**Resolution Of The Board Of Supervisors Of The County Of Sonoma, State Of California,
Approving The Application For Grant Funds From The Wildlife Conservation Board For The
Mark West Creek Regional Parks Restoration Planning Project.**

WHEREAS funds were made available to the Wildlife Conservation Board for the enhancement or restoration of fish and wildlife habitat and for the development of public access facilities for hunting, fishing, or other wildlife-oriented recreational uses.

WHEREAS Sonoma County Regional Parks intends to plan and design implementation projects at Mark West Creek Regional Park to benefit the health and function of the Mark West Creek watershed through improved water quality, enhanced streamflow, improved fish passage, and enhanced habitat for salmonids, including endangered coho salmon.

NOW, THEREFORE, BE IT RESOLVED that the County of Sonoma hereby:

1. Approves the filing of an application for funding from the Wildlife Conservation Board; and
2. Certifies that said Applicant will comply with all federal, state and local environmental, public health, and other appropriate laws and regulations applicable to the project and will obtain or will ensure that the other project partners obtain all appropriate permits applicable to the project; and
3. Further commits to the terms and conditions specified in the grant agreement; and
4. Appoints the Director of Regional Parks or designee as representative(s) of the County of Sonoma to conduct negotiations, execute, submit and sign all documents including but not limited to applications, agreements, amendments, payment requests, and other documents which may be necessary for the completion of the proposed project.
