PLANNING

To be Reviewed and Approved by Permit Sonoma Project Review Planner:

8. Prior to Permit Sonoma stamping the grant deed(s) for the Lot Line Adjustment the property owner(s) shall execute a Right-to-Farm Declaration on a form provided by Permit Sonoma to be submitted before the Lot Line Adjustment is cleared by Permit Sonoma for recordation. The Right-to-Farm Declaration shall be recorded concurrently with the Permit and Resource Management Department approved Lot Line Adjustment grant deed(s) to reflect the newly configured parcels.
9. Prior to Permit Sonoma stamping the grant deed(s) for the Lot Line Adjustment the property owner(s) shall submit a complete application and applicable filing fees for a Zone Change to align zoning boundaries with the adjusted parcel boundaries. Once the Lot Line Adjustment grant deeds are recorded, Permit Sonoma will require updated preliminary title reports for all the resulting Lots and will proceed with processing the new replacement contracts.

11. Deed of Trust agreements, which encumber only portions of accepted legal lots, are violations of the Subdivision Map Act; therefore, prior to the Permit Sonoma approval of the deeds for recordation, the applicant(s) shall submit either recorded documents or documents to be recorded concurrently with the Lot Line Adjustment deeds, showing that any Deed of Trust agreements on the subject properties will conform with the adjusted lot boundaries.
12. The packet containing all documents to be recorded shall be submitted to Permit Sonoma, Project Review for approval prior to recording. The approval will be noted by the planner placing a stamp on the front of the deeds to be recorded. After approval by Project Review the grant deeds shall be recorded, and a copy of the deed or deeds shall be submitted to Permit Sonoma.
