Please describe your relevant experience/expertise that you believe would make you a valuable member of this body.

I have participated in the development of the Rohnert Park's Community-Based Transportation Plan. Interests & Experiences

What interests you most about this agency? What skills or experience would you bring to best support the work of this agency?

I have lived and worked in Sonoma County for 36 years. During that time, I have commuted to both to Sonoma State University and to work in Santa Rosa for over 4 years. I have experienced the wellness benefits and challenges of bicycle transportation. I have appreciated the opportunity to participate on the Rohnert Park Bicycle and Pedestrian Committee and network with the Sonoma County Bike Coalition. I am interested expanding my knowledge, experience, and skills to support the Board of Supervisors with project proposals and comprehensive cost-effective lists to encourage safe and effective bicycle commuting in Sonoma County.
