Title:

10:30 A.M.: Public Hearing and Adoption of Resolution for the Beverly Apartments Tax Exempt Bond Financing

Recommended Action:

Conduct a public hearing and adopt a Resolution to approve a tax-exempt bond financing in an amount not to exceed \$10,000,000 to be issued by the California Municipal Finance Authority to the benefit of BHDC Beverly Apts., LLC.

Executive Summary:

This public hearing is being conducted to adopt a resolution to authorize the California Municipal Finance Authority to approve tax-exempt bond financing in an amount not to exceed \$10,000,000 to be issued for the benefit of BHDC Beverly Apts., LLC.

The hearing allows the public an opportunity to review and make comments regarding the proposed tax-exempt financing for the project discussed herein. The public notice for this hearing was properly given as required by law.

Discussion:

BHDC Beverly Apts., LLC (the "Borrower"), a limited liability company of which Burbank Housing Development Corporation (the "Developer") is the sole Member and Manager, has requested that the California Municipal Finance Authority (the "CMFA") issue tax-exempt facility bonds for a qualified residential rental project pursuant to Section 142(a)(7) of the Internal Revenue Code of 1986 (the "Code") in one or more series from time to time in an aggregate principal amount not to exceed \$10,000,000 (the "Bonds").

The Bond proceeds will be used to finance or refinance the acquisition, construction, improvement and equipping of a multifamily rental housing project known as the Beverly Apartments and located at 8020-8050 Beverly Drive, Rohnert Park, California (the "Project").

The CMFA is a joint powers authority created to promote economic, cultural and community development through the financing of economic development and charitable activities throughout California. To date, over 350 municipalities, including the County of Sonoma (County), have become members of CMFA. In order to initiate bond financing, a member jurisdiction of the CMFA in which the proposed project will be located must (i) conduct a public hearing and (ii) approve the CMFA's issuance of indebtedness. Therefore, although the

CMFA will be the issuer of the obligation for the Borrower, and the County is not a party to the bond issuance, the County’s adoption of the resolution to approve the bond issuance is an integral part of the process for financing to proceed.

The purpose of the public hearing is to satisfy the Internal Revenue Service requirement of the Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA) and Code Section 147(f) that as a condition to issuing bonds, the approval of the elected governmental offices of the jurisdiction where the project is located, or one of the jurisdictions if the project is located wholly within more than one jurisdiction, be obtained following a public hearing. The hearing allows the public an opportunity to review and make comments regarding the proposed tax-exempt financing for the project. The public notice for this hearing was properly given as required by law.

Although the project is located within the City of Rohnert Park limits, and therefore the City of Rohnert Park could hold this TEFRA hearing, the Board of Supervisors has been requested to hold the hearing for the Project as the Project is also located within the County limits. The Board has conducted similar hearings for entities in Sonoma County, with the most recent being for the Cora Creek Apartments in August 2025. City of Rohnert Park officials have been consulted and approve of the Board of Supervisors holding the requested hearing.

The Board’s approval of the Bonds does not in any way pledge the credit or revenues of the County to the financing. County Counsel and Orrick Herrington & Sutcliffe, LLP (Bond Counsel) have reviewed the resolution and public notice prepared by Bond Counsel and agree the County is not pledging any County credit or revenues.
