- A) Authorize the Chair to execute an Agreement with California Forensic Medical Group, Inc., to provide inmate medical and dental services for the period August 1, 2021 through July 31, 2026, with two one-year options to extend. Options to extend are recommended to be exercised by the Sheriff without Board approval, unless the annual increase for either year is greater than the average Consumer Price Index (CPI) used as the basis, in which case the Board of Supervisors must exercise the option to extend. The Sheriff's Office FY 21-22 Adopted Budget includes \$8,099,843 for inmate medical and dental services for an average daily inmate population (ADP) of 800. Assuming an increase in population to 1,000 ADP for years two through seven, and CPI increases each year of 3.5%, the estimated value of the Agreement, for five years and two optional extensions, is approximately \$63,011,979.
