Section IV: Pension Cost-of-Living-Adjustment (COLA)

Retiree Cost-of-Living-Adjustment Update

- **April 2025:** Board received an information report about retiree pension COLAs, including:
 - The ongoing impact of inflation causing loss of purchasing power for retirees.
 - Current ad-hoc COLA program design and legislative constraints.
 - The Board provided direction to staff to explore targeted COLAs to help the most impacted retirees.
- October 2025: Retiree COLA legislative policy proposal will be presented to the Board for approval on 10/28 as part of the County's annual Legislative Platform.
 - If enacted, would provide the County more flexibility to grant targeted ad-hoc COLAs to retirees most impacted by inflation and loss of purchasing power.
