

Detention Alternatives - Electronic Monitoring Program (EMP)

1014.1 PURPOSE AND SCOPE

The Sonoma County Sheriff's Office offers qualified inmates/defendants the opportunity to participate in Detention Alternatives programs that allow them the privilege of serving their court-ordered sentence in a non-traditional manner. In lieu of incarceration, eligible inmates may be afforded the opportunity to continue their education and/or employment.

1014.1.1 DEFINITIONS

EMP - Electronic Monitoring Program

Inmate - For the purposes of this policy, an individual charged with and/or convicted of a crime.

1014.2 POLICY

It is the policy of the Sonoma County Sheriff's office that pre-trial inmates being held in lieu of bail may participate in the Electronic Monitoring Program if they meet the criteria and follow the rules.

1014.3 GENERAL INFORMATION

Pre-trial inmates being held in lieu of bail with no holds or outstanding warrants may participate in the Electronic Monitoring Program (EMP) if one of the following circumstances exist (1203.018 PC):

- (a) The inmate has been held in custody for at least 30 calendar days from the date of arraignment pending disposition of only misdemeanor charges.
- (b) The inmate has been held in custody for at least 60 calendar days from the date of arraignment.

Inmates sentenced to County jail time may voluntarily participate and be placed on the EMP for their entire sentence in lieu of confinement in the jail (1203.016 PC & 1203.017 PC) and shall receive any sentence reduction (good and work time credits) in accordance with the applicable sentencing structure.

Inmates who are involuntarily placed on the Electronic Monitoring Program shall receive any sentence reduction credits that they would have received had they served their sentence in jail.

As a condition of participation, the inmate shall give his/her consent and agree to comply with all applicable rules and regulations of the program in writing in order to participate in the program. For involuntary participation, all inmates shall be informed in writing that they shall comply with the rules and regulations of the program. The rules include, but are not limited to:

- (a) The inmate shall remain within the interior premises of his or her residence during the hours designated by the Sheriff's Office.

- (b) The inmate shall allow admittance to any person or agent designated by the Sheriff's Office into his or her residence at any time for the purposes of verifying the inmate's compliance with the conditions of the EMP.
- (c) The inmate shall agree to the use of electronic monitoring devices for the purpose of helping to verify his or her compliance with the rules and regulations of the EMP.
- (d) The inmate shall agree that the Sheriff's Office may, without further order of the Court, take the offender into custody to serve the balance of his/her sentence if:
 - 1. The monitoring devices are unable to perform their functions at the place of home detention.
 - 2. The inmate fails to remain in the place of detention as agreed.
 - 3. The inmate fails to meet the established criteria to remain in the program.

An inmate shall be eligible for participation in EMP if the Sheriff's Office concludes the inmate meets the criteria for EMP and the inmate's participation is consistent with the rules and regulations of the EMP. There is no requirement that the Sheriff's Office allow an inmate to participate in EMP if it appears that the inmate has not satisfactorily complied with the rules and regulations while in custody.

The EMP rules and regulations shall be given to every participating inmate. The Board of Supervisors and the Sheriff's Office shall review the EMP rules and regulations and the EMP administrative policy annually.

The Sheriff's Office shall have sole discretionary authority to permit program participation as an alternative to physical custody. All inmates removed from program participation, shall be notified in writing of the specific reasons for the denial or removal. The notice of denial or removal shall include the inmate's appeal rights.

At any time, the Court may restrict or deny the inmate's participation in the EMP.

The Sheriff's Office may approve a schedule for EMP inmates that includes but is not limited to seeking and retaining employment, attending counseling, educational or vocational training classes, or medical and dental appointments. Willful failure of the inmate to return to the designated place of detention or unauthorized departures from the designated place of detention is punishable pursuant to Penal Code section 4532, Escape.

EMP inmates are responsible for arranging their own healthcare and healthcare insurance. Once an inmate is released on EMP, the Sonoma County Sheriff's Office has no obligation to provide healthcare until or unless the inmate is returned to custody.

No fees may be collected from inmates who participate in the Sonoma County Sheriff's Office Electronic Monitoring Program.

Regarding inmates who participate in EMP voluntarily, and notwithstanding any other law, upon request of a local law enforcement agency with jurisdiction over the location where an EMP inmate is placed, the Sheriff's Office shall provide the following information about EMP inmates:
