Environmental Justice Element into General Plan 2020 that will include new goals, policies, and implementation measures to reduce unique or compounded health risks, prioritize improvements and resource access, and improve civic engagement in the public decision-making process. Env. Doc: Permit Sonoma has determined that the proposed amendments to Chapter

26 to implement Housing Element program 15g are consistent with

development density analyzed in the 2020 General Plan EIR and exempt from further CEQA review per Section 15183 of the CEQA Guidelines. Proposed

amendments for Employee Housing Act compliance are considered

administrative updates to implement and remain consistent with provisions

of state law that will not result in direct or indirect changes in the

environment, and are therefore not a project subject to CEQA pursuant to

Section 15378 of the CEQA Guidelines.

Proposal: The Sonoma County Planning Commission will conduct a public hearing to

consider a recommendation to the Board of Supervisors on a proposed ordinance amending Sonoma County Code Chapters 26 (Zoning Regulations), 30, 40A, and 40D relating to agricultural employee housing allowances to comply with the state Employee Housing Act (Cal. Health & Safety Code, Div. 13, Pt. 1). Additional amendments are proposed to implement Program 15g of the 2023-2031 Housing Element to reduce criteria thresholds for agricultural

employee dwelling units under Zoning Code Section 26-24-040.

Recommended

Action: Staff recommends that the Planning Commission adopt a resolution

recommending that the Board of Supervisors amend the text of the Sonoma County Municipal Code for consistency with the California Employee Housing

Act and the adopted 2023-2031 Housing Element.
