such total payment; provided, however, that if services which have been satisfactorily rendered are to be paid on a per-hour or per-day basis, Consultant shall be entitled to receive as full payment an amount equal to the number of hours or days actually worked prior to the termination times the applicable hourly or daily rate; and further provided, however, that if County terminates the Agreement for cause pursuant to Section 4.2, County shall deduct from such amount the amount of damage, if any, sustained by County by virtue of the breach of the Agreement by Consultant.

4.5. Authority to Terminate.

The Board of Supervisors has the authority to terminate this Agreement on behalf of the County. In addition, the Purchasing Agent or Sonoma County Public Infrastructure Department Head, in consultation with County Counsel, shall have the authority to terminate this Agreement on behalf of the County.

5. Indemnification.

Consultant agrees to indemnify, hold harmless, and release County, its officers, agents, and employees, from and against any actions, claims, damages, liabilities, disabilities, or expenses, that may be asserted by any person or entity, including Consultant, that arise out of, pertain to, or relate to Consultant's or its agents', employees', contractors', subcontractors', or invitees' performance or obligations under this Agreement. Consultant agrees to provide a complete defense for any claim or action brought against County based upon a claim relating to such Consultant's or its agents', employees', contractors', subcontractors', or invitees' performance or obligations under this Agreement. Consultant's obligations under this Section apply whether or not there is concurrent or contributory negligence on County's part, but to the extent required by law, excluding liability due to County's conduct. County shall have the right to select its legal counsel at Consultant's expense, subject to Consultant's approval, which shall not be unreasonably withheld. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for Consultant or its agents under workers' compensation acts, disability benefits acts, or other employee benefit acts. The above defense and indemnity obligations shall be limited, with respect to any design professional services provided and to the extent required by Civil Code Section 2782.8, to claims that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the design professional.

6. Insurance.

With respect to performance of work under this Agreement, Consultant shall maintain and shall require all of its subconsultants, consultants, and other agents to maintain, insurance as described in Exhibit D, which is attached hereto and incorporated herein by this reference.

7. Prosecution of Work.

The execution of this Agreement shall constitute Consultant's authority to proceed immediately with the performance of this Agreement. Performance of the services hereunder shall be completed within the time required herein, provided, however, that if the performance is delayed by earthquake, flood, high water, or other Act of God or by strike, lockout, or similar labor disturbances, the time for Consultant's performance of this Agreement shall be extended by a number of days equal to the number of days

Consultant has been delayed.

8. Extra or Changed Work.

Extra or changed work or other changes to the Agreement may be authorized only by written amendment to this Agreement, signed by both parties. Minor changes, which do not increase the amount paid under the Agreement, and which do not significantly change the scope of work or significantly lengthen time schedules may be executed by the Department Head in a form approved by County Counsel. In addition, the Department Head has authority to execute amendments to construction-related professional services agreements within the limitations specified in Resolution No. 20-0092. The Board of Supervisors or Purchasing Agent must authorize all other extra or changed work. The parties expressly recognize that, pursuant to Sonoma County Code Section 1-11, County personnel are without authorization to order extra or changed work or waive Agreement requirements. Failure of Consultant to secure such written authorization for extra or changed work shall constitute a waiver of any and all right to adjustment in the Agreement price or Agreement time due to such unauthorized work and thereafter Consultant shall be entitled to no compensation whatsoever for the performance of such work. Consultant further expressly waives any and all right or remedy by way of restitution and quantum meruit for any and all extra work performed without such express and prior written authorization of the County.

9. Representations of Consultant.

9.1. Standard of Care.

County has relied upon the professional ability and training of Consultant as a material inducement to enter into this Agreement. Consultant hereby agrees that all its work will be performed and that its operations shall be conducted in accordance with generally accepted and applicable professional practices and standards as well as the requirements of applicable federal, state and local laws, it being understood that acceptance of Consultant's work by County shall not operate as a waiver or release.

9.2. Status of Consultant.

The parties intend that Consultant, in performing the services specified herein, shall act as an independent contractor and shall control the work and the manner in which it is performed. Consultant is not to be considered an agent or employee of County and is not entitled to participate in any pension plan, worker's compensation plan, insurance, bonus, or similar benefits County provides its employees. In the event County exercises its right to terminate this Agreement pursuant to Article 4, above, Consultant expressly agrees that it shall have no recourse or right of appeal under rules, regulations, ordinances, or laws applicable to employees.

9.3. Taxes.

Consultant agrees to file federal and state tax returns and pay all applicable taxes on amounts paid pursuant to this Agreement and shall be solely liable and responsible to pay such taxes and other obligations, including, but not limited to, state and federal income and FICA taxes. Consultant agrees to indemnify and hold County harmless from any liability which it may incur to the United States or to the State of California as a consequence of Consultant's failure to pay, when due, all such taxes and obligations. In the event County is audited for compliance regarding any withholding or other applicable taxes, Consultant agrees to furnish County with proof of payment of taxes on these earnings.

9.4. Conflict of Interest

- A. During the term of this Agreement, Consultant shall disclose any financial, business, or other relationship with County that may have an impact upon the outcome of this Agreement or any

ensuing County construction project. Consultant shall also list current clients who may have a financial interest in the outcome of this Agreement or any ensuing County construction project.

- B. Consultant certifies that it has disclosed to County any actual, apparent, or potential conflicts of interest that may exist relative to the services to be provided pursuant to this Agreement. Consultant agrees to advise County of any actual, apparent or potential conflicts of interest that may develop subsequent to the date of execution of this Agreement. In addition, if requested to do so by County, Consultant shall complete and file and shall require any other person doing work under this Agreement to complete and file a “Statement of Economic Interest” with County disclosing Consultant’s or such other person’s financial interests.

9.5. Statutory Compliance / Living Wage Ordinance.

Consultant agrees to comply with all applicable federal, state and local laws, regulations, statutes and policies, including but not limited to the County of Sonoma Living Wage Ordinance, applicable to the services provided under this Agreement as they exist now and as they are changed, amended or modified during the term of this Agreement. Without limiting the generality of the foregoing, Consultant expressly acknowledges and agrees that this Agreement is subject to the provisions of Article XXVI of Chapter 2 of the Sonoma County Code, requiring payment of a living wage to covered employees. Noncompliance during the term of the Agreement will be considered a material breach and may result in termination of the Agreement or pursuit of other legal or administrative remedies.

9.6. Nondiscrimination.

Without limiting any other provision hereunder, Consultant shall comply with all applicable federal, state, and local laws, rules, and regulations in regard to nondiscrimination in employment because of race, color, ancestry, national origin, religion, sex, marital status, age, medical condition, pregnancy, disability, sexual orientation, gender expression, gender identity, genetic information, or other prohibited basis, including without limitation, the County’s Non-Discrimination Policy. All nondiscrimination rules or regulations required by law to be included in this Agreement are incorporated herein by this reference.

9.7. AIDS Discrimination.

Consultant agrees to comply with the provisions of Chapter 19, Article II, of the Sonoma County Code prohibiting discrimination in housing, employment, and services because of AIDS or HIV infection during the term of this Agreement and any extensions of the term.

9.8. Assignment of Rights.

Consultant assigns to County all rights throughout the world in perpetuity in the nature of copyright, trademark, patent, right to ideas, in and to all versions of the plans and specifications, if any, now or later prepared by Consultant in connection with this Agreement. Consultant agrees to take such actions as are necessary to protect the rights assigned to County in this Agreement, and to refrain from taking any action which would impair those rights. Consultant's responsibilities under this provision include, but are not limited to, placing proper notice of copyright on all versions of the plans and specifications as County may direct, and refraining from disclosing any versions of the plans and specifications to any third party without first obtaining written permission of County. Consultant shall not use or permit another to use the plans and specifications in connection with this or any other project without first obtaining written permission of County.

9.9. Ownership and Disclosure of Work Product.

All reports, original drawings, graphics, plans, studies, and other data or documents (“documents”), in

whatever form or format, assembled or prepared by Consultant or Consultant's subcontractors, subconsultants, and other agents in connection with this Agreement shall be the property of County. County shall be entitled to immediate possession of such documents upon completion of the work pursuant to this Agreement. Upon expiration or termination of this Agreement, Consultant shall promptly deliver to County all such documents, which have not already been provided to County in such form or format, as County deems appropriate. Such documents shall be and will remain the property of County without restriction or limitation. Consultant may retain copies of the above-described documents but agrees not to disclose or discuss any information gathered, discovered, or generated in any way through this Agreement without the express written permission of County.

9.10. Authority.

The undersigned hereby represents and warrants that he or she has authority to execute and deliver this Agreement on behalf of Consultant.

9.11. Prevailing Wage.

- A. No Consultant or subconsultant may be awarded an Agreement containing public work elements unless registered with the Department of Industrial Relations (DIR) pursuant to Labor Code §1725.5. Consultant shall comply with all of the applicable provisions of the California Labor Code requiring the payment of prevailing wages. The General Prevailing Wage Rate Determinations applicable to work under this Agreement are available and on file with the Department of Transportation's Regional/District Labor Compliance Officer. These wage rates are made a specific part of this Agreement by reference pursuant to Labor Code § 1773.2 and will be applicable to work performed at a construction project site. Prevailing wages will be applicable to all inspection work performed at County construction sites, at County facilities and at off-site locations that are set up by the construction contractor or one of its subcontractors solely and specifically to serve County projects. Each payroll record shall contain or be verified by a written declaration that it is made under penalty of perjury, stating both of the following: (a) The information contained in the payroll record is true and correct' and (b) The employer has complied with the requirements of Labor Code § 1771, § 1811, and § 1815 for any work performed by his or her employees on the public works project.
 - 2. The payroll records enumerated under paragraph (1) above shall be certified as correct by the Consultant under penalty of perjury. The payroll records and all supporting documents shall be made available for inspection and copying by County at all

reasonable hours at the principal office of Consultant. Consultant shall provide copies of certified payrolls or permit inspection of its records as follows: (a) A certified copy of an employee's payroll record shall be made available for inspection or furnished to the employee or the employee's authorized representative on request; (b) A certified copy of all payroll records enumerated in paragraph (1) above, shall be made available for inspection or furnished upon request to a representative of County, the Division of Labor Standards Enforcement and the Division of Apprenticeship Standards of the Department of Industrial Relations. Consultant is required to forward any requests for certified payrolls to County by both email and regular mail on the business day following receipt of the request.

3. Consultant shall submit a certified copy of the records enumerated in paragraph (1) above, to the entity that requested the records within ten (10) calendar days after receipt of a written request.
 4. Any copy of records made available for inspection as copies and furnished upon request to the public or any public agency by County shall be marked or obliterated in such a manner as to prevent disclosure of each individual's name, address, and social security number. In the event Consultant or subconsultant fails to comply within the ten (10) day period, he or she shall, as a penalty to County, forfeit one hundred dollars (\$100) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated. Such penalties may be withheld by County from payments then due. Consultant is not subject to a penalty assessment pursuant to this section due to the failure of a subconsultant to comply with this section.
- E. When prevailing wage rates apply, Consultant is responsible for verifying compliance with certified payroll requirements. Invoice payment will not be made until the invoice is approved by County.
- F. Penalty.
1. Consultant and any of its subconsultants shall comply with Labor Code § 1774 and § 1775. Pursuant to Labor Code § 1775, Consultant and any subconsultant shall forfeit to County a penalty of not more than two hundred dollars (\$200) for each calendar day, or portion thereof, for each worker paid less than the prevailing rates as determined by the Director of DIR for the work or craft in which the worker is employed for any public work done under this Agreement by Consultant or by its subconsultant in violation of the requirements of the Labor Code and in particular, Labor Code §§ 1770 to 1780, inclusive.

2. The amount of this forfeiture shall be determined by the Labor Commissioner and shall be based on consideration of mistake, inadvertence, or neglect of Consultant or subconsultant in failing to pay the correct rate of prevailing wages, or the previous record of Consultant or subconsultant in meeting their respective prevailing wage obligations, or the willful failure by the Consultant or subconsultant to pay the correct rates of prevailing wages. A mistake, inadvertence, or neglect in failing to pay the correct rates of prevailing wages is not excusable if Consultant or subconsultant had knowledge of the obligations under the Labor Code. Consultant is responsible for paying the appropriate rate, including any escalations that take place during the term of this Agreement.
 3. In addition to the penalty and pursuant to Labor Code § 1775, the difference between the prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the prevailing wage rate shall be paid to each worker by Consultant or subconsultant.
 4. If a worker employed by a subconsultant on a public works project is not paid the general prevailing per diem wages by the subconsultant, the prime Consultant of the project is not liable for the penalties described above unless the prime Consultant had knowledge of that failure of the subconsultant to pay the specified prevailing rate of wages to those workers or unless the prime Consultant fails to comply with all of the following requirements: (a) The Agreement executed between the Consultant and the subconsultant for the performance of work on public works projects shall include a copy of the requirements in Labor Code §§ 1771, 1775, 1776, 1777.5, 1813, and 1815; (b) The Consultant shall monitor the payment of the specified general prevailing rate of per diem wages by the Subconsultant to the employees by periodic review of the certified payroll records of the subconsultant; (c) Upon becoming aware of the subconsultant's failure to pay the specified prevailing rate of wages to the subconsultant's workers, Consultant shall diligently take corrective action to halt or rectify the failure, including but not limited to, retaining sufficient funds due the Subconsultant for work performed on the public works project; (d) Prior to making final payment to the subconsultant for work performed on the public works project, the Consultant shall obtain an affidavit signed under penalty of perjury from the subconsultant that the Subconsultant had paid the specified general prevailing rate of per diem wages to the subconsultant's employees on the public works project and any amounts due pursuant to Labor Code § 1813.
 5. Pursuant to Labor Code § 1775, County shall notify Consultant on a public works project within fifteen (15) calendar days of receipt of a complaint that a Subconsultant has failed to pay workers the general prevailing rate of per diem wages.
 6. If County determines that employees of a Subconsultant were not paid the general prevailing rate of per diem wages and if County did not retain sufficient money under the Agreement to pay those employees the balance of wages owed under the general prevailing rate of per diem wages, Consultant shall withhold an amount of moneys due the subconsultant sufficient to pay those employees the general prevailing rate of per diem wages if requested by County.
- G. Hours of Labor. Eight (8) hours labor constitutes a legal day's work. Consultant shall forfeit, as a penalty to County, twenty-five dollars (\$25) for each worker employed in the execution of the Agreement by Consultant or any of its subconsultants for each calendar day during which

such worker is required or permitted to work more than eight (8) hours in any one calendar day and forty (40) hours in any one calendar week in violation of the provisions of the Labor Code, and in particular §§ 1810 to 1815 thereof, inclusive, except that work performed by employees in excess of eight (8) hours per day, and forty (40) hours during any one week, shall be permitted upon compensation for all hours worked in excess of eight (8) hours per day and forty (40) hours in any week, at not less than one and one-half (1.5) times the basic rate of pay, as provided in § 1815.

H. Employment of Apprentices.

1. Where either this Agreement or any subcontract exceeds thirty thousand dollars (\$30,000), Consultant and any subconsultants under him or her shall comply with all applicable requirements of Labor Code §§ 1777.5, 1777.6 and 1777.7 in the employment of apprentices

For the purpose of determining compliance with California Government Code Section 8546.7, Consultant and subconsultants shall maintain and make available for inspection all books, documents, papers, accounting records, and other evidence pertaining to the performance of the Agreement, including but not limited to, the costs of administering the Agreement. All parties, including the Consultant's independent certified public accountant, shall make such workpapers and materials available at their respective offices at all reasonable times during the Agreement period and for four (4) years from the date of final payment under the Agreement and records for real property and equipment acquired with federal funds must be retained for three (3) years after final disposition. County, Caltrans Auditor, FHWA, or any duly authorized representative of the federal government having jurisdiction under federal laws or regulations (including the basis of federal funding in whole or in part) shall have access to any books, records, and documents of Consultant, subconsultants, and Consultant's independent certified public accountant, that are pertinent to the Agreement for audits, examinations, workpaper review, excerpts, and transactions, and copies thereof shall be furnished if requested without limitation.

9.13. Audit Review Procedures.

- A. Any dispute concerning a question of fact arising under an interim or post audit of this Agreement that is not disposed of by agreement, shall be reviewed by County.
- B. Not later than thirty (30) days after issuance of the final audit report, Consultant may request a review by County of unresolved audit issues. The request for review must be submitted in writing.
- C. Neither the pendency of a dispute nor its consideration by County will excuse Consultant from full and timely performance, in accordance with the terms of this Agreement.

- D. Consultant and subconsultant contracts, including cost proposals and Indirect Cost Rates (ICR), are subject to audits or reviews such as, but not limited to, a contract audit, an incurred cost audit, an ICR Audit, or a CPA ICR audit work paper review. If selected for audit or review, the contract, cost proposal and ICR and related work papers, if applicable, will be reviewed to verify compliance with 48 CFR Part 31 and other related laws and regulations. In the instances of a CPA ICR audit work paper review it is Consultant's responsibility to ensure federal, state, or local government officials are allowed full access to the CPA's work papers including making copies as necessary. The contract, cost proposal, and ICR shall be adjusted by Consultant and approved by County contract manager to conform to the audit or review recommendations. Consultant agrees that individual terms of costs identified in the audit report shall be incorporated into the Agreement by this reference if directed by County at its sole discretion. Refusal by Consultant to incorporate audit or review recommendations, or to ensure that the federal, state or local governments have access to CPA work papers, will be considered a breach of contract terms and cause for termination of the Agreement and disallowance of prior reimbursed costs.
- E. Consultant Cost Proposal is subject to a CPA ICR Audit Work Paper Review by Caltrans' Audit and Investigation (Caltrans). Caltrans, at its sole discretion, may review and/or audit and approve the CPA ICR documentation. The Cost Proposal shall be adjusted by Consultant and approved by County to conform to the Work Paper Review recommendations included in the management letter or audit recommendations included in the audit report. Refusal by the Consultant to incorporate the Work Paper Review recommendations included in the management letter or audit recommendations included in the audit report will be considered a breach of the Agreement terms and cause for termination of the Agreement and disallowance of prior reimbursed costs.
1. During a Caltrans' review of the ICR audit work papers created by Consultant's independent CPA, Caltrans will work with the CPA and/or Consultant toward a resolution of issues that arise during the review. Each party agrees to use its best efforts to resolve any audit disputes in a timely manner. If Caltrans identifies significant issues during the review and is unable to issue a cognizant approval letter, County will reimburse Consultant at a provisional ICR until a Federal Acquisition Regulation (FAR) compliant ICR (e.g., 48 CFR Part 31; GAGAS (Generally Accepted Auditing Standards); CAS (Cost Accounting Standards), if applicable; in accordance with procedures and guidelines of the American Association of State Highways and Transportation Officials (AASHTO) Audit Guide; and other applicable procedures and guidelines) is received and approved by A&I. Accepted rates will be as follows:
 - a. If the proposed rate is less than 150% - the provisional rate reimbursed will be 90% of the proposed rate.
 - b. If the proposed rate is between 150% and 200% - the provisional rate will be 85% of the proposed rate.
 - c. If the proposed rate is greater than 200% - the provisional rate will be 75% of the proposed rate.
 2. If Caltrans is unable to issue a cognizant letter per paragraph E.1. above, Caltrans may require Consultant to submit a revised independent CPA-audited ICR and audit

report within three (3) months of the effective date of the management letter. Caltrans will then have up to six (6) months to review the Consultant's and/or the independent CPA's revisions.

3. If the Consultant fails to comply with the provisions of this Section E, or if Caltrans is still unable to issue a cognizant approval letter after the revised independent CPA-audited ICR is submitted, overhead cost reimbursement will be limited to the provisional ICR that was established upon initial rejection of the ICR and set forth in paragraph E.1. above for all rendered services. In this event, this accepted ICR will become the actual and final ICR for reimbursement purposes under this Agreement.

- F. Consultant may submit to County final invoice only when all of the following items have occurred: (a) Caltrans approves or rejects the original or revised independent CPA-audited ICR; (b) all work under this Agreement has been completed to the satisfaction of County; and, (c) Caltrans has issued its final ICR review letter. Consultant must submit its final invoice to County no later than 60 days after occurrence of the last of these items. The accepted ICR will apply to this Agreement and all other contracts executed between County and the Consultant, either as a prime or subconsultant, with the same fiscal period ICR.

9.14. Subcontracting.

- A. Nothing contained in this Agreement or otherwise, shall create any contractual relation between County and any subconsultant(s), and no subcontract shall relieve Consultant of its responsibilities and obligations hereunder. Consultant agrees to be as fully responsible to County for the acts and omissions of its subconsultant(s) and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by Consultant. Consultant's obligation to pay its subconsultant(s) is an independent obligation from County's obligation to make payments to the Consultant.
- B. Consultant shall perform the work contemplated with resources available within its own organization and no portion of the work pertinent to this Agreement shall be subcontracted without written authorization by County's Contract Administrator, except that, which is expressly identified in the approved Cost Proposal.
- C. Consultant shall pay its subconsultants within fifteen (15) calendar days from receipt of each payment made to Consultant by County.
- D. All subcontracts entered into as a result of this contract shall contain all the provisions stipulated in this contract to be applicable to subconsultants.
- E. Any substitution of subconsultant(s) must be approved in writing by County's Contract Administrator in advance of assigning work to the substitute subconsultant.

9.15. Equipment Purchase and Other Capital Expenditures.

- A. Prior authorization in writing, by County's Contract Administrator shall be required before Consultant enters into any unbudgeted purchase order, or subcontract exceeding \$5,000 for supplies, equipment, or Consultant services. Consultant shall provide an evaluation of the necessity or desirability of incurring such costs.
- B. For purchase of any item, service or consulting work not covered in Consultant's Cost Proposal and exceeding \$5,000 prior authorization by County's Contract Administrator; three competitive quotations must be submitted with the request, or the absence of bidding must be adequately

justified.

Nonexpendable property is defined as having a useful life of at least two years and an acquisition cost of \$5,000 or more. If the purchased equipment needs replacement and is sold or traded in, County shall receive a proper refund or credit at the conclusion of the Agreement, or if the Agreement is terminated, Consultant may either keep the equipment and credit County in an amount equal to its fair market value, or sell such equipment at the best price obtainable at a public or private sale, in accordance with established County procedures; and credit County in an amount equal to the sales price. If Consultant elects to keep the equipment, fair market value shall be determined at Consultant expense, on the basis of a competent independent appraisal of such equipment. Appraisals shall be obtained from an appraiser mutually agreeable to by County and Consultant, if it is determined to sell the equipment, the terms and conditions of such sale must be approved in advance by County; and (2) 2 CFR Part 200 requires a credit to federal funds when participating equipment with a fair market value greater than \$5,000 is credited to the project.

9.16. Rebates, Kickback or Other Unlawful Consideration.

Consultant warrants that this Agreement was not obtained or secured through rebates kickbacks or other unlawful consideration, either promised or paid to any County employee. For breach or violation of this warranty, County shall have the right in its discretion; to terminate the Agreement without liability; to pay only for the value of the work actually performed; or to deduct from the Agreement price; or otherwise recover the full amount of such rebate, kickback or other unlawful consideration.

9.17. Funding Requirements.

- A. It is mutually understood between the parties that this Agreement may have been written before ascertaining the availability of funds or appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays that would occur if the Agreement were executed after that determination was made.
- B. This Agreement is valid and enforceable only, if sufficient funds are made available to County for the purpose of this Agreement. In addition, this Agreement is subject to any additional restrictions, limitations, conditions, or any statute enacted by the Congress, State Legislature, or County Board of Supervisors that may affect the provisions, terms, or funding of this Agreement in any manner.
