

ORDINANCE NO. ()

AN ORDINANCE OF THE BOARD OF SUPERVISORS OF THE COUNTY OF SONOMA, STATE OF CALIFORNIA, AMENDING THE OFFICIAL ZONING DATABASE FOR SELECT PARCELS TO ALIGN FLOODWAY AND FLOODPLAIN COMBINING DISTRICT BOUNDARIES WITH UPDATED FLOOD HAZARD MAPS FROM THE FEDERAL EMERGENCY MANAGEMENT AGENCY

The Board of Supervisors of the County of Sonoma, State of California, ordains as follows:

Section I. The Official Zoning Database of the County, adopted by reference in Section 26-02-110 of the Sonoma County Code, is hereby amended to reclassify specified real property as set forth in Exhibit A, attached hereto and incorporated herein by this reference. The Director of the Permit and Resource Management Department is directed to reflect these amendments to the Official Zoning Database as adopted.

Section II. The amendments to the Official Zoning Database adopted pursuant to Section I herein, set forth in Exhibit A, are adopted to align Floodway (F1) and Floodplain (F2) Combining District boundaries with updated Federal Emergency Management Agency (FEMA) maps through parcel rezoning.

Amendments to the Official Zoning Database that are adopted pursuant to Section I and as set forth in Exhibit A, to modify combining district boundaries are exempt from the California Environmental Quality Act under CEQA Guidelines Section 15268 for ministerial projects. Updates to the F1 and F2 Combining District boundaries are directed by County code and therefore ministerial and statutorily exempt. The zone changes are further exempt under CEQA Guidelines Section 15061(b) because it can be seen with certainty that there is no possibility that the project may have a significant effect on the environment because the proposed amendments to the Official Zoning Database will only update flood hazard area mapping to reflect FEMA updated Flood Insurance Rate Maps. No change in the physical environment would result because no development is proposed as part of the adjustments to zoning combining districts, and because the amendments only implement the existing updated regulations. These updates are needed to ensure the accuracy and reliability of the Official Zoning Database and other zoning information.

Section III. If any section, subsection, sentence, clause, or phrase of this Ordinance is for any reason held to be unconstitutional or invalid, such decision shall not affect the validity of the remaining portion of this Ordinance. The Board of Supervisors hereby declares that it would have passed this Ordinance and every section, subsection, sentence, clause or phrase thereof irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared unconstitutional or invalid.

Section IV. This Ordinance shall be and the same is hereby declared to be in full force and effect from and after thirty (30) days after the date of its passage and shall be published once before the expiration of fifteen (15) days after said passage, with the

names of the Supervisors voting for or against the same, in *The Press Democrat*, a newspaper of general circulation published in the County of Sonoma, State of California.

In regular session of the Board of Supervisors of the County of Sonoma, adopted this 14th day of January, 2025 on regular roll call of the members of said Board by the following vote:
