Resolution Of The Board Of Supervisors Of The County Of Sonoma, State Of California, Authorizing Adjustments For Various Fees Supporting Marina Operations and Services And New Fees For Work Boat Towing Services And Permanent Berthing At Mason's Marina And Removing Obsolete Fees For Retail Fish Sales And Modifying Other Fees Requiring Description Changes Without Fiscal Impact Including Work Boat Towing and Monthly Fee for Authorized Live Aboard.

Whereas, The County of Sonoma owns and operates sixty Regional Parks, trails and other facilities, including three marinas; and

Whereas, it is in the best interest of the County of Sonoma and the general public to maintain and operate said facilities and at a standard of care that provides for the welfare, safety and enjoyment of park visitors;

Whereas, adjustments to various fees supporting Spud Point, Mason's and Sport Fishing Center marinas will increase revenue to pay for these services provided to the fee payors; and

Whereas, new fees are recommended to help streamline operations and allow for additional services;

Whereas, Regional Parks has reviewed obsolete fees no longer in use for the public; and

Now, Therefore, Be It Resolved that to recover the reasonable cost of providing certain parks services, it is necessary to increase certain fees and establish certain new fees as set forth below:
