SONOMA COUNTY
FIVE-YEAR
STRATEGIC PLAN
2021–2026

Year 1 Strategic Plan Update

February 1, 2022

Presentation Outline

- Strategic Planning Update
- Implementation Plans
- Implementation Progress Reporting
- Year 1 Funding Requests
- Next Steps

Year 1 Strategic Plan Implementation Timeline

- **Board approves 5-Year Strategic Plan:** March 2021
- **Budget Hearings – Year 1 Strategic Plan Projects Funding:** June 2021
- **Implementation Kick-Off:** July 2021
- **First Board Liaison Meetings:** August/September 2021
- **Initial Objective Implementation Plans:** October 2021
- **Strategic Plan Funding Requests:** November 2021
- **Second Board Liaison Meetings:** December 2021
- **Board Update & Funding Recommendations:** February 2022

Strategic Plan Roles

	Healthy and Safe Communities	Organizational Excellence	Racial Equity and Social Justice	Climate Action and Resiliency	Resilient Infrastructure
Board Liaisons	Chris Coursey Susan Gorin	Chris Coursey David Rabbitt	James Gore Lynda Hopkins	Susan Gorin Lynda Hopkins	James Gore David Rabbitt
Pillar Coordinator	Nour Maxwell	Maggie Fleming	Yvonne Shu	Anna Yip	Jennifer Larocque
Pillar Steering Committee	Dave Kiff David Koch Jim Naugle Angela Struckmann Tina Rivera	Christina Cramer Michelle Arellano Sherry Bevens Christina Rivera	Alegria De La Cruz Victoria Willard Sylvia Lemus	Misti Arias Jane Elias Barbara Lee John Mack	Ethan Brown Caroline Judy Janice Thompson
Implementation Leads	Oscar Chavez Alegria De La Cruz Paul Gullixson Marissa Montenegro Brian Oh	Peter Bruland Carol Allen Jeff Deffenbaugh Chris Godley Paul Gullixson Christel Querijero Steve Sorensen Sherry Bevens Caroline Judy Signe Sugiyama	Paul Gullixson Spencer Keywood Christel Querijero	Katherine DiPasqua Katie Greaves Caroline Judy Marissa Montenegro Christel Querijero Tony Tsui Mike Thompson Tennis Wick	Pamela Asselmeier Dan Fruchey Chris Godley Johannes Hoevertsz Heidi Keith Keith Lew Christel Querijero Ben Toyoda Alex Rosas John Mack Michael Thompson

Implementation Plans

- One plan for each objective
- Implementation Leads with Steering Committee, CAO and Board Liaison Input
- Plan components:
 - Approach, activities, timeline and milestones
 - Equity lens
 - Climate impacts

Plan Principles

- Geographic Equity
 - Leveraging Funds
 - Partnerships with Cities and Community Stakeholders
- Community engagement
 - City engagement
 - Metrics

Implementation Plans Metrics

- Clear, quantifiable metrics for each objective
- Data collection to track progress
- Indicators that we are achieving desired outcomes
- Transparency and accountability

Metrics Examples

- **RESJ**: Number of departments that engage in data/demographic analysis to create department baseline
- **OE**: Number of staff completing disaster services worker training
- **RI**: Number of new generators installed at critical facilities
- **HSC**: Number of staff completing “No Wrong Door” training
- **CAR**: Greenhouse gas emissions reduction

City Partnerships

- City engagement to provide input on Strategic Plan
- City Managers' input on how they wish to partner or engage with County on Strategic Plan goals and objectives
 - Cloverdale
 - Petaluma
 - Rohnert Park
 - Santa Rosa
 - Windsor

City Partnerships Examples

- **Community Development Commission partnership with cities and the Continuum of Care (CoC)** to apply for new State and Federal funds (HHAP-3, HHAP-4, HOME Funds, Urban County Funds) *(HSC 3-2)*
- **County Mobile Support Team (MST), Santa Rosa in RESPONSE, Petaluma SAFE and Rohnert Park/Cotati mobile crisis programs** *(HSC 5-3)*
- **Economic Development Board (EDB) and County Administrator’s Office (CAO) solicited cities’ input** and incorporated into scope of work for a consultant to analyze possible broadband governance structures in Sonoma County. County will further engage cities on governance analysis. *(RI 4-2)*
- **Collaboration with Regional Climate Protection Authority (RCPA)** and all jurisdictions on a county-wide Greenhouse Gas (GHG) inventory *(CAR 5-1)*

Leveraging Funds

- **Organizational Excellence Goal 4:** Seek out grant funding to enhance programs and improve infrastructure
- Capacity to actively track and pursue external funding for strategic priorities
 - Department/Agency staff
 - CAO Policy, Grants, and Special Projects Analysts
 - CAO-led Grant Steering Committee
 - CAO Legislative Analyst advocacy support and coordination
 - Grant services contracts

CAO Policy, Grants & Special Projects

Grant Support

- Grant tracking and writing capacity through multi-year contracts
- Matrix with fundable projects derived from the Strategic Plan and other priorities
- PG&SP staff will send forecasted opportunities to encourage pre-positioning and project scoping before grant solicitations are issued.

Funding Opportunity Forecaster

County of Sonoma Strategic Plan Alignment

Pillar(s)	Pillar-Goal-Objective	County Lead	Grant Support	Relevant Project(s)
-----------	-----------------------	-------------	---------------	---------------------

Implementation Timelines

Color Key:

Funded *(highlighted in green)*

- Fully funded with local, federal, state or grant dollars. Some are funded through recurring grants or existing department funding.

Partially Funded *(highlighted in yellow)*

- Partially funded through existing sources or through existing full-time positions, but a portion of the total project cost still needs to be funded.

Not Funded *(highlighted in red)*

- Departments do not have or have not yet identified funding for these objectives.

Visual Accessibility: *If you require the information in this presentation in a different format please refer to the implementation plans presented in attachment 2d. Each implementation plan contains a timeline and the funding level for the objective.*

Implementation Timelines

Healthy and Safe Communities

Healthy and Safe Communities	Q1	Q2	Q3	Q4																	
	21-22	21-22	21-22	21-22	22-23	22-23	22-23	22-23	23-24	23-24	23-24	23-24	24-25	24-25	24-25	24-25	25-26	25-26	25-26	25-26	
Goal 1: Expand integrated system of care to address gaps in services																					
HSC1-1 Eliminate barriers to data sharing																					
HSC1-2 Identify gaps in services																					
HSC1-3 Create a “no wrong door” approach*																					
Goal 2: Establish equitable and data-driven distribution of services																					
HSC2-1 Tracking data using RBA																					
HSC2-2 Develop and implement dashboard tracking tools																					
HSC2-3 Identify and eliminate data gaps for groups																					
Goal 3: In collaboration with cities, increase affordable housing development near public transportation and easy access to services.																					
HSC3-1 Rezone 59 unincorporated urban sites for housing*																					
HSC3-2 Leverage grant funding sources for housing																					
HSC3-3 Create incentives for developers																					
Goal 4: Reduce the County’s overall homeless population by 10% each year by enhancing services through improved coordination and collaboration.																					
HSC4-1 Conduct a peer review of best practices																					
HSC4-2 Build a plan for homeless prevention and housing																					
HSC4-3 Treat underlying causes of homelessness*																					
HSC4-4 Create a housing resource tool																					
HSC4-5 Advance planning and policies to address homelessness																					
Goal 5: Continue to invest in public safety so that residents and visitors feel safe in our community.																					
HSC5-1 Invest in cultural responsiveness and de-escalation																					
HSC5-2 Better integrate services and handoffs																					
HSC5-3 Expand the Mobile Support Team																					
HSC5-4 Expand detention alternatives*																					
HSC5-5 Strengthen community & law enforcement relationship*																					

Implementation Timelines

Organizational Excellence

Organizational Excellence	Q1 21-22	Q2 21-22	Q3 21-22	Q4 21-22	Q1 22-23	Q2 22-23	Q3 22-23	Q4 22-23	Q1 23-24	Q2 23-24	Q3 23-24	Q4 23-24	Q1 24-25	Q2 24-25	Q3 24-25	Q4 24-25	Q1 25-26	Q2 25-26	Q3 25-26	Q4 25-26
Goal 1: Strengthen operational effectiveness, fiscal reliability, and accountability																				
OE1-1 Funding and resources alignment																				
OE1-2 Master list of technology																				
OE1-3 Customer service performance measures*																				
OE1-4 Streamline routine administrative procedures*																				
OE1-5 Procurement and grant guidelines alignment																				
OE1-6 Disaster Service Worker training and staffing structures																				
Goal 2: Increase information sharing and transparency and improve County and community engagement																				
OE2-1 Community satisfaction survey*																				
OE2-2 Community engagement and outreach strategy*																				
OE2-3 Improved County budget process and information																				
OE2-4 New County website																				
OE2-5 Internal information & knowledge																				
Goal 3: Become an employer of choice with a diverse workforce that reflects our community, and an employer with a positive work culture that builds engaged and developed employees.																				
OE3-1 Employee work-life balance & work environment																				
OE3-2 Employee engagement survey*																				
OE3-3 Training, development, & leadership programs*																				
Goal 4: Seek out grant funding to enhance programs and improve infrastructure																				
OE4-1 Secure \$60 million in grant funding by 2026																				

Implementation Timelines

Racial Equity and Social Justice

Racial Equity and Social Justice	Q1 21-22	Q2 21-22	Q3 21-22	Q4 21-22	Q1 22-23	Q2 22-23	Q3 22-23	Q4 22-23	Q1 23-24	Q2 23-24	Q3 23-24	Q4 23-24	Q1 24-25	Q2 24-25	Q3 24-25	Q4 24-25	Q1 25-26	Q2 25-26	Q3 25-26	Q4 25-26
Goal 1: Foster a County organizational culture that supports the commitment to achieving racial equity.																				
RESJ1-1 Equity core team																				
RESJ1-2 Learning and shared understanding																				
RESJ1-3 Baseline assessment																				
Goal 2: Implement strategies to make the County workforce reflect County demographic across all levels.																				
RESJ2-1 HR processes and strategies*																				
Goal 3: Ensure racial equity throughout all County policy decisions and service delivery.																				
RESJ3-1 Equity tool																				
RESJ3-2 Equity reports																				
Goal 4: Engage community members and stakeholder groups to develop priorities and to advance racial equity.																				
RESJ4-1 Community engagement strategies																				
RESJ4-2 Engagement and strategies for emergencies																				
RESJ4-3 Engagement for racial equity efforts																				
RESJ4-4 County language access policy																				

Implementation Timelines

Climate Action and Resiliency

Climate Action and Resiliency	Q1	Q2	Q3	Q4																
	21-22	21-22	21-22	21-22	22-23	22-23	22-23	22-23	23-24	23-24	23-24	23-24	24-25	24-25	24-25	24-25	25-26	25-26	25-26	25-26
Goal 1: Continue to invest in wildfire preparedness and resiliency strategies																				
CAR1-1 Home carbon neutral and fire hardening updates*																				
CAR1-2 Outreach on veg management to land owners																				
CAR1-3 Leverage grant funding for veg management program																				
Goal 2: Invest in the community to enhance resiliency and become carbon neutral by 2030																				
CAR2-1 Micro grid education and legislative advocacy																				
CAR2-2 Carbon-neutral retrofits on multi-family housing*																				
CAR2-3 Workforce development programs																				
Goal 3: Make all County facilities carbon free, zero waste and resilient																				
CAR3-1 Carbon neutral, zero waste and resilient facilities*																				
CAR3-2 Design facilities to maximize telework																				
CAR3-3 Invest in micro grid technology and grid resilience																				
Goal 4: Maximize sustainability and emissions reductions in all County Fleet vehicles																				
CAR4-1 30% zero-emission vehicle light-duty fleet by 2026*																				
CAR4-2 Invest in employee Clean Commute program*																				
CAR4-3 Upgrade charging station infrastructure*																				
Goal 5: Maximize opportunities for mitigation of climate change and adaptation through land conservation work and land use policies																				
CAR5-1 Update the General Plan and other planning documents*																				
CAR5-2 Maximize sequestration and minimize sink loss																				

Implementation Timelines

Resilient Infrastructure

Resilient Infrastructure		Q1 21-22	Q2 21-22	Q3 21-22	Q4 21-22	Q1 22-23	Q2 22-23	Q3 22-23	Q4 22-23	Q1 23-24	Q2 23-24	Q3 23-24	Q4 23-24	Q1 24-25	Q2 24-25	Q3 24-25	Q4 24-25	Q1 25-26	Q2 25-26	Q3 25-26	Q4 25-26	
Goal 1: Invest in County buildings and technology to enhance service delivery and improve employee mobility																						
R1-1	New County Center and existing buildings: triple zero																					
R1-2	Design and workstation standards to maximize telework																					
R1-3	Technology tools that enhance ability to work remotely*																					
R1-4	Establish regional and satellite service centers*																					
Goal 2: Invest in capital systems to ensure continuity of operations and disaster response.																						
R12-1	Strengthen communications tools used during disasters*																					
R12-2	Invest in electric power resiliency projects at facilities																					
R12-3	Design and build a resilient EOC																					
Goal 3: Continue to invest in critical road, bridge, bicycle, and pedestrian infrastructure.																						
R13-1	Continue to maintain road segments																					
R13-2	Increase preventive maintenance by 5% annually																					
R13-3	Invest \$5 million on new pedestrian and bicycle facilities																					
R13-4	Retrofit seismically deficient bridges																					
Goal 4: Implement countywide technological solutions to promote resiliency and expand community access.																						
R14-1	Seek funding to expand communications infrastructure																					
R14-2	Expand wireless and broadband access across County																					
Goal 5: Support, fund, and expand flood protection.																						
R15-1	Partnerships to address climate change impacts*																					
R15-2	Land use planning to address flood protection																					
R15-3	Update of Flood Plans and establish protection zones																					

Website Update

Website Development

Phase 1:

Goals, objectives and other information in a clean and user-friendly format

Phase 2:

Summaries of how the County will implement each objective that are linked to detailed implementation plan

Phase 3:

Launch of website metric-tracking component by the end of the year

Implementation Reporting

- Website updates and dashboard
- Board Liaison check-points
- Board item Strategic Plan alignment tracking
- Annual Report to Board in early 2023
- Employee engagement
- Strategic Plan input
 - StrategicPlan@sonoma-county.org

Next Steps

- Plan and schedule Board Liaison check-points
- Program funds for awarded projects through budget adjustments
- Implementation Plan information to website

Year 1 Project Funding Requests

- \$5M available for projects
- Rating considerations
 - Does the project need to be completed before another one can begin?
 - Can the project be completed within the proposed timeframe?
 - Operational feasibility
 - Racial equity lens
 - Climate lens
 - Geographic equity lens
 - Degree of city collaboration or partnerships
 - Availability of other funding sources for the project

Pillar	Request
Healthy and Safe Communities	\$ 1,140,000
Organizational Excellence	\$ 875,000
Racial Equity and Social Justice	\$ 590,000
Climate Action and Resiliency	\$ 1,347,500
Resilient Infrastructure	\$ 1,462,800
Multiple Pillars	\$ 291,400
Total	\$ 5,706,700

Funding Requests - Recommended

Pillar	Ref	Project Name	Lead	Request
1 HSC	3.1	Rezoning and housing element update	Permit Sonoma	\$180,000
2 OE	2.1	Community satisfaction survey	CAO	\$150,000
3 RI	1.4	Satellite Service Centers	General Services	\$800,800
4 HSC	1.3	No wrong door training	Human/Health	\$350,000
5 HSC	4.3	Housing location services	CDC	\$100,000
6 CAR	2.2	Carbon Neutral and Resilient Multifamily Homes: Outreach and	General Services	\$132,500
7 CAR	5.1	Carbon Modeling: Sequestration Potential and Emissions Inventory	CAO	\$500,000
8 HSC	5.4	Behavioral Response System	Probation	\$450,000
9 HSC	5.5	Engagement and Outreach	CAO	\$60,000
10 OE	2.2	Community engagement and outreach strategy	CAO	\$300,000

Funding Requests - Recommended

Pillar	Ref	Project Name	Lead	Request
11 RI	2.1	Communications Microwave Backhaul Replacement	Sheriff	\$70,000
12 RI	2.1	Communications Network Management System Replacement	Sheriff	\$136,000
13 RI	2.1	Emergency Base Station Radios	Sheriff	\$356,000
14 CAR	3.1	Zero Waste Audit and Plan	CAO	\$100,000
15 RESJ	4.1-4.4	Community engagement for Goal 4 objectives	Office of Equity	\$300,000
16 CAR	1.1	Wildfire Preparedness and Resiliency: Outreach and Engagement	General Services	\$265,000
17 OE	3.2	Employee engagement survey	Human Resources	\$150,000
18 OE	3.3	High quality training, development, & leadership programs	Human Resources	\$75,000
19 RESJ	1.1	Core team support	Office of Equity	\$240,000

Funding Requests - Recommended

Pillar	Ref	Project Name	Lead	Request
20 CAR	4.1 & 4.3	EV infrastructure Expansion: Consulting, Education, and Limited Stationary Hardware	General Services	\$200,000
21 RESJ	2.1	Public Facing Employee Demographic Dashboard	Human Resources	\$50,000
				\$4,965,300

Other Funding Requests

Pillar	Ref	Project Name	Lead	Request
22 OE	2.2	Marketing & Outreach	CAO	\$50,000
23 RI	1.3	Technology for teleworking and hybrid meetings	ISD/CAO	\$100,000

			Total:	\$ 741,400

Climate Action and Resiliency Division

County of Sonoma, County Administrator's Office

Climate Action, Resiliency and Equity (CARE) Framework Overview

February 1, 2021

FRAMEWORK EVOLUTION

- **Grounded in Board policy and will evolve**
- **Current framework**
 - Prioritize Round #1 of Climate & Resiliency Fund (CRF) Projects
 - Guide Round #2 of CRF Projects
- **Future refinement and updates**
 - Base on broad collaboration & further enhance evaluations
 - Update according to Federal and State priority development

WHAT DOES THE FRAMEWORK DO?

- **Evaluates projects based on:**
 - Advancing Climate Action, Resilience & Equity (CARE)
 - Promoting strategic alignment and leveraging
 - How much County funding is needed for the project
- **Establishes specific criteria for performance:**
 - How significant is the activity area?
 - How well does the project address it?
- **Ranks projects by:**
 - Performance criteria for each policy objective
 - Different measures of Cost & Cost Effectiveness

OVERVIEW OF THE FRAMEWORK PROCESS

POLICY ELEMENTS OF PROJECT PERFORMANCE

Climate
Action,
Resilience &
Equity

- Greenhouse Gas Mitigation
- Building Climate Resiliency
- Alignment with Climate Action & Resiliency Pillar
- Support from other Climate-related Plans, Tools, or Models
- Promoting Climate Equity

Strategic
Plan

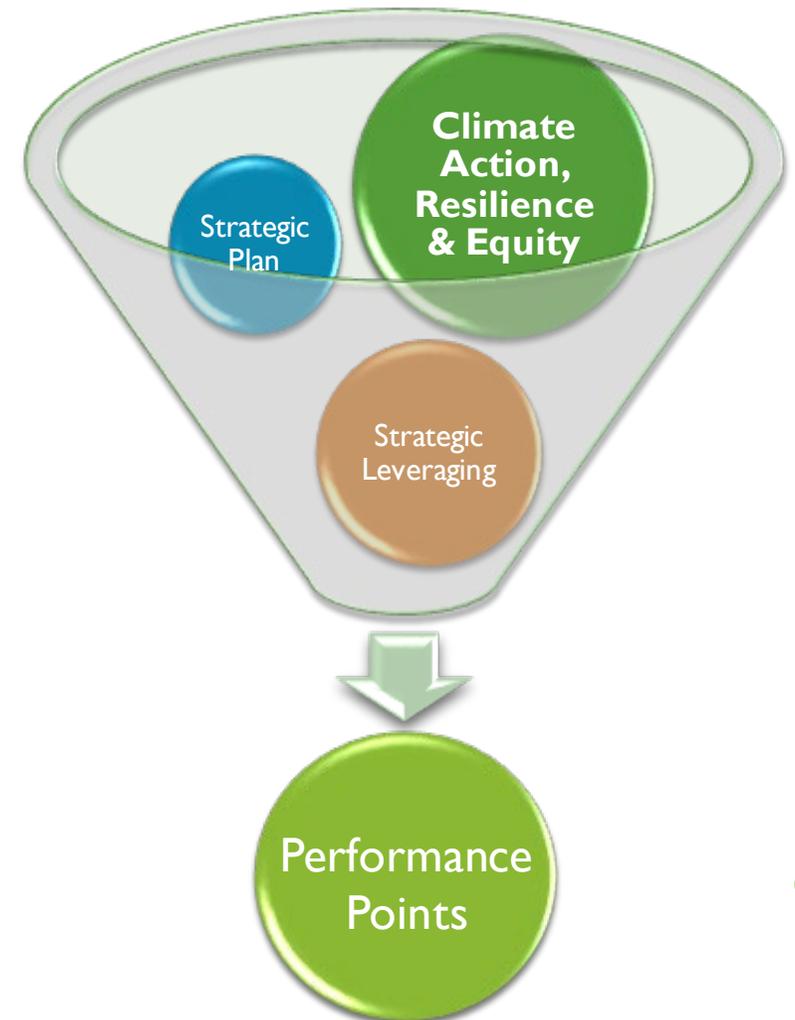

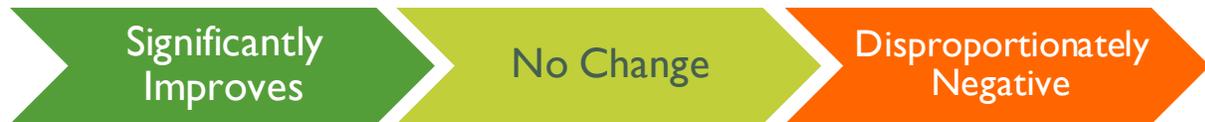

- Support for Goals & Objectives in other Strategic Plan Pillars

Strategic
Leveraging

- Committed Cost Sharing
- Opportunity: Gateway Project for Future Projects, Expected Return on Investment, or Leveraging Partnerships
- Alignment with State or Federal Grant Criteria

PROJECT PERFORMANCE SCALES

- Performance criteria for each policy element
 - **Quantitative** assessment of CO2e, costs, etc.
 - **Qualitative** scales for assessing performance, eg:

SCORING PROJECT PERFORMANCE ELEMENTS

CARE Measures	Mitigation	40	75
	Resilience		
	CAR Pillar Alignment	10	
	Plans, Tools, & Models	10	
	Climate Equity	15	
Strategic Plan Alignment		5	5
Strategic Leveraging	Committed Cost Sharing	10	20
	Opportunity	5	
	State & Federal Alignment	5	
		Total =	100 pts

EVALUATING COSTS & EFFECTIVENESS

- Cost Evaluation

- Total project cost
- County project cost

- Performance Cost

- County cost for performance points
- Projects with non-County funds are more cost effective

Questions

Climate Action and Resiliency Division

County of Sonoma, County Administrator's Office

Climate Resiliency Fund Recommendations

February 1, 2021

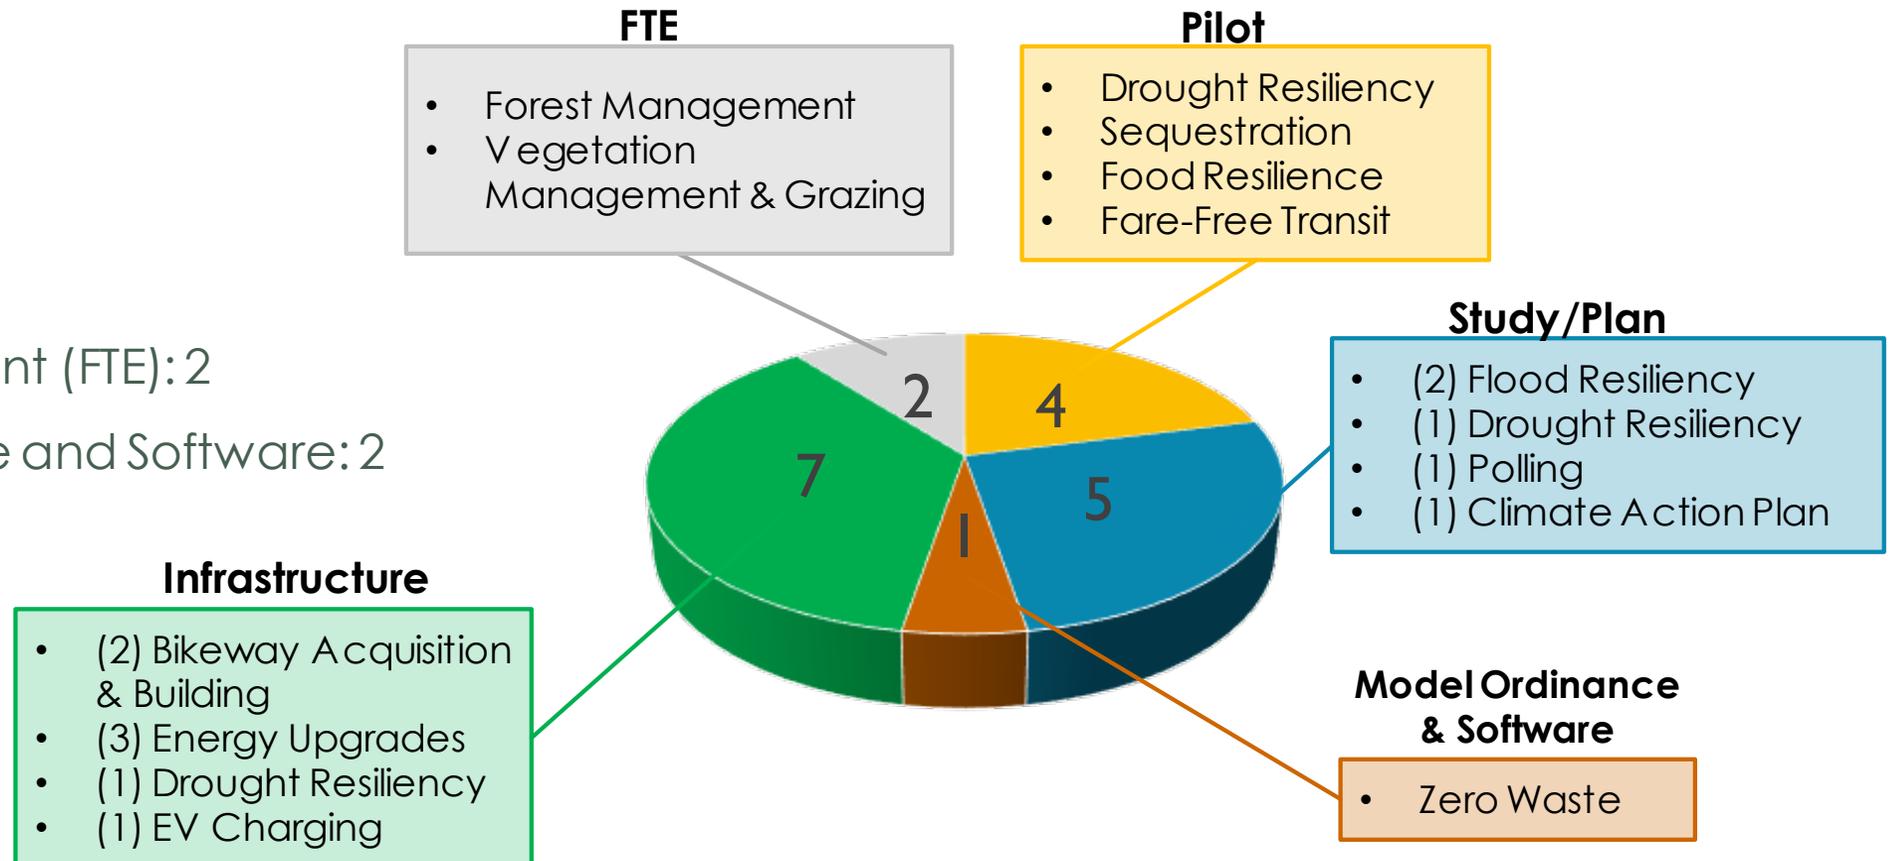

OVERVIEW OF FUNDING REQUEST

- **Climate Resiliency Fund (CRF)**
 - \$10 million allocated (May 11, 2021) by your Board from PG&E Settlement
 - Priorities developed by Climate Ad-hoc with staff, partner, & public input
 - Projects by County departments and agencies
 - Near term implementation & multiple benefits
 - Leverage outside funding
- **County Climate Resilience Projects**
 - Proposals for 19 County projects (*\$12.7 M total requests*)
 - Proposals refined over Summer & Fall 2021

SUMMARY OF POTENTIAL PROJECTS

- Infrastructure: 7
- Study/Plan: 5
- Pilot: 4
- Full-Time Equivalent (FTE): 2
- Model Ordinance and Software: 2

CRF

ROUND #1 SUMMARY OF RECOMMENDATIONS

- Reserve ~ 50% of CRF for leveraging future grant funds
- Allocate ~ \$5 million for projects in Round #1
 - **Tier 1:** Strongly recommend funding for 10 top-ranked projects based on Performance Score and Cost (low Performance Cost)
 - **Tier 2:** Recommend funding for 2 projects based Performance Score (high Performance Cost)
 - **Tier 3:** Consider funding for 1 lower-scoring planning project
- Support departments and agencies whose projects were not selected to refine projects & leverage future outside funds
- Reconsider remaining projects, and possibly others, in Round #2

CRF ROUND #1 SUMMARY OF CRF EXPENDITURES

Tier	Tier Allocations	Total Allocations	Round 1 Funds Remaining
Strongly Recommended	\$ 3,030,918	\$ 3,030,918	\$ 1,969,082
Recommended	\$ 1,771,230	\$ 4,802,148	\$ 197,852
Consider	\$ 250,000	\$ 5,052,148	\$ (52,148)

Approximately \$7.7 M in project requests for further refinement & leveraging outside funds in Round 2

TIER 1

STRONGLY RECOMMENDED FOR FUNDING

Applicant	Project	Rank	Performance Points	Project Cost	Performance Cost	Project Type
Gold Ridge RCD <i>(w/ Sonoma Water)</i>	Rainwater Catchment Rebate	1	54	\$185,548	\$3,436	Pilot
Sonoma Water	Flood Risk Assessment	2	68	\$275,000	\$4,044	Study/Plan
Zero Waste Sonoma <i>(w/ TPW)</i>	Const/ Demo/Deconst – Green Halo Software Service	3	30	\$121,400	\$4,047	Model Ordinance and Software
CAO	Climate Polling	4	12	\$50,000	\$4,167	Study/Plan
Sonoma Water	Drought Resiliency Plan	5	57	\$300,000	\$5,263	Study/Plan
Regional Parks	Class 1 Bikeway Acq.	6	71	\$440,000	\$6,197	Infrastructure
Sonoma Water	FloodMAR Feasibility Study*	7	60	\$400,000	\$6,667	Study/Plan
Regional Parks	Doran Solar Installation	8	53	\$378,720	\$7,146	Infrastructure
RCPA <i>(w/ Ag + OSD)</i>	Carbon Sequestr. - Compost	9	56	\$500,000	\$8,929	Pilot
Permit Sonoma	Forester Position	10	42	\$380,250	\$9,054	FTE

*The FloodMAR project was submitted as a Feasibility Study, and alternatively as a Pilot; the Study ranked higher.

TIER 2

RECOMMENDED FOR FUNDING

Applicant	Project	Rank	Performance Points	Project Cost	Performance Cost	Project Type
General Services	Resilient Veterans Building	13	63	\$870,000	\$13,810	Infrastructure
General Services	Veterans Building Energy Upgrades	15	50	\$901,230	\$18,025	Infrastructure

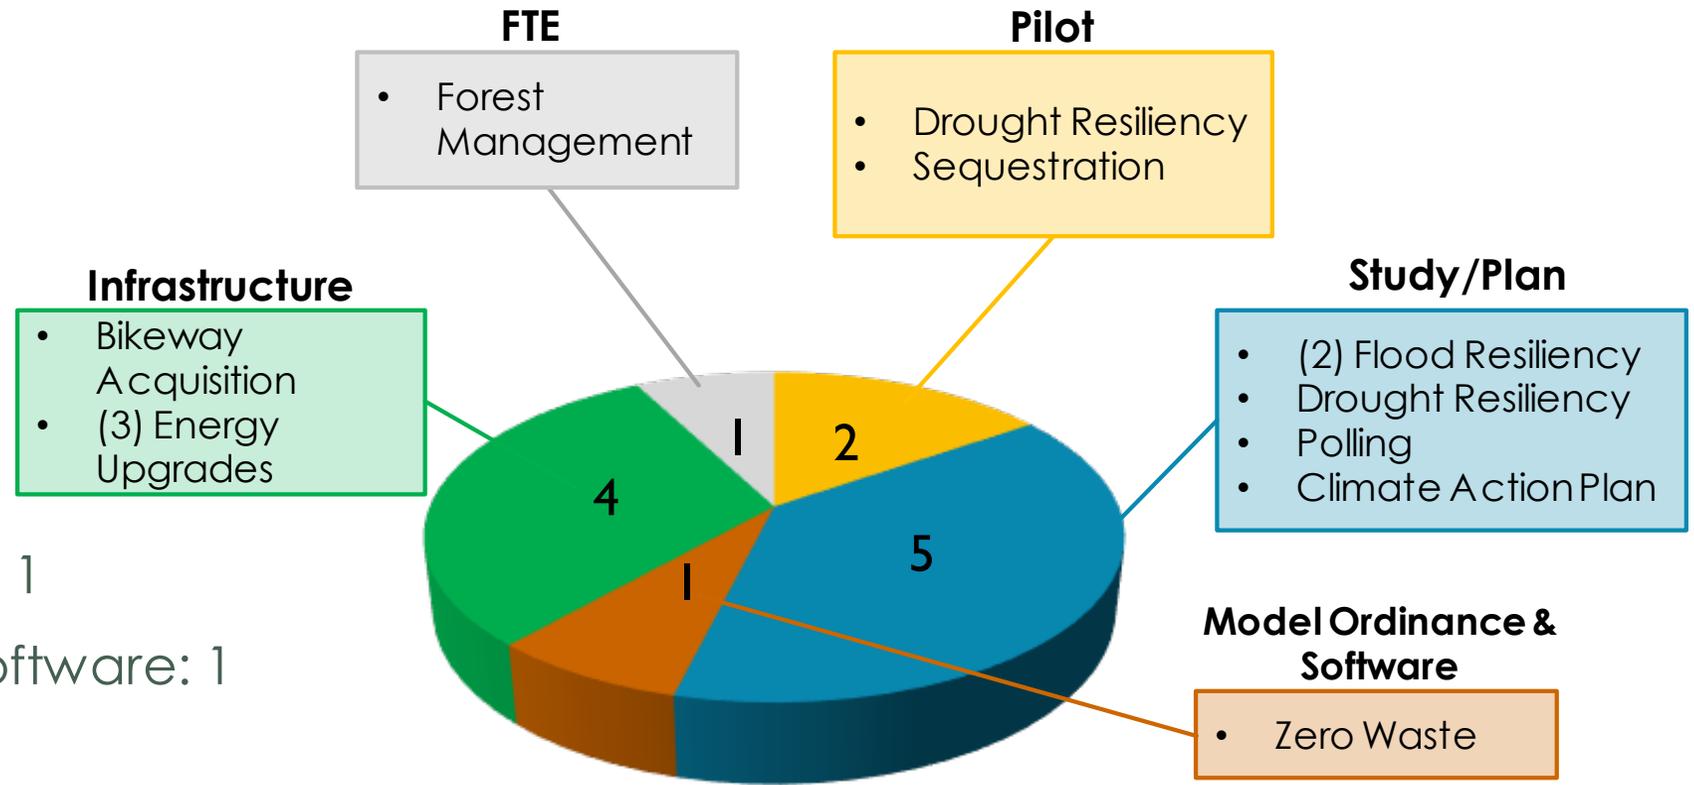

TIER 3

CONSIDER FUNDING

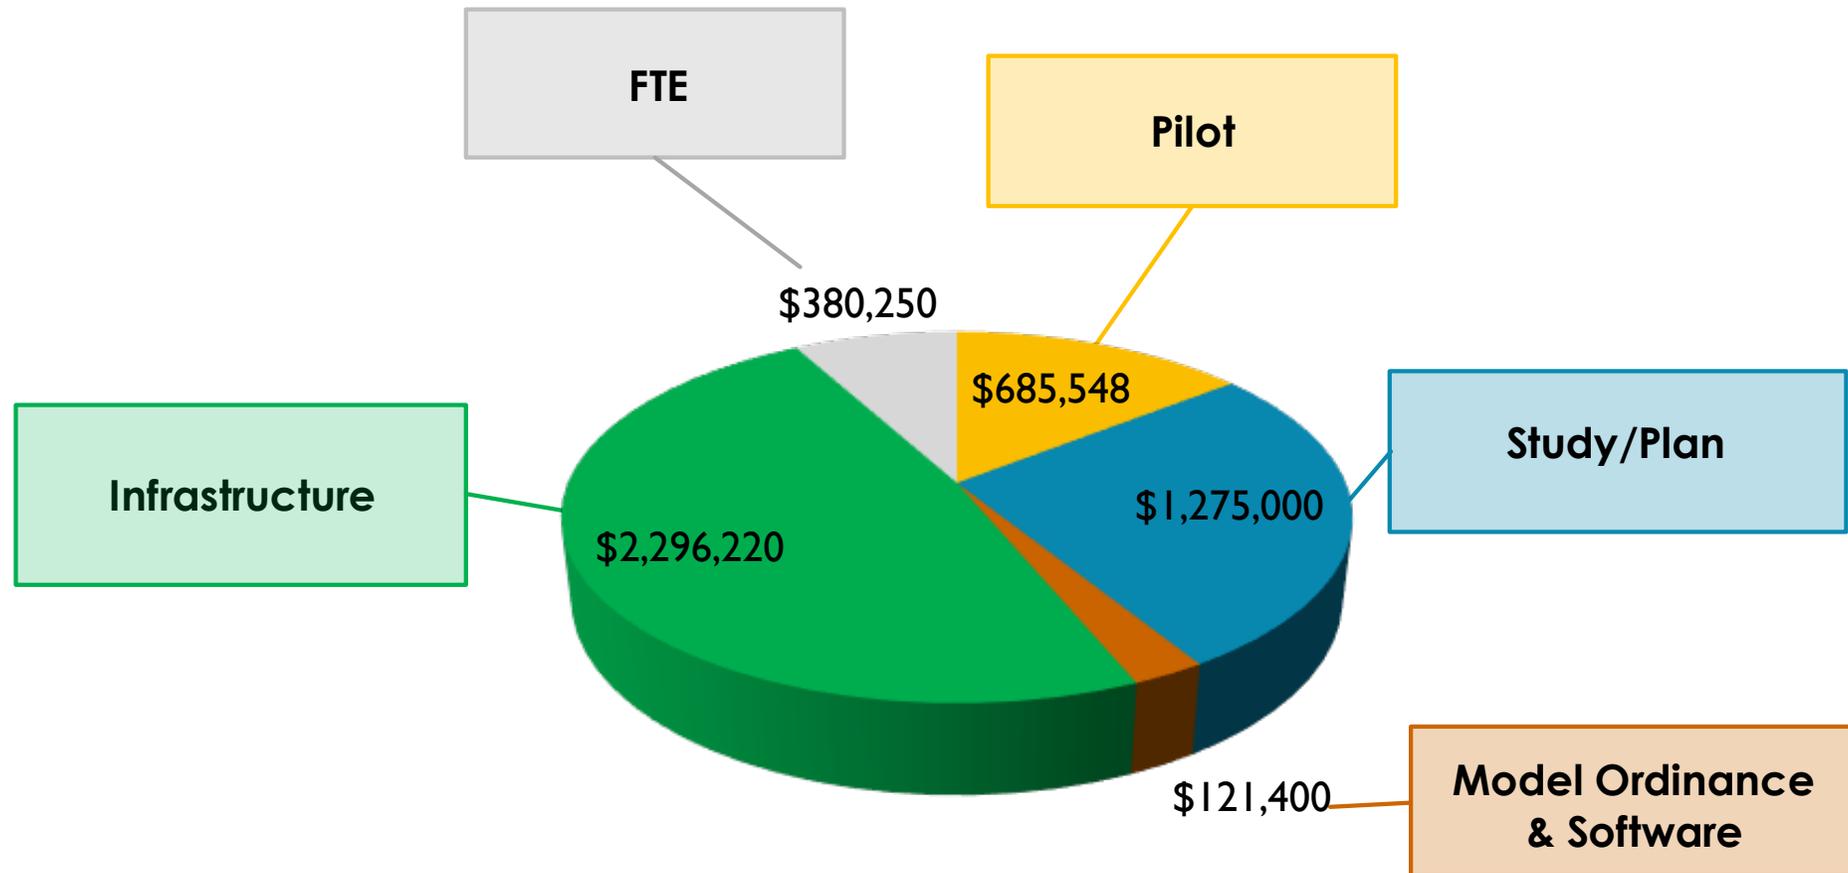

Applicant	Project	Rank	Performance Points	Project Cost	Performance Cost	Project Type
Regional Parks	Climate Action Plan	14	18	\$250,000	\$13,889	Study/Plan

CRF ROUND #1 SUMMARY OF TIERS 1 - 3 PROJECTS

- Study/Plan: 5
- Infrastructure: 4
- Pilot: 2
- Full-Time Equivalent (FTE): 1
- Model Ordinance and Software: 1

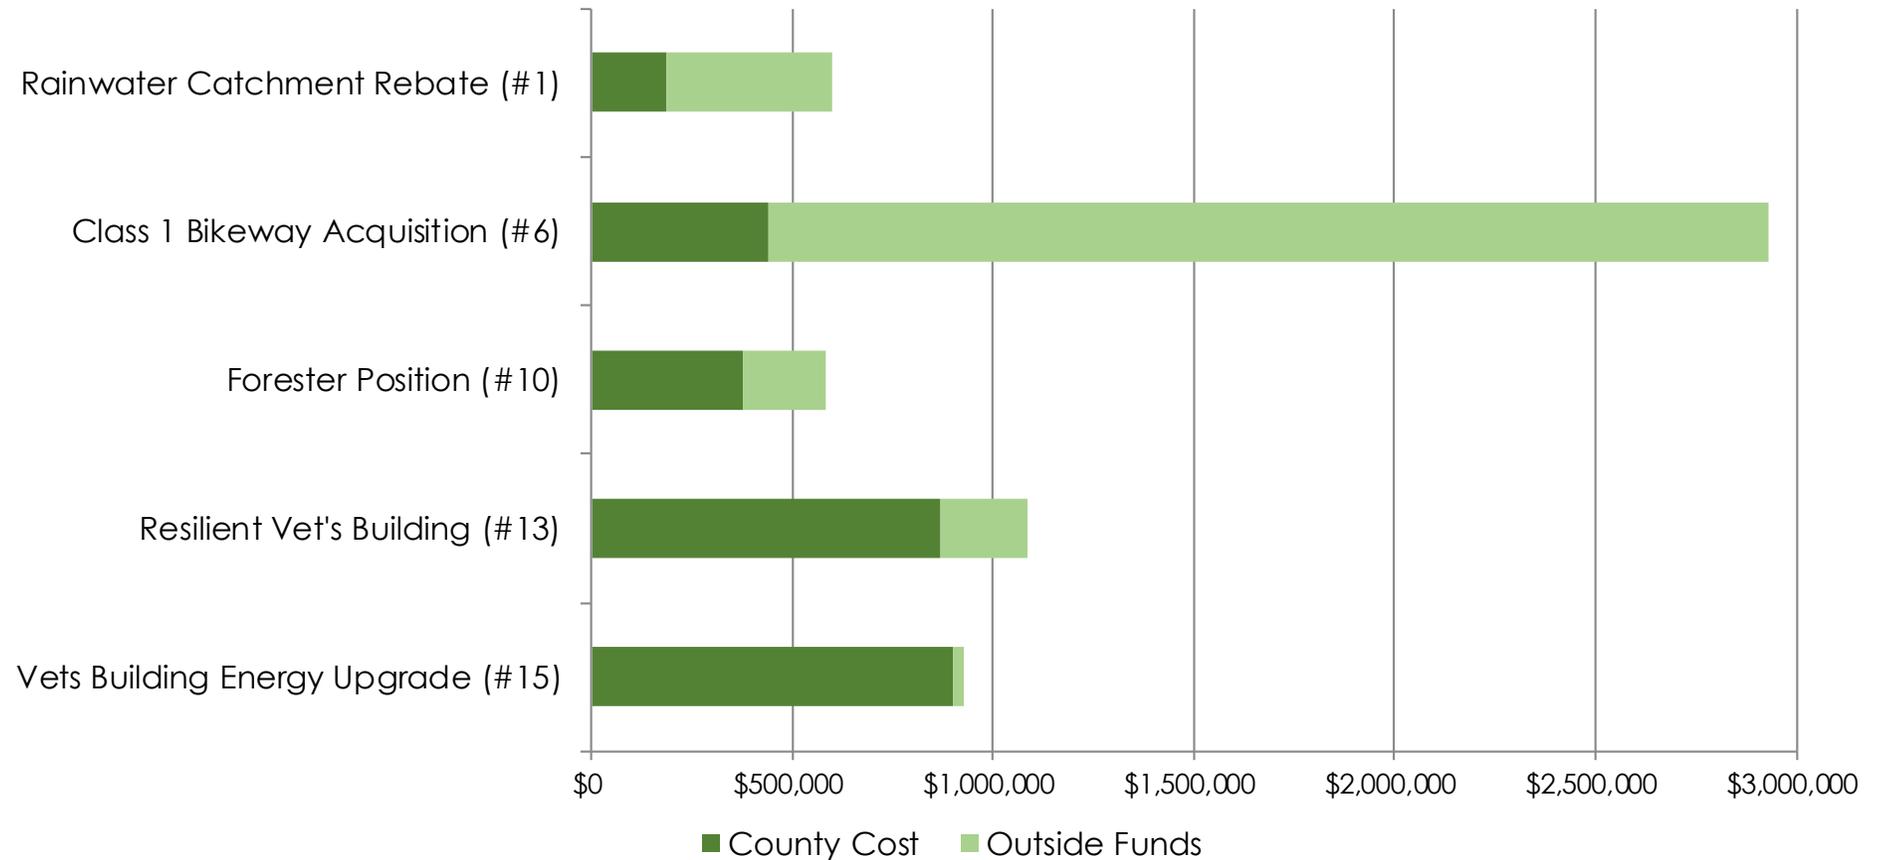

CRF ROUND #1 COST BREAKDOWN OF TIERS 1 - 3

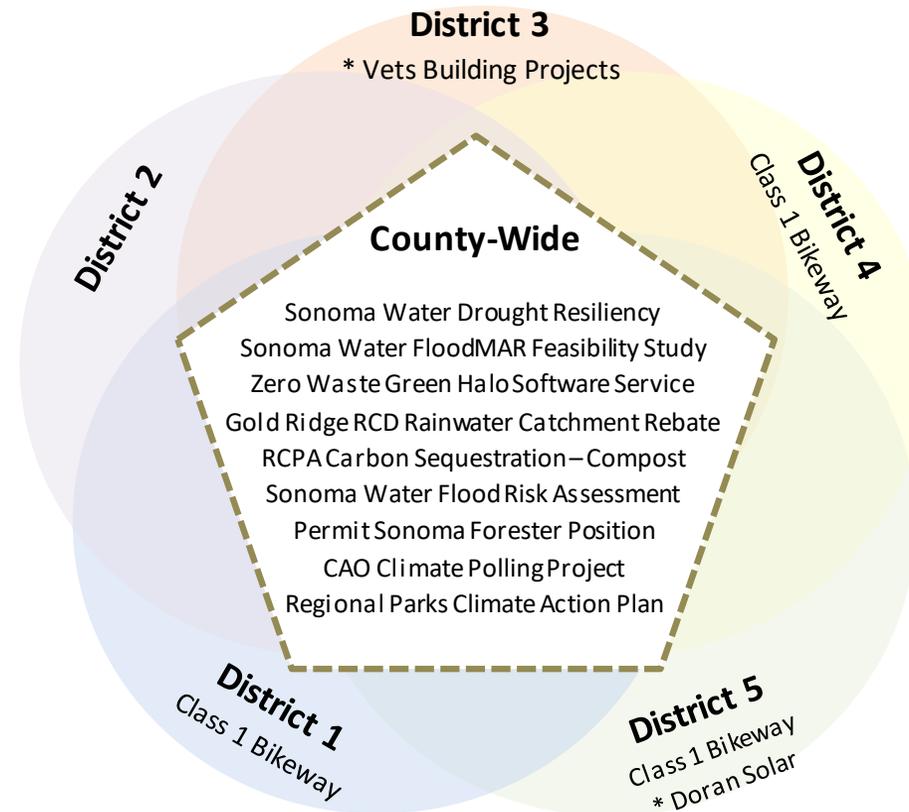

CRF

ROUND #1 LEVERAGING OF OUTSIDE FUNDS OF TIERS 1 - 3

- Round 1 potential County expenditures: **~\$5 M**
- Round 1 potential outside cost sharing: **~\$3.4 M**

CRF ROUND #1 PROJECT LOCATIONS OF TIERS 1 - 3

* Demonstration projects with the potential to expand into other districts

CRF ROUND #2

RECOMMEND FURTHER REFINEMENT & LEVERAGE OUTSIDE FUNDING

Applicant	Project	Rank	Performance Points	Project Cost	Performance Cost	Project Type
UCCE Sonoma	Managed Grazing & Veg. Mgmt	11	41	\$450,000	\$10,976	FTE
UCCE Sonoma	Community Food*	12	46	\$593,200	\$12,896	Pilot
Regional Parks	Rain Water Catchment	16	29	\$607,500	\$20,948	Infrastructure
General Services	EV Infrastructure**	17	56	\$2,800,000	\$50,000	Infrastructure
Transportation & Public Works	Bikeable Sonoma	18	28	\$1,900,000	\$67,857	Infrastructure
Sonoma County Transit	Fare Free Transit***	19	19	\$1,300,000	\$68,421	Pilot

*The Community Food program received the highest Climate Equity rating making it attractive for co-funding

**EV Infrastructure projects are inherently expensive, however leveraging with federal, state, and regional funding is highly likely

***With additional data and refinement Fare Free Transit could score better, and leveraging with federal, state, or regional funding is possible

NEXT STEPS

- **Round #1 of Climate Resilience Funding:** Board decides allocations
- **Round #2 of Climate Resilience Funding:**
 - Staff solicits Round #2 project proposals from County departments and agencies
 - Staff works departments and agencies with unfunded Round #1 projects to refine and identify outside funding opportunities
 - Board reconsiders remaining projects, and possibly others, for funding in Round #2
- **CARE Framework:** Staff continues collaborating with partners and tracking State and Federal priorities to refine CARE framework
- **Accountability:** Staff tracks & updates Board on CRF project outcomes

Questions and Discussion
