Resolution of the Board of Supervisors of the County of Sonoma, State of California,

Recognizing April 2024 As Sexual Assault Awareness Month

Whereas, Sexual Assault Awareness Month is intended to draw attention to the fact that sexual violence is widespread and has a profound and lasting impact on every community member of Sonoma County; and

Whereas, national research indicates that one in five women will be raped at some point in their lifetime, and nearly half of all women will experience some form of sexual violence; and

Whereas, researchers have found that at least 1 in 6 men have experienced sexual abuse or assault, whether in childhood or as an adult; and

Whereas, young people are at greatest risk of sexual violence, and youth aged 12 to 17 are two and a half times more likely to be raped, sexually assaulted, or sexually abused than their adult counterparts; and

Whereas, disabled people, people of color, queer people, homeless people, transgender people, undocumented people, youth in foster care, and people of other marginalized identities are even more likely to be victimized by sexual violence; and

Whereas, over 18,000 members of the military and over 80,000 people who are incarcerated experience sexual violence every year; and

Whereas, with leadership, dedication, and encouragement, there is evidence that we can be successful in preventing sexual violence in Sonoma County through increased education, awareness, and community involvement; and

Whereas, the Sonoma County Board of Supervisors strongly supports the efforts of our community based organizations, and the Sonoma County departments, and encourages every resident to actively engage in public and private efforts to end sexual violence, including conversations about what sexual violence is, how to prevent it, how to help survivors of all backgrounds connect with crucial counseling and other support services, and how every segment of our society can work together to better address sexual violence.

Now, Therefore, Be It Resolved that the Sonoma County Board of Supervisors reaffirms its commitment to address the issues of rape and sexual violence by remembering victims, believing and supporting survivors, holding perpetrators accountable for their actions, and challenging societal myths and behaviors that perpetuate sexual violence in our community; and

Be It Further Resolved that, along with the United States Government and State of California, the Sonoma County Board of Supervisors designates the month of April 2024 to be SEXUAL ASSAULT AWARENESS MONTH.
