Hello supervisor Rabbitt,

I'd like to start by saying thank you so much for investigating the STR permit issue I'm having and appreciate all you and your office did to help and understand your hands are tied.

Unfortunately, I do not feel this penalty is justified in my case and as you know through prior contact, cannot afford these penalties as I used my house as an STR to help pay medical bills for my wife's disability and my mothers care when she was dying from cancer. I have no other choice but to seek legal counsel in the matter.

Again, thank you for your time and if you have any further questions please contact me or you can reach my attorney Rose Zoia at 707-525-9409. I hope we can find a solution that works for everyone.

Sincerely,
Jeremy Bolan
