Landlord shall cause all work under the LIA to be performed in accordance with Tenant's sustainability practices, including any third-party rating system concerning the environmental compliance of the Building or the Premises, as the same may change from time to time. Landlord further agrees to engage a qualified third-party CalGreen or similarly qualified professional during the design phase through implementation of all work set forth in the LIA to review all plans, material procurement, demolition, construction and waste management procedures to ensure the leasehold improvement project is in full conformance with Tenant's sustainability practices, and to obtain and maintain compliance with CalGreen on or promptly after the date of Substantial Completion (as defined below).

Within thirty (30) days after execution of this Lease Landlord's architect shall calculate and certify in writing to Landlord and Tenant the Rentable Area and Usable Area of the Premises and the Rentable Area of the Building. If Tenant disagrees with the determination of the Rentable Area or Usable Area of the Premises or the Rentable Area of the Building as calculated by Landlord's architect, Tenant shall provide Landlord with written notice of Tenant's disagreement ("Tenant's Notice of Disapproval") within thirty (30) days after the date on which Tenant receives the calculation by Landlord's architect. The parties shall diligently attempt in good faith to resolve the disagreement over the Rentable Area or Usable Area of the Premises or the Rentable Area of the Building within thirty (30) days after the date on which Landlord receives Tenant's Notice of Disapproval. If the parties are unable to resolve the disagreement within that period of time, the dispute shall be resolved by arbitration under Article 23, except that the arbitrator must be a licensed architect with a minimum of five (5) years' experience in designing office buildings similar to the Building, and the arbitrator must render a final decision within forty-five (45) days after the date on which the arbitrator is selected.

Landlord shall provide written certification of the Rentable and Usable Area of the Premises and the Rentable Area of the Building at Landlord's sole cost and expense.

1.4.3 Adjustment of Rent. On the final determination of the Rentable Area of the Premises and the Building, if the Rentable Area of either is different from that stated in Section 1.1, Rent that is based on the Rentable Area shall be recalculated in accordance with that final determination. On the recalculation of Rent as provided in this Subsection 1.4.3, the parties shall execute an amendment to this Lease, stating the recalculated Rentable Area and the recalculated Rent. Execution of that amendment shall not be a condition precedent to the effectiveness of the recalculated Rent. If there is a dispute over the Rentable Area of the Premises or the Building that has not been settled as provided in Subsection 1.4.2 by the date on which Tenant is required to begin paying Rent under this Lease, Tenant shall pay to Landlord the Rent stated in Section 4 until final determination of the Rentable Area of the Premises. If the Rent after final determination of the Rentable Area of the Premises is less than the Rent in Section 4, Landlord shall credit the overpayment made by Tenant to the next Rent due, without interest.

1.5 First Right of Refusal. Subject to any of Landlord's other leases at the Building whose terms as of the Effective Date of this Lease prohibit Landlord from offering certain spaces to Tenant pursuant to this Section 1.5, if, at any time during the Lease Term, Landlord wishes to lease space in the Building other than the Premises (the "Prospective Space"), Landlord shall first notify Tenant (via a written letter in compliance with the notice provisions of this Lease), of its intention to lease the Prospective Space, and for a period of fourteen (14) days after Tenant's receipt of said notice, Landlord shall, at the request of Tenant, negotiate in good faith with regard to Tenant's lease of the Prospective Space. Other than the foregoing requirement, Landlord shall have no further requirements and Tenant shall have no further rights with regard to the Prospective Space, and Landlord shall have no obligation to lease any Prospective Space to Tenant pursuant to the terms or under comparable terms to this Lease.

## ARTICLE 2

### TERM

2.1 Term. The term of this Lease ("Lease Term") shall commence on the Commencement Date provided for in Section 2.2 below and shall end five years later ("Lease Expiration Date"), subject to any option, renewal or extension rights of Tenant as provided for in this Lease.

2.2 Commencement Date. The Lease Term shall commence on the later of the following dates (the "Commencement Date"): (a) September 1, 2023, or (b) the day that is the first Monday following the elapse of thirty (30) days from actual receipt by Tenant of written notice from Landlord that the work to be done in the Premises by Landlord pursuant to the provisions of **Exhibit C** is substantially completed. Notwithstanding the foregoing, if Tenant receives actual written notice from Landlord more than thirty (30) days prior to the date stated in subclause (a) of the preceding sentence that the work to be done in the Premises by Landlord is substantially completed and if Tenant commences operation of its business in the Premises prior to the date stated in said subclause (a), then this Lease shall commence on the date that Tenant commences operation of its business in the Premises. Upon the determination of the Commencement Date, Landlord and Tenant shall execute a written acknowledgment of the Commencement Date and shall attach it to this Lease as **Exhibit F**.

2.3 Substantial Completion of Landlord's Work. Landlord shall perform certain work at the Premises as set forth in **Exhibit C**. Landlord shall diligently pursue completion of any minor details or adjustments that have not been performed at the time Landlord gives notice of Substantial Completion to Tenant. Notwithstanding anything contained herein to the contrary, if, after receiving the aforesaid notice from Landlord that the Landlord's work is substantially completed, Tenant shall be delayed in installing and completing or having installed and completed any finishing work necessary for the operation of Tenant's business in the Premises (including, without limitation, files, reproduction and other office equipment, and telephone communications facilities) or in completing the move or installation of substantially all of its furniture and other equipment into the Premises so as to be able to commence its business there, by reason of fire, casualty, acts of God, strikes, lockouts, or other labor troubles, inability to secure materials, governmental laws or regulations, or other causes of whatever kind beyond the reasonable control of Tenant, then the Commencement Date shall be deferred for a period of time equivalent to the period of such delay. Evidence of when the Landlord's work has been substantially performed shall be a certificate to that effect signed by Landlord's architect and Tenant's architect. Substantial Completion of Landlord's Work or "substantially completed" is defined in Section 5.1 of **Exhibit C**.) Landlord agrees to use its best efforts to provide Tenant with at least thirty (30) days' advance notice of the date on which the Premises are expected to be substantially completed. Tenant shall have the right of early access to the Premises for a fixturing period of fifteen (15) business days prior to the Commencement Date for installation of Tenant's furniture, fixtures and equipment. Tenant agrees to use its best efforts, but in no way guarantees or warrants, to expedite all required permits from the County of Sonoma.

2.4 Delay in Commencement. If Landlord, for any reason whatsoever, fails to give Tenant notice by November 1, 2023 that the Landlord's work in the Premises is substantially completed, as provided for above, then the Tenant may: (a) terminate this Lease by giving Landlord Thirty (30) days prior written notice of its intention to do so; or (b) extend Landlord's time for completion thereof and delivery of possession to Tenant, and withhold from the first rental

payment and subsequent rental payments as may be necessary, as liquidated damages, an amount equal to one and one-half times the Rent otherwise due for each day after said date during which Landlord has failed to give Tenant such notice of substantial completion. Notwithstanding the foregoing, if Landlord, for any reason whatsoever, fails to give Tenant notice that the Landlord's work in the Premises is substantially completed by December 1, 2023, Tenant at its option shall have the right, by giving Landlord Thirty (30) days' prior written notice of its intention to do so, to immediately cancel this Lease, and recover the additional sum of three (3) months' rent from Landlord, as liquidated damages. This agreement for liquidated damages is entered into because the amount is manifestly reasonable under the circumstances at the time of this Lease, and it would be extremely difficult or impossible to determine, with any degree of accuracy, the actual damages caused by such delay. Landlord's obligation to complete the Premises within the time specified in this Section 2.4 shall not be extended for any reason except delays caused by Tenant, strikes, lockouts, fires, floods, war, civil disorder, government regulations and approvals, and pandemics..

2.5 Option To Extend Term. Landlord grants to Tenant one (1) option to extend the Lease Term ("Extension Option") for a period of Five (5) years ("Option Term"), subject to the conditions described in this Section 2.5.

2.5.1 Conditions of Option. The Extension Option may be exercised only by written notice delivered by Tenant to Landlord as provided in Subsection 2.5.3 and only if, as of the date of delivery of the notice, Tenant is not in material default under this Lease after the expiration of any applicable cure periods. If Tenant properly exercises the Extension Option, the Lease Term, as it applies to the entire Premises then leased by Tenant, shall be extended for the respective Option Term.

2.5.2 Option Rent.

2.5.2.1 Rent During Option Term. The Rent payable by Tenant at commencement of the Option Term shall be equal to ninety-five percent (95%) Fair Market Value for comparable space as calculated in Section 2.5.2.2 below. Rent shall be increased by three percent (3%) annually on the anniversary of the Option Term commencement date.

2.5.2.2 Following Tenant's timely and valid exercise of its Option Term, Landlord and Tenant shall attempt to agree upon a Fair Market Value for the first twelve (12) months of such Option Term (and assuming three percent (3%) annual increases thereafter) using

their good-faith efforts, which if such efforts are successful shall be come the "Fair Market Value." If Landlord and Tenant are unable, sixty (60) days prior to the expiration of the Lease Term ("Outside Agreement Date"), to agree on Fair Market Value as aforesaid, then within five (5) business days after the Outside Agreement Date, Tenant shall submit to Landlord and Landlord shall submit to Tenant its respective determination of Fair Market Value as aforesaid (and assuming three percent (3%) annual increases thereafter) and the parties' determinations shall be submitted to arbitration (as Tenant's and Landlord's "Submitted Fair Prevailing Market Rate," respectively) in accordance with Section 2.5.2.3, which shall become the "Fair Market Value."

2.5.2.3 Landlord and Tenant shall each appoint one arbitrator who shall by profession be a real estate broker or appraiser who shall have been active over the five (5) year period ending on the date of such appointment in the leasing (or appraisal, as the case may be) of similar buildings in Sonoma County, California (the "Area"). Each such arbitrator shall be appointed within fifteen (15) days after the Outside Agreement Date.

(a) The two arbitrators so appointed shall within fifteen (15) days of the date of the appointment of the last appointed arbitrator agree upon and appoint a third arbitrator who shall be qualified under the same criteria set forth hereinabove for qualification of the initial two arbitrators.

(b) The three arbitrators shall within thirty (30) days of the appointment of the third arbitrator reach a decision as to whether the parties shall use Landlord's or Tenant's Submitted Fair Prevailing Market Rate, as applicable, and shall notify Landlord and Tenant thereof. The determination of the arbitrators shall be limited solely to the issue as to whether Landlord's or Tenant's Submitted Fair Prevailing Market Rate is the closest to the actual Fair Market Value as determined by the arbitrators.

(c) If either Landlord or Tenant fails to appoint an arbitrator within fifteen (15) days after the Outside Agreement Date, the arbitrator appointed by one of them shall reach a decision, notify Landlord and Tenant thereof, and such arbitrator's decision shall be binding upon Landlord and Tenant.

(d) If the two arbitrators fail to agree upon and appoint a third arbitrator, or both parties fail to appoint an arbitrator, then the appointment of the third arbitrator or any arbitrator shall not occur and the matter to be decided shall be forthwith submitted to arbitration under the provisions of the American Arbitration Association.

(e) The cost of the arbitration shall be shared equally.

(f) Should the Market Value not be determined prior to the end of the Lease Term, Rent shall continue at the rate of the initial Lease Term and the reduction or increase in

Rent shall be paid by the appropriate party within thirty (30) days after the determination of the Fair Market Value.

2.5.3 Exercise of Extension Option. The Extension Option must be exercised by Tenant, if at all, only at the time and in the manner provided in this Subsection 2.5.3.

2.5.3.1 Exercise of Extension Option. If Tenant wishes to exercise its Extension Option with respect to the first Option Term, Tenant shall deliver written notice to Landlord no less than ninety (90) days before the expiration of the initial Lease Term. The ability to exercise the Extension Option shall be personal to Tenant only and if this Lease is assigned, such assignee tenant shall have no right to exercise the Extension Option unless agreed to by Landlord, in writing.

2.5.4 Amendment to Lease. If Tenant timely exercises its Extension Option, Landlord and Tenant shall execute an amendment to this Lease, extending the Lease Term for the Option Term on the terms and conditions set forth in this Section 2.5. Execution of that amendment shall not be a condition precedent to the effectiveness of the respective Option Term.

2.6 Termination by Tenant.

2.6.1 Non-appropriation of Funds. Tenant may terminate this Lease, in accordance with Section 2.6.3 below, upon one hundred eighty (180) days' prior written notice to Landlord ("Termination Notice") on the happening of any one or more of the following events: (a) the County Board of Supervisors fails to appropriate sufficient funds for the rental of the property covered by this Lease; (b) the County Board of Supervisors discontinues, in whole or in part, the program or agency for which the Premises were leased; or (c) the funding, whether County, State or Federal, for the program or agency for which the Premises were leased is reduced or withdrawn (d) Tenant has approved and funded a new County Administration Center, whether on County owned or leased land, the construction of which shall be substantially completed no later than three hundred sixty-five (365) days after the date of the termination notice.

9.2. Indemnity.

9.2.1. Indemnification of Landlord. Tenant agrees to indemnify Landlord against and save Landlord harmless from any and all loss, cost, liability, damage and expense, including, without limitation, reasonable attorneys' fees and costs that may be asserted by any party and incurred in connection with or arising from: (a) any default by Tenant in the observance or performance of any of the terms, covenants or conditions of this Lease on Tenant's part to be observed or performed; (b) the use or occupancy or manner of use or occupancy of Tenant; (c) the condition of the Premises related to Tenant's duties under this Lease, or any occurrence on the Premises from any cause whatsoever, except to the extent caused by the negligence or willful misconduct of Landlord or related to the duties of Landlord under this Lease; or (d) any acts, omissions or negligence of Tenant or of the contractors, agents, employees, visitors or licensees of Tenant in, on or about the Premises or the Building. Tenant's obligations under this Section 9.2.1 shall survive the termination of the Lease.

9.2.2. Indemnification of Tenant. Landlord agrees to indemnify Tenant against and save Tenant harmless from any and all loss, cost, liability, damage and expense, including, without limitation, reasonable attorneys' fees and costs that may be asserted by any party and incurred in connection with or arising from: (a) any default by Landlord in the observance or performance of any of the terms, covenants or conditions of this Lease on Landlord's part to be observed or performed; (b) the use or occupancy or manner of use or occupancy of the Building by Landlord or any person or entity claiming through or under Landlord, except Tenant; (c) the condition of the Building or any occurrence in the Building from any cause whatsoever except to the extent caused by the negligence or willful misconduct of Tenant; or (d) any acts, omissions or negligence of Landlord or of the contractors, agents, employees, visitors or licensees of Landlord in, on or about the Building or related to the design or construction of the Building or the Premises. Landlord's obligations under this Section 9.2.2 shall survive the termination of the Lease.

## ARTICLE 10

### DESTRUCTION AND UNTENANTABILITY OF PREMISES

10.1. Loss -- Insured or Uninsured. Subject to the options to terminate hereinafter provided in this Article 10, if during the Lease Term, the Building or any portion thereof is damaged by fire, earthquake or other casualty or peril, Landlord shall with all due diligence (upon receipt of insurance proceeds) repair or rebuild the Building and the Premises to the condition at least equal to that existing immediately prior to said damage. In connection therewith, Landlord shall use any such insurance proceeds for such purpose, together with any insurance proceeds received by Tenant by reason of insurance on improvements made by it in excess of the actual amount needed to replace or restore Tenant's improvements, fixtures and equipment, provided that any such proceeds received by Tenant shall be used only for the replacement or restoration of Tenant's improvements, fixtures and equipment. If, by reason of

the provisions of any mortgage or deed of trust executed by Landlord encumbering the Building, insurance proceeds are required to be made payable to the lienholder and/or the policies of insurance placed in its custody, Tenant hereby consents thereto, provided that the lienholder in question shall first agree in writing with Landlord to make the proceeds of said insurance available for the repair and restoration of the Building.

10.2. Major Damage. For purposes of this Article 10, "major damage" to the Building resulting from fire, earthquake or any other casualty or peril is defined as damage to such extent that the estimated cost of full repair of such damage is greater than fifty percent (50%) of the then full replacement value of the Building as required for purposes of the then existing insurance policies provided for in Article 9. Any other damage to the Building from any such casualty or risks shall be deemed to be "non-major."

10.3. Tenant's Option to Terminate in Certain Events. If during the Lease Term the Building or any portion thereof receives damage to such an extent that the cost to repair the damage exceeds twenty percent (20%) of the then full replacement value of the Building and the effect of which is to render the Premises untenable, in Tenant's opinion, for continued occupancy for a period of two hundred forty (240) days or more, then Tenant shall have the option to terminate this Lease upon thirty (30) days' notice to Landlord.

10.4. Landlord's Option to Terminate in Event of Major Damage to Building. If during the Lease Term the Building or any portion thereof receives major damage, Landlord shall have the option to terminate this Lease on sixty (60) days' written notice to Tenant, provided that Landlord also terminates the leases of all other tenants of the Building, in which event proration of Rent shall be made to be effective upon the date of such major damage, and Landlord shall have no further obligations to Tenant.

10.5. Proration. In the event of termination pursuant to the provisions of this Article 10, Tenant shall surrender to Landlord possession of the Premises and shall pay to Landlord any Rent hereunder accruing to the date of such damage.

10.6. Abatement of Rent. In the event that after any damage or destruction this Lease is not terminated in accordance with its provisions, Rent shall be equitably prorated and abated during the period commencing with the date of the casualty and continuing until such repairs are completed in the proportion that the Rent of the part usable by Tenant for the normal operation of Tenant's business on the Premises bears to the rental of the total space then leased by Tenant, taking into consideration the rental rate per Rentable Square Foot for the space for which the proration is made and any adverse effects and disruptions to Tenant's business caused during the period of such repairs.

## ARTICLE 11

## EMINENT DOMAIN

11.1. Appropriation. In the event of any taking of or damage to all or any part of the Building or Premises, including any interest therein or appurtenant thereto, by reason of any exercise of the power of eminent domain, whether by a condemnation proceeding, inverse condemnation or otherwise, or in the event of any transfer, conveyance, or sale of all or any part of the Building or Premises, including any interest therein, or appurtenant thereto made in lieu of an exercise of the power of eminent domain (all of the foregoing being hereinafter referred to as "appropriation") prior to or during the Lease Term, the rights and obligations of Landlord and Tenant with respect to such appropriation, each time there is an instance of such appropriation, shall be governed by the provisions of this Article 11.

11.2. Date of Appropriation. For the purposes of this Article 11, the date of appropriation shall be the date upon which the condemning authority takes possession of all or any part of the Building or any interest therein or appurtenant thereto, or the date upon which Tenant is required by the condemning authority to commence vacating the Premises or any portion thereof, or any interest therein or appurtenant thereto, as a result of such appropriation, whichever date shall first occur.

11.3. Appropriation of All of the Building. In the event of appropriation of all of the Building, this Lease, subject to all provisions of this Article 11 pertaining to payments to be made, shall terminate as of the date of such appropriation.

11.4. Appropriation of Less Than All of the Building or Premises.

11.4.1. General Provisions. Except as provided in this Section 11.4, in the event of appropriation of less than all of the Building or of the Premises, this Lease shall continue in full force and effect, except that, as to the portion of the Premises so appropriated, this Lease shall terminate as of the date of appropriation.

11.4.2. Right to Terminate.

(i) If the appropriation shall render the Premises unavailable or unsuitable, in Tenant's sole opinion, to continue Tenant's normal use of the Premises, Tenant shall have the right to terminate this Lease. Exercise of such right by Tenant shall be made by written notice to Landlord on or before thirty (30) days after the date of Tenant's receipt of written notice of appropriation. Any such termination shall be effective as of the date of the appropriation.

(ii) Subject to the provisions of Section 11.4.5, in the event that fifty percent (50%) or more of the rentable area of the Building (as it existed on the date of the appropriation) should become untenanted or unoccupied because the appropriation renders such space unavailable or untenanted, Landlord shall have the right to terminate this Lease, provided that Landlord also terminates the leases of all other tenants of the Building. Exercise of such right

shall be made by notice to Tenant on or before thirty (30) days after the date of receipt of notice of appropriation.

11.4.3. Abatement of Rent. The Rent for the remainder of the Lease Term shall be prorated in the same proportion that part of the Premises usable by Tenant for the normal operation of its business bears to the total Premises immediately prior to the appropriation, taking into consideration the Lease rental rate per Rentable Square Foot for the space for which the proration is made. Rent shall also be abated for any portion of the Premises that is not appropriated but is rendered temporarily unusable by virtue of repairs or restoration necessitated by the appropriation of other space.

11.4.4. Restoration of Premises by Landlord. If this Lease is not terminated pursuant to Section 11.4.2 and subject to Section 11.4.5, Landlord will make any restoration of the remainder of the Building and the Premises necessitated by reason of the appropriation of less than all of the Building as promptly as reasonably practicable to as close to the same condition (as circumstances permit) as existed immediately prior to such appropriation.

11.4.5. Restoration of Premises with Tenant Funds. If Landlord would otherwise have the right to terminate this Lease pursuant to Section 11.4.2(ii), Landlord shall not have the right to terminate this Lease if Tenant, within thirty (30) days after receipt of notice from Landlord that Landlord has elected to terminate this Lease pursuant to Section 11.4.2(ii), notifies Landlord that Tenant desires to have the Building, or so much thereof as may be necessary to constitute a complete architectural unit, restored to a condition which will provide Tenant with suitable facilities in Tenant's sole opinion for its continued use of the Premises and that Tenant will supply any additional funds, if any, that may be necessary, in addition to the net amount of the award paid to Landlord under the provisions of Section 11.6, including severance damages (without offset for special benefits) after first deducting any and all amounts which constitute Tenant's share of the award pursuant to Section 11.6. In such event, Tenant and Landlord shall each agree upon the plans and specifications for such rebuilding, the cost thereof, and the method by which Tenant shall supply to Landlord the additional funds necessary for such rebuilding, and the Rent payable by Tenant shall be equitably reduced in accordance with its contribution of additional funds toward such rebuilding by amortizing such contribution over the then remaining Lease Term. If Landlord and Tenant are unable to agree on any aspect of such rebuilding, the matter shall be submitted to arbitration in accordance with the provisions of Article 23.

11.5. Amounts Payable by Reason of Termination. If this Lease is terminated pursuant to Section 11.4.2, the entire award (less any amounts separately awarded to Tenant under subsections (1) through (6) below, and less the reasonable expenses of Landlord and Tenant incurred in such appropriation proceedings which shall be paid to Landlord or Tenant, as applicable) made with respect to the appropriation shall be paid to Landlord; provided, however,

Tenant and its representative shall have the right to participate in any negotiations with respect to the amount or allocation of such award. Payment from the award shall be made first to the senior mortgage holder on the Building in an amount necessary to repay its security interest and then Tenant shall have the right to make a separate claim in the condemnation proceedings and to share in the aggregate award which is paid by the condemner or awarded by the court specifically for: (1) the fair market value of the unexpired portion of the Lease Term (including the option to lease additional space pursuant to Section 1.4.2 and the options to extend the Lease Term pursuant to Section 2.5, as if all such options were fully exercised by Tenant and including Tenant's right to terminate as set forth in Section 2.6) in excess of the Rent provided for herein, exclusive of any immovable trade fixtures or improvements; plus (2) any severance damages attributable to the unexpired Lease Term; plus (3) the taking of the unamortized or undepreciated value of any leasehold improvements owned by Tenant that Tenant has the right to remove at the end of the Lease Term and that Tenant elects not to remove; plus (4) reasonable removal and relocation costs for any leasehold improvements that Tenant has the right to remove and elects to remove (if condemner approves the removal); plus (5) relocation costs under Government Code section 7262, the claim for which Tenant may pursue by separate action independent of this Lease; plus (6) any other amount in addition to the foregoing that does not reduce the amount of the award payable to the Landlord.

11.6. Damages if Lease Not Terminated. In the event of any appropriation of less than all of the Building or the Premises, if this Lease is not terminated pursuant to provisions of Section 11.4.2, the entire award made with respect to the appropriation shall be paid to Landlord; provided, however, Tenant and its representatives shall have the right to participate in any negotiations with respect to the amount or allocation of such award. All of such award shall be used first to reimburse Landlord and Tenant for costs incurred in such appropriation proceedings, then shall be used to repair or restore the Building as provided in this Article 11, and any remaining balance shall be allocated between Landlord and Tenant pro rata in accordance with Section 11.5.

11.7. Interest. Tenant shall be entitled to the share of any interest paid on any award to the extent the same is allocable to the amounts to which Tenant is entitled.

11.8. Abatement of Monetary Obligations of Tenant. In addition to any other abatement provided for in this Lease, all monetary obligations of Tenant hereunder shall be abated in an equitable amount based upon the interference with Tenant's normal business operations at the Premises commencing with the date of the appropriation and continuing during the period of any restoration and, in addition, for the remainder of the Lease Term to the extent that the Premises are not fully restored.

11.9. Proration and Refund of Payments. If this Lease is terminated pursuant to this Article 11, the Rent shall be prorated to the date of termination. Landlord shall repay to Tenant

any Rent paid by Tenant for any period beyond the date of termination to the extent same is in excess of amounts then owed by Tenant to Landlord.

11.10. Date of Payments. All payments due Tenant from Landlord by reason of an appropriation shall be paid to Tenant without prior notice or demand and on or before the expiration of a period of ten (10) days from the date on which the amount of the award is finally determined and Landlord obtains, or has the right to obtain, whichever shall first occur, such award. If Landlord shall fail to make any such payments to Tenant on or before the expiration of such ten (10) day period, in addition to any and all other remedies available to Tenant under this Lease or otherwise, Landlord shall be obligated to pay interest to Tenant on the unpaid amount of such payments at the maximum rate permitted by law.

12.4 Certified Access Specialist Disclosure. Pursuant to California Civil Code Section 1938, the subject property has been inspected by a "Certified Access Specialist," Miyaki Access Specialist, as addressed in its report dated September 9, 2020.

## ARTICLE 13

### SURRENDER

Tenant covenants that on the last day of the term or on the last day of a renewal or extension of this Lease, it will peaceably and quietly leave and surrender the Premises in as good condition as they now are, ordinary wear and tear, repairs and replacements required to be made by Landlord, loss by fire, casualty and causes beyond Tenant's control, and alterations, additions and improvements herein permitted, excepted.

#### ARTICLE 14

#### SUBORDINATION<sup>1</sup>

This Lease may, at the option of Landlord, be made subordinate to any first mortgage or first deed of trust now or hereafter placed upon or affecting the real property of which the Premises form a part, and to all renewals, modifications, replacements and extensions thereof; provided that as a condition of such subordination, and only if: (a) such mortgage or deed of trust shall contain a covenant which shall permit the proceeds of all insurance policies covering the Building, improvements, equipment and/or appurtenances thereto, whether such proceeds are to be held by Landlord or the first mortgagee or beneficiary, to be paid and/or made available for repair, replacement and rebuilding as provided in this Lease; and (b) a separate written agreement is entered into by the mortgagee named in any such mortgage, or by the trustee and the beneficiary named in any such deed of trust, and is recorded simultaneously with said mortgage or deed of trust, providing that notwithstanding any default in the mortgage or deed of trust and any foreclosure thereof, or the enforcement by the holder thereof of any rights or remedies, including sale thereunder, or otherwise, this Lease shall be recognized, remain in full force and effect, and the Tenant shall be permitted to remain in quiet and peaceful possession of the Premises throughout the term thereof, and any extension or renewal thereof, as long as Tenant shall not be in default under this Lease, or, if Tenant is in such default, as long as Tenant's time to cure such default shall not have expired. Such agreements shall be materially in the forms of **Exhibit J** attached hereto. If Tenant has received the nondisturbance agreement and estoppel certificate in the form(s) attached hereto as **Exhibit J**, Tenant shall, within thirty (30) days after Landlord's request, execute any further instruments or assurances in recordable form that Landlord reasonably considers necessary to evidence or confirm the subordination or superiority of this Lease to any such encumbrances or underlying leases. Such subordination instrument(s) shall be strictly limited to matters contained in the nondisturbance agreement and estoppel certificate, and no such instruments may increase any of Tenant's obligations or decrease any of Tenant's rights under this Lease. Tenant's failure to execute and deliver such instrument(s) shall constitute a default under this Lease only if Landlord has first delivered the nondisturbance agreement and estoppel certificate required hereunder to Tenant.

17.8 Survival. Landlord's and Tenant's indemnification obligations under Section 17.6 and 17.7 above shall survive the expiration or sooner termination of this Lease.

17.10 Clean-Up. If Landlord is responsible for the clean-up of any contamination of the Premises, the Building or the Real Property, Landlord shall carry out and complete, at its own cost and expense, any repair, closure, detoxification, decontamination, or other cleanup of the Premises, the Building or the Real Property required by Hazardous Substance Laws. ### DEFAULTS; REMEDIES

20.1 Landlord's Default. Landlord shall be in default of this Lease if Landlord fails or refuses to perform any provisions of this Lease that Landlord is obligated to perform if the failure to perform is not cured within thirty (30) days after notice of default has been given by Tenant to Landlord, or such shorter period if specified in this Lease. If the default cannot reasonably be cured within thirty (30) days, Landlord shall not be in default of this Lease if Landlord commences to cure the default within the thirty (30) day period and diligently and in good faith prosecutes such cure to completion.

20.2 Tenant's Remedies on Landlord's Default. Tenant, at any time after Landlord commits a material default, may terminate this Lease or may cure the default at Landlord's cost. If Tenant at any time, by reason of Landlord's default, pays any sum or does any act that requires the payment of any sum, the sum paid by Tenant shall be due from Landlord to Tenant within thirty (30) days of written notice that the sum was paid, and if paid at a later date shall bear interest at the maximum rate the Tenant is permitted by law to charge from the date the sum is paid by Tenant until Tenant is reimbursed by Landlord. If Landlord fails to reimburse Tenant as required by this paragraph, Tenant shall have the right to withhold from future Rent due the sum Tenant has paid until Tenant is reimbursed in full for the sum and interest on it. The remedies set forth in this Section 20.2 are in addition to and do not in any manner limit other remedies set forth in particular paragraphs of this Lease. In the event Landlord disputes that it is in default, Landlord

shall have the right to initiate an arbitration proceeding in accordance with Article 23 except that the arbitrator shall be appointed by the presiding judge of the Sonoma County Superior Court and once appointed each side shall have five (5) business days to submit written statements and supporting documents to the arbitrator.

20.3 Tenant's Default. The occurrence of any one or more of the following events shall constitute a default and breach of this Lease by Tenant:

(a) The vacating for more than thirty (30) consecutive days or abandonment of the Premises by Tenant;

(b) The failure by Tenant to observe any condition of this Lease related to the payment of Rent or other obligations hereunder, after Tenant has been provided notice and five (5) days in which to cure, provided that Landlord shall only be required to provide one (1) such notice and opportunity to cure during any twelve (12) month period.

(c) The failure by Tenant to observe or perform any of the covenants, conditions or provisions of this Lease to be observed or performed by Tenant, not related to a payment of Rent or other obligations hereunder, where such failure shall continue for a period of thirty (30) days after written notice is given by Landlord to Tenant; provided, however, that if the nature of Tenant's default is such that more than thirty (30) days are reasonably required for its cure, then Tenant shall not be deemed to be in default if Tenant commences such cure within said thirty(30) day period and thereafter diligently prosecutes such cure to completion. The purpose of this notice requirement is to extend the notice requirements of the unlawful detainer statutes of California.

20.4 Landlord's Remedies on Tenant's Default. In the event of any default by Tenant which is not cured by Tenant, Landlord may terminate this Lease by giving Tenant thirty (30) days' notice of termination. The purpose of this notice requirement is to extend the notice requirement of the unlawful detainer statutes of California. On termination of the Lease for default pursuant to this Section 20.4, Landlord shall have the right to recover from Tenant only the following amounts for any and all damages which may be the direct or indirect result of such default:

(a) The worth, at the time of the award, of the unpaid Rent that has been earned at the time of termination of this Lease;

(b) The worth, at the time of the award, of the amount by which the unpaid Rent that would have been earned after the date of termination of this Lease until the time of award exceeds the amount of the loss of Rent that Landlord proves could not have been reasonably avoided;

(c) The worth, at the time of the award, of the amount by which the unpaid Rent for the balance of the term after the time of award exceeds the amount of the loss of Rent that Landlord proves could not have been reasonably avoided; and

(d) Any other amount, and court costs, necessary to compensate Landlord for all detriment proximately caused by Tenant's default which Landlord proves could not have been reasonably avoided;

(e) Landlord shall have the option provided in Civil Code section 1951.4, which provides that, when a tenant has the right to sublet or assign (subject to reasonable limitations), the landlord may continue the lease in effect after the tenant's breach and/or abandonment and recover rent as it becomes due. Accordingly, if Landlord does not elect to terminate the Lease on account of any default by Tenant, Landlord may enforce all of Landlord's rights and remedies under this Lease, including the right to recover all Rent as it becomes due.

"The worth, at the time of the award," as used in "(a)" and "(b)" of this Section 20.4 , is to be computed by allowing interest at the maximum rate an individual is permitted by law to charge. Until replaced upon written notice, Landlord's Representative and Tenant's Representative will have the full authority and responsibility to act on behalf of Landlord and Tenant, respectively, as required in this LIA, but shall have no right to modify this LIA or the Lease or to waive any material right of his or her principal under this LIA.

## ARTICLE III

### CONTRACT DOCUMENTS AND PERMITS

3.1 Retention of Architect, Design Process and Delivery of Tenant's Design Requirements. Landlord shall retain the Architect to prepare the plans and specifications for the Leasehold Improvements in accordance with the Design Process and Tenant's Design Requirements. Landlord shall also retain the HVAC Engineer to prepare the Engineered Plans in accordance with the Design Process and Tenant's Design Requirements.

3.2 Preparation and Approval of Final Plans. Landlord shall cause the Architect to prepare proposed Final Plans (which Final Plans shall include, but not by way of limitation, the Engineered Plans) which shall conform to Tenant's Design Requirements, on or before the last date specified in the Design Schedule for completion of such items. Tenant shall review the Final Plans and deliver to Landlord Tenant's written approval or disapproval of the Final Plans within the time limits stated in the Design Schedule. If Tenant disapproves in any respect the Final Plans, the parties shall confer and negotiate in good faith to reach written agreement on such item(s), using all reasonable efforts to achieve final agreement on such item(s) by the last date for agreement specified in the Design Schedule. Tenant agrees to work closely with the Architect to value engineer the proposed Final Plans, provided, however, that, such value engineering shall not compromise Tenant's Design Requirements.

3.3 Standards for Consent. Tenant shall not unreasonably withhold its approval of the Final Plans, unless the Final Plans do not conform to the Tenant's Design Requirements or unless the Leasehold Improvements are unsuitable for the conduct of Tenant's business. Any disapproval by Tenant

shall be accompanied by a written statement of the disapproved item, the reasons for disapproval, and the specific changes required to make the Final Plans acceptable. If Tenant's written notice of disapproval is not delivered in accordance with the time limits and standards set forth in this section, approval shall be deemed given.

3.4 Application for Approvals. When Tenant approves the Final Plans, Landlord shall submit them to all appropriate governmental agencies and third parties for issuance of the Permits required for the construction of the Leasehold Improvements and occupancy by Tenant of the Premises for its intended use. Landlord shall use all reasonable efforts to obtain the Permits within the time permitted by the Design Schedule.

3.5 Changes to Construction Documents. After being approved by Tenant in accordance with the foregoing, the Final Plans established in accordance with Article III, may be modified only by a written "Change Order" executed by Landlord and Tenant, which clearly describes: (a) the change; (b) the party required to perform the change; (c) any modification of the Final Plans necessitated by the Change Order; and (d) the cost or credit to Tenant, if any, of the Change Order. Neither Landlord nor Tenant shall unreasonably withhold or delay its approval of any Change Order (whether requested by a party or required by Law and Orders).

## ARTICLE IV

### PERFORMANCE OF THE WORK

4.1 Selection of Contractors. When Tenant has approved the Final Plans and Landlord has obtained the Permits required for construction of the Leasehold Improvements, Landlord shall cause the General Contractor to prepare and circulate an appropriate bid package for bidding by the various subcontractors (the "Contractors"). When the bids are received and approved by Landlord and Tenant, Landlord shall enter into a guaranteed maximum cost construction contract with the General Contractor based on the lowest qualified subcontract bids selected by Landlord, and approved by Tenant and General Contractor. No Contractor shall have any direct right or remedy against Tenant for payment of any sum or performance of any obligation with respect to the Leasehold Improvements.

4.2 Commencement and Completion of Leasehold Improvements. When all Permits for construction of the Leasehold Improvements have been obtained and Landlord and the General Contractor have entered into a construction contract in accordance with Section 4.1 above, Landlord shall cause the General Contractor to commence and to thereafter diligently prosecute the construction of the Leasehold Improvements in accordance with the Permits and the Final Plans, so that the Leasehold Improvements will be Substantially Completed on or before the Scheduled Completion Date. Landlord shall comply with the applicable provisions of California Labor Code Sections 1720.2 and 1770 et seq., regarding general prevailing wages.

4.3 Tenant's Entry. Landlord shall notify Tenant when the Leasehold Improvements are Substantially Completed and shall permit Tenant's contractors to enter into the Premises for the purpose of conducting Tenant's Work. Tenant and Landlord shall cooperate in good faith to schedule, coordinate, and perform their respective construction activities in an orderly manner and Tenant shall comply, and shall cause its contractors to comply, with all reasonable rules and regulations promulgated in writing by Landlord and provided to Tenant for the performance of Tenant's Work in the Premises.

4.4 Standards for Performance of the Work. Landlord shall cause the Leasehold Improvements to be constructed by well-trained, adequately supervised workers, in a good and workmanlike manner, free from design, material and workmanship defects in accordance with all Construction Documents and all Laws and Orders. Notwithstanding anything stated to the contrary in the Lease or this LIA, Tenant's acceptance of possession of the Leasehold Improvements shall not waive

this warranty and Landlord shall promptly remedy all violations of the warranty at its sole cost and expense.

## ARTICLE V

### COMPLETION OF THE WORK

5.1 Substantial Completion. Landlord's Work shall be deemed "Substantially Complete" when: (a) construction of the Leasehold Improvements has been substantially completed in accordance with the Final Plans, the Permits, and Laws and Orders; (b) the Architect has certified that the Leasehold Improvements have been constructed in accordance with the Final Plans; (c) Landlord's Representative and Tenant's Representative agree that all work has been substantially performed, such agreement not to be unreasonably withheld; (d) there is no incomplete or defective work that unreasonably interferes with Tenant's use of the Premises; (e) the Leasehold Improvements are ready for occupancy by Tenant (including a Certificate of Occupancy) except for the completion of Tenant's Work; and (f) all utilities are hooked up and available for use by Tenant in the Premises. The Substantial Completion Date shall not occur until the Leasehold Improvements are Substantially Completed and Tenant has had at least thirty (30) calendar days to complete Tenant's Work.

5.2 Inspection and Punchlist. Tenant's Representative and Designers shall have the right to enter the Premises at all reasonable times for the purpose of inspecting the progress of construction of the Leasehold Improvements. Landlord shall notify Tenant's Representative when the Leasehold Improvements are Substantially Completed. On receipt of such notice, Tenant's Representative, Landlord's Representative, and the Architect shall inspect the Leasehold Improvements and prepare a written list of any items that are defective, incomplete, or do not conform to the Final Plans or the Permits and Laws and Orders (the "Punchlist"). Tenant may augment the Punchlist at any time on or before sixty (60) days following the Substantial Completion Date. Tenant's failure to specify any item on the Punchlist, however, shall not waive Landlord's obligation to construct the Leasehold Improvements in accordance with this LIA. Landlord shall cause all Punchlist items to be remedied within sixty (60) days after the Substantial Completion Date.

5.3 Delay in Substantial Completion. If the Substantial Completion of the Leasehold Improvements is delayed, the provisions of Sections 2.3 and 2.4 of the Lease shall govern.

## ARTICLE VI

### PAYMENT OF CONSTRUCTION COSTS

6.1 Duty to Pay Construction Costs. The Leasehold Improvements shall be completed at the sole expense of Landlord, without reimbursement by Tenant, except as Tenant and Landlord may otherwise agree in writing after the date of this LIA. Tenant shall bear all costs of performing Tenant's Work..

6.2 Notice of Non-responsibility. Landlord shall provide Tenant with at least ten (10) days' prior written notice of the date of commencement of construction of the Leasehold Improvements, in order to permit Tenant to post, file, and record such Notices of Non-Responsibility and other instruments as may be necessary to protect Tenant and its property from claims by Contractors for Construction Costs that are to be paid by Landlord pursuant to this LIA.

## ARTICLE VII

### RISK OF LOSS

7.1 Builder's Risk Insurance. At all times prior to the Substantial Completion Date, Landlord shall maintain, or cause the General Contractor to maintain, so-called contingent liability and broad form "builder's risk" insurance with coverage in an amount equal to the replacement cost of the Premises and the Leasehold Improvements to be constructed pursuant to this LIA.

7.2 Casualty. If the Premises or any portion of the Leasehold Improvements are damaged or destroyed prior to the Substantial Completion Date, the parties shall have the following rights to terminate the Lease:

a. Tenant may terminate the Lease, if (in the reasonable opinion of the Architect) the building cannot be restored and the Leasehold Improvements Substantially Completed prior to one hundred twenty (120) days after the Scheduled Completion Date.

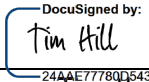

b. If the Lease is so terminated, Landlord shall be entitled to the proceeds of the builder's risk insurance specified in Section 7.1.

c. If the Premises or the Leasehold Improvements are damaged or destroyed prior to the Substantial Completion Date and the Lease is not terminated pursuant to this section, Landlord shall promptly and diligently cause the General Contractor to restore the Premises and complete the construction of the Leasehold Improvements.
