

AGREEMENT FOR LAW ENFORCEMENT CANINE TRAINING SERVICES

This agreement ("Agreement"), dated as of July 1, 2022 ("Effective Date") is by and between the County of Sonoma, a political subdivision of the State of California (hereinafter "County"), and Golden Gate K9, LLC (hereinafter "Consultant"), a limited liability company authorized to operate in the State of California.

R E C I T A L S

WHEREAS, Consultant represents that it is duly qualified in the areas of training canines and canine handlers for law enforcement purposes; and

WHEREAS, in the judgment of the Sheriff-Coroner, it is necessary and desirable to employ the services of Consultant for the above stated purposes.

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants contained herein, the parties hereto agree as follows:

A G R E E M E N T

1. Scope of Services.

1.1 Consultant's Specified Services. Consultant shall perform canine training services pursuant to the terms and conditions described in Exhibit "A," attached hereto and incorporated herein by this reference (hereinafter "Scope of Work"), and within the times or by the dates provided for in Exhibit "A" and pursuant to Article 7, Prosecution of Work. Consultant shall prepare and complete the canine training evaluation forms attached hereto as Exhibit "B" at the conclusion of each monthly proficiency training session for each canine and handler unit trained pursuant to the Agreement. Consultant shall provide completed training evaluation forms attached hereto as Exhibit "C", Exhibit "D", and Exhibit "E" at the conclusion of each proficiency training session for each patrol master protection canine course, each narcotic/gun detection canine and handler, and each explosive detection canine and handler unit trained under this Agreement. In the event of a conflict between an exhibit and the body of this Agreement, the body of this Agreement shall control.

1.2 Cooperation With County. Consultant shall cooperate with County and County staff in the performance of all work hereunder.

1.3 Performance Standard. Consultant shall perform all work hereunder in a manner consistent with the level of competency and standard of care normally observed by a person practicing in Consultant's profession. County has relied upon the professional ability and training of Consultant as a material inducement to enter into this Agreement. Consultant hereby agrees to provide all services under this Agreement in accordance with generally accepted professional practices and standards of care, as well as the requirements of applicable federal, state and local laws, it being understood that acceptance of Consultant's work by County shall not operate as a waiver or release. If County determines that any of Consultant's work is not in

accordance with such level of competency and standard of care, County, in its sole discretion, shall have the right to do any or all of the following: (a) require Consultant to meet with County to review the quality of the work and resolve matters of concern; (b) require Consultant to repeat the work at no additional charge until it is satisfactory; (c) terminate this Agreement pursuant to the provisions of Article 4; or (d) pursue any and all other remedies at law or in equity.

1.4 Assigned Personnel.

- a. Consultant shall assign only competent personnel to perform work hereunder. In the event that at any time County, in its sole discretion, desires the removal of any person or persons assigned by Consultant to perform work hereunder, Consultant shall remove such person or persons immediately upon receiving written notice from County.
- b. Any and all persons identified in this Agreement or any exhibit hereto as the project manager, project team, or other professional performing work hereunder are deemed by County to be key personnel whose services were a material inducement to County to enter into this Agreement, and without whose services County would not have entered into this Agreement. Consultant shall not remove, replace, substitute, or otherwise change any key personnel without the prior written consent of County.
- c. In the event that any of Consultant's personnel assigned to perform services under this Agreement become unavailable due to resignation, sickness or other factors outside of Consultant's control, Consultant shall be responsible for timely provision of adequately qualified replacements.

2. Payment. For all services and incidental costs required hereunder, Consultant shall be paid in accordance with the rates set forth in Exhibit "F"; provided, however, that total payments to Consultant under this Agreement shall not exceed five hundred fifty thousand dollars (\$550,000) without prior written approval of County. Consultant shall submit its bills in arrears on a monthly basis in a form approved by County's Auditor and the Sheriff-Coroner. The bill[s] shall identify the services completed and the amount charged for each service or cost item. Expenses not expressly authorized by the Agreement shall not be reimbursed.

Unless otherwise noted in this Agreement, payments shall be made within the normal course of County business after presentation of an invoice in a form approved by the County for services performed. Payments shall be made only upon the satisfactory completion of the services as determined by the County.

Pursuant to California Revenue and Taxation code (R&TC) Section 18662, the County shall withhold seven percent of the income paid to Consultant for services performed within the State of California under this agreement, for payment and reporting to the California Franchise Tax Board, if Consultant does not qualify as: (1) a corporation with its principal place of business in California, (2) an LLC or Partnership with a permanent place of business in California, (3) a corporation/LLC or Partnership qualified to do business in California by the Secretary of State, or (4) an individual with a permanent residence in the State of California.

If Consultant does not qualify, County requires that a completed and signed Form 587 be provided by the Consultant in order for payments to be made. If Consultant is qualified, then the County requires a completed Form 590. Forms 587 and 590 remain valid for the duration of the Agreement provided there is no material change in facts. By signing either form, the Consultant agrees to promptly notify the County of any changes in the facts. Forms should be sent to the County pursuant to Article 12. To reduce the amount withheld, Consultant has the option to provide County with either a full or partial waiver from the State of California.

3. Term of Agreement. The term of this Agreement shall be from July 1, 2022 to June 30, 2025, with the option to extend for two additional one-year terms, unless terminated earlier in accordance with the provisions of Article 4 below.

4. Termination.

4.1 Termination Without Cause. Notwithstanding any other provision of this Agreement, at any time and without cause, either party shall have the right, in its sole discretion, to terminate this Agreement by giving 30 days written notice to the other party.

4.2 Termination for Cause. Notwithstanding any other provision of this Agreement, should Consultant fail to perform any of its obligations hereunder, within the time and in the manner herein provided, or otherwise violate any of the terms of this Agreement, County may immediately terminate this Agreement by giving Consultant written notice of such termination, stating the reason for termination.

4.3 Delivery of Work Product and Final Payment Upon Termination.

In the event of termination, Consultant, within 14 days following the date of termination, shall deliver to County all reports, materials and other data or documents, in whatever form or format, assembled or prepared by Consultant or Consultant's subcontractors, consultants, other agents in connection with this Agreement, and shall submit to County an invoice showing the services performed, hours worked, and copies of receipts for reimbursable expenses up to the date of termination.

4.4 Payment Upon Termination. Upon termination of this Agreement by County, Consultant shall be entitled to receive as full payment for all services satisfactorily rendered and expenses incurred hereunder, an amount which bears the same ratio to the total payment specified in the Agreement as the services satisfactorily rendered hereunder by Consultant bear to the total services otherwise required to be performed for such total payment; provided, however, that if services which have been satisfactorily rendered are to be paid on a per-hour or per-day basis, Consultant shall be entitled to receive as full payment an amount equal to the number of hours or days actually worked prior to the termination times the applicable hourly or daily rate; and further provided, however, that if County terminates the Agreement for cause pursuant to Section 4.2, County shall deduct from such amount the amount of damage, if any, sustained by County by virtue of the breach of the Agreement by Consultant.

4.5 Authority to Terminate. The Board of Supervisors has the authority to terminate this Agreement on behalf of the County. In addition, the Purchasing Agent or Sheriff-Coroner, in consultation with County Counsel, shall have the authority to terminate this Agreement on behalf of the County.

5. Indemnification. Consultant agrees to accept all responsibility for loss or damage to any person or entity, including County, and to indemnify, hold harmless, and release County, its officers, agents, and employees, from and against any actions, claims, damages, liabilities, disabilities, or expenses, that may be asserted by any person or entity, including Consultant, that arise out of, pertain to, or relate to Consultant's or its agents', employees', Consultants', subcontractors, or invitees' performance or obligations under this Agreement. Consultant agrees to provide a complete defense for any claim or action brought against County based upon a claim relating to such Consultant's or its agents', employees', Consultants', subcontractors, or invitees' performance or obligations under this Agreement. Consultant's obligations under this Section apply whether or not there is concurrent negligence on County's part, but to the extent required by law, excluding liability due to County's conduct. County shall have the right to select its legal counsel at Consultant's expense, subject to Consultant's approval, which shall not be unreasonably withheld. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for Consultant or its agents under workers' compensation acts, disability benefits acts, or other employee benefit acts.

6. Insurance. With respect to performance of work under this Agreement, Consultant shall maintain and shall require all of its subcontractors, consultants, and other agents to maintain, insurance as described in Exhibit "G", which is attached hereto and incorporated herein by this reference

7. Prosecution of Work. The execution of this Agreement shall constitute Consultant's authority to proceed immediately with the performance of this Agreement. Performance of the services hereunder shall be completed within the time required herein, provided, however, that if the performance is delayed by earthquake, flood, high water, or other Act of God or by strike, lockout, or similar labor disturbances, the time for Consultant's performance of this Agreement shall be extended by a number of days equal to the number of days Consultant has been delayed.

8. Extra or Changed Work. Extra or changed work or other changes to the Agreement may be authorized only by written amendment to this Agreement, signed by both parties. Minor changes, which do not exceed the delegated signature authority of the Sheriff-Coroner and which do not significantly change the scope of work or significantly lengthen time schedules may be executed by the Sheriff-Coroner in a form approved by County Counsel. The Board of Supervisors must authorize all other extra or changed work. The parties expressly recognize that, pursuant to Sonoma County Code Section 1-11, County personnel are without authorization to order extra or changed work or waive Agreement requirements. Failure of Consultant to secure such written authorization for extra or changed work shall constitute a waiver of any and all right to adjustment in the Agreement price or Agreement time due to such unauthorized work and thereafter Consultant shall be entitled to no compensation whatsoever for the performance of such work. Consultant further expressly waives any and all right or remedy by way of restitution and quantum meruit for any and all extra work performed without such express and prior written authorization of the County.

9. Representations of Consultant.

9.1 Standard of Care. County has relied upon the professional ability and training of Consultant as a material inducement to enter into this Agreement. Consultant hereby agrees that all its work will be performed and that its operations shall be conducted in accordance with generally accepted and applicable professional practices and standards as well as the requirements of applicable federal, state and local laws, it being understood that acceptance of Consultant's work by County shall not operate as a waiver or release.

9.2 Status of Consultant. The parties intend that Consultant, in performing the services specified herein, shall act as an independent Consultant and shall control the work and the manner in which it is performed. Consultant is not to be considered an agent or employee of County and is not entitled to participate in any pension plan, worker's compensation plan, insurance, bonus, or similar benefits County provides its employees. In the event County exercises its right to terminate this Agreement pursuant to Article 4, above, Consultant expressly agrees that it shall have no recourse or right of appeal under rules, regulations, ordinances, or laws applicable to employees.

9.3 No Suspension or Debarment. Consultant warrants that it is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in covered transactions by any federal department or agency. Consultant also warrants that it is not suspended or debarred from receiving federal funds as listed in the List of Parties Excluded from Federal Procurement or Non-procurement Programs issued by the General Services Administration. If the Consultant becomes debarred, Consultant has the obligation to inform the County.

9.4 Taxes. Consultant agrees to file federal and state tax returns and pay all applicable taxes on amounts paid pursuant to this Agreement and shall be solely liable and responsible to pay such taxes and other obligations, including, but not limited to, state and federal income and FICA taxes. Consultant agrees to indemnify and hold County harmless from any liability which it may incur to the United States or to the State of California as a consequence of Consultant's failure to pay, when due, all such taxes and obligations. In case County is audited for compliance regarding any withholding or other applicable taxes, Consultant agrees to furnish County with proof of payment of taxes on these earnings.

9.5 Records Maintenance. Consultant shall keep and maintain full and complete documentation and accounting records concerning all services performed that are compensable under this Agreement and shall make such documents and records available to County for inspection at any reasonable time. Consultant shall maintain such records for a period of four (4) years following completion of work hereunder.

9.6 Conflict of Interest. Consultant covenants that it presently has no interest and that it will not acquire any interest, direct or indirect, that represents a financial conflict of interest under

state law or that would otherwise conflict in any manner or degree with the performance of its services hereunder. Consultant further covenants that in the performance of this Agreement no person having any such interests shall be employed. In addition, if requested to do so by County, Consultant shall complete and file and shall require any other person doing work under this Agreement to complete and file a "Statement of Economic Interest" with County disclosing Consultant's or such other person's financial interests.

9.7 Statutory Compliance/Living Wage Ordinance. Consultant agrees to comply with all applicable federal, state and local laws, regulations, statutes and policies, including but not limited to the County of Sonoma Living Wage Ordinance, applicable to the services provided under this Agreement as they exist now and as they are changed, amended or modified during the term of this Agreement. Without limiting the generality of the foregoing, Consultant expressly acknowledges and agrees that this Agreement is subject to the provisions of Article XXVI of Chapter 2 of the Sonoma County Code, requiring payment of a living wage to covered employees. Noncompliance during the term of the Agreement will be considered a material breach and may result in termination of the Agreement or pursuit of other legal or administrative remedies.

9.8 Nondiscrimination. Without limiting any other provision hereunder, Consultant shall comply with all applicable federal, state, and local laws, rules, and regulations in regard to nondiscrimination in employment because of race, color, ancestry, national origin, religion, sex, marital status, age, medical condition, pregnancy, disability, sexual orientation or other prohibited basis, including without limitation, the County's Non-Discrimination Policy. All nondiscrimination rules or regulations required by law to be included in this Agreement are incorporated herein by this reference.

9.9 AIDS Discrimination. Consultant agrees to comply with the provisions of Chapter 19, Article II, of the Sonoma County Code prohibiting discrimination in housing, employment, and services because of AIDS or HIV infection during the term of this Agreement and any extensions of the term.

9.10 Assignment of Rights. Consultant assigns to County all rights throughout the world in perpetuity in the nature of copyright, trademark, patent, right to ideas, in and to all versions of the plans and specifications, if any, now or later prepared by Consultant in connection with this Agreement. Consultant agrees to take such actions as are necessary to protect the rights assigned to County in this Agreement, and to refrain from taking any action which would impair those rights. Consultant's responsibilities under this provision include, but are not limited to, placing proper notice of copyright on all versions of the plans and specifications as County may direct, and refraining from disclosing any versions of the plans and specifications to any third party without first obtaining written permission of County. Consultant shall not use or permit another to use the plans and specifications in connection with this or any other project without first obtaining written permission of County.

9.11 Ownership and Disclosure of Work Product. All reports, original drawings, graphics, plans, studies, and other data or documents ("documents"), in whatever form or format, assembled or prepared by Consultant or Consultant's subcontractors, consultants, and other agents in connection with this Agreement shall be the property of County. County shall be

entitled to immediate possession of such documents upon completion of the work pursuant to this Agreement. Upon expiration or termination of this Agreement, Consultant shall promptly deliver to County all such documents, which have not already been provided to County in such form or format, as County deems appropriate. Such documents shall be and will remain the property of County without restriction or limitation. Consultant may retain copies of the above-described documents but agrees not to disclose or discuss any information gathered, discovered, or generated in any way through this Agreement without the express written permission of County.

9.12 Authority. The undersigned hereby represents and warrants that he or she has authority to execute and deliver this Agreement on behalf of Consultant.

10. Demand for Assurance. Each party to this Agreement undertakes the obligation that the other's expectation of receiving due performance will not be impaired. When reasonable grounds for insecurity arise with respect to the performance of either party, the other may in writing demand adequate assurance of due performance and until such assurance is received may, if commercially reasonable, suspend any performance for which the agreed return has not been received. "Commercially reasonable" includes not only the conduct of a party with respect to performance under this Agreement, but also conduct with respect to other agreements with parties to this Agreement or others. After receipt of a justified demand, failure to provide within a reasonable time, but not exceeding thirty (30) days, such assurance of due performance as is adequate under the circumstances of the particular case is a repudiation of this Agreement. Acceptance of any improper delivery, service, or payment does not prejudice the aggrieved party's right to demand adequate assurance of future performance. Nothing in this Article limits County's right to terminate this Agreement pursuant to Article 4.

11. Assignment and Delegation. Neither party hereto shall assign, delegate, sublet, or transfer any interest in or duty under this Agreement without the prior written consent of the other, and no such transfer shall be of any force or effect whatsoever unless and until the other party shall have so consented.

12. Method and Place of Giving Notice, Submitting Bills and Making Payments. All notices, bills, and payments shall be made in writing and shall be given by personal delivery or by U.S. Mail or courier service. Notices, bills, and payments shall be addressed as follows:

1. On leash	<input type="checkbox"/>	<input type="checkbox"/>

At the "forward" direction of the evaluator, handlers will proceed ahead with their dogs at the "heel" position and at a slow, normal, and/or quick pace at the direction of the evaluator .On leash: Two right turns, Two left turns, Two about-turns, Two stop/sits

---------------------------------------	--------------------------	--------------------------

At the "forward" direction of the evaluator, handlers will proceed ahead with their dog sat the "heel" position and at a slow, normal, and/or quick pace at the direction of the evaluator. Off leash: Two right turns, Two left turns, Two about-turns, Two stop/sits

3. Down in Motion	<input type="checkbox"/>	<input type="checkbox"/>
--------------------------	--------------------------	--------------------------

While continuing forward at a quick pace, the handler will "down" the dog on the evaluator's command and continue to jog forward until reaching a designated point (at least 30 paces away). The handler will then turn and face the dog. At the evaluator's command, the handler will recall the dog to their location by means of voice and/or hand signal(s) to finish "heel" position.

4. Down From a Distance	<input type="checkbox"/>	<input type="checkbox"/>
--------------------------------	--------------------------	--------------------------

With the dog in stand/stay or sit/stay position: The handler, from a location at least 30 paces away, will face the dog, wait for the evaluator's command, then "down" the dog by means of voice and/or hand signals. The handler will then recall the dog upon the command of the evaluator.

1. Physical Contact	<input type="checkbox"/>	<input type="checkbox"/>
2. Release	<input type="checkbox"/>	<input type="checkbox"/>
3. Remains Under Control	<input type="checkbox"/>	<input type="checkbox"/>

The handler approaches an individual (agitator/decoy) standing nearby and initiates a field interview contact. After approximately 30 seconds the agitator/decoy suddenly physically assaults the handler. The dog should react to the attack by either of the following actions:

1. "Conditioned" defense of handler, no command given;
2. Respond when called upon by the handler's verbal command.

The dog will defend the handler by making physical contact with the agitator/decoy. The dog must disengage upon a verbal command by the handler. Upon release, the dog will remain under control of the handler.

Apprehension

Critical Tasks: Obedience and Control of K-9

Date	
Handler	K9
Evaluator	Evaluator's signature
Location	Equipment

Pass **Fail**

1. Apprehension Without Contact

Control Pursuit on command Call off without contact

The K-9 team will begin the exercise "off-leash" from a designated starting position. The handler will ensure that the dog remains with them and may hold the dog's collar if needed. Upon the evaluator's signal, a person acting as a "suspect" (agitator/decoy) will present himself visually at a reasonable distance (25-30 yards) from the K-9 team and begin running away. The handler will verbally order the "suspect" to stop. The "suspect" will ignore the order and continue flight. The handler will then send the dog in pursuit of the suspect and may join in the pursuit to ensure full view of the dog and "suspect." Allowing a reasonable distance (20-30 yards), the "suspect" will stop in mid-flight at the evaluator's command and stand still. When the dog is approximately half way to the decoy, the handler will verbally order the dog to abandon the apprehension. The dog must not physically contact the decoy after the "call off" command from the handler.

Pass **Fail**

2. Apprehension With Contact

Control Pursuit on command Contact Release

This exercise will duplicate the above procedure, except in this scenario the agitator/decoy will not stop and the handler will send the dog to pursue, contact, and apprehend the agitator/decoy. The handler may join in the pursuit. The dog will contact and control the agitator/decoy until called off by the handler. During the apprehension and on verbal command only from the handler, the dog will disengage the contact.

Control	<input type="checkbox"/>	
Locate	<input type="checkbox"/>	
Recognition	<input type="checkbox"/>	
Reasonable search time	<input type="checkbox"/>	

Upon command of the evaluator, the K-9 team will approach the designated search area on foot. At the handler's direction and command, the dog shall actively and independently search the test area until the decoy is located or the evaluator terminates the exercise. There should be a recognized signal ("alert") from the dog to the handler which indicates that the dog has located a hidden person. The handler must be able to interpret the dog's "alert" clearly enough to be able to inform the evaluator of the decoy's actual location. Once a handler has signaled the "alert" of their K-9 to the evaluator, the exercise is complete. The handler should demonstrate the ability to control the dog fully throughout all phases of the search.

1. Tactical Out Standing Position	<input type="checkbox"/>	<input type="checkbox"/>

Control	Contact on comand	Tactical Out	Release
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

The K-9 team will begin the exercise "off-leash" from a designated starting position. The handler will ensure that the dog remains with them and may hold the dog's collar/harness if needed. Upon the evaluator's signal, a standing person acting as a "suspect" (agitator/decoy) will agitate the K-9 Team. The handler will verbally order the "standing suspect" to stop. The "standing suspect" will ignore the order and continue to agitate. The handler will then send the dog for apprehension of the "standing suspect". The handler will then, using proper technique and within a reasonable time, Tactically Out (physically) remove the dog from the apprehension of the "standing suspect". The dog must disengage from the "standing suspect" in a reasonable amount of time and without further contact with the "standing suspect".

	Pass	Fail
2. Tactical Out Prone Position	<input type="checkbox"/>	<input type="checkbox"/>

Control	Contact on command	Tactical Out	Release
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

This exercise will duplicate the above procedure, except in this scenario the acting "suspect" (agitator/decoy) will be lying flat on stomach, face down on the ground. The handler will send the dog to contact, and apprehend the "prone suspect". The dog will contact and control the "prone suspect". The handler will then, using proper technique and within a reasonable time, Tactically Out (physically) remove the dog from the apprehension of the "prone suspect". The dog must disengage from the "prone suspect" in a reasonable amount of time and without further contact with the "prone suspect".
