RE: Request for exception of pole removal at Osmosis Day Spa, 209 Bohemian Hwy.

Dear Mr. Hoevertsz:

This is an AT&T pole (Pole 4-1), that we are requesting remains in its current location. AT&T maintains and will continue to maintain this pole. We discovered that this pole was inside the district as plotted on the joint trench composite plans.

This request is to avoid any further disruption to this property.

Respectfully,

Casey Hailey
