**Resolution Of The Board Of Supervisors Of The County Of Sonoma, State Of California,
Authorizing the extension of the Dominion contract from June 30, 2026 to June 30, 2029.**

Whereas, the Board of Supervisors authorized the purchase of the Dominion Voting Systems.

Whereas, the Board of Supervisors has approved the change of voting model to the Voter's Choice Act (VCA).

Whereas, it is necessary to acquire an additional 10 ICX machines to conduct the VCA model of elections.

Whereas, the Board of Supervisors finds it is justified to extend the existing services contract with Dominion because continuity of service is beneficial and less costly to the County; the extension will allow continued use of existing equipment, software, and staff knowledge and experience; and, it would be disadvantageous and unavailing to change election systems.

Now, Therefore, Be It Resolved that the Clerk-Recorder-Assessor-Registrar of Voters is hereby authorized to extend the current contract with Dominion Voting Systems, Inc. from June 30, 2026 to June 30, 2029.
