### Agreements and Amendments history

#### **AGREEMENTS WITH CIRA**

##### Design and Implementation

On July 1, 2016, Sonoma Water and CIRA entered into an agreement in the amount of \$9,944,053 for system design and implementation services. Tasks under the agreement included the following: provide with install, start up, and operate the X-band and C-band radar systems; provide training on the radar systems; develop system software; and integrate applications to AQPI system. Services provided are eligible for reimbursement with grant funds.

A first amended agreement, approved by the Board on December 14, 2021, extended the term by two years to March 31, 2024, with no change to the agreement amount. A second amended agreement, approved by the General Manager of Sonoma Water on August 24, 2023, extended the term by one year to March 31, 2025, with no change to the agreement amount.

Under the third amended agreement, CIRA will continue to provide these services. The amended agreement extends the term by one year for a new end date of March 31, 2026, with no change to the agreement amount.

##### Travel Expenses

On July 1, 2016, Sonoma Water and CIRA entered into an agreement in the amount of \$153,000 to fund necessary travel by CIRA staff for radar site identification, environmental reviews, installation, deployment, and other activities related to the design and implementation of the AQPI Project. Travel expenses are not eligible for reimbursement under the grant program, therefore, a separate agreement for travel costs was established. Costs incurred by Sonoma Water under this agreement will be shared by local project partners including, but not limited to, San Francisco Public Utilities Commission, Santa Clara Valley Water District, East Bay Municipal Utility District, Alameda County Flood Control & Water Conservation District, Alameda County Water District, East Bay Dischargers Authority, Contra Costa County Flood Control and Water Conservation District, and the Bay Area Flood Protection Agencies Association.

A first amended agreement, approved by the Board on December 14, 2021, extended the term by two years to March 31, 2024, with no change to the agreement amount. A second amended agreement, approved by the General Manager of Sonoma Water on August 24, 2023, extended the term by one year to March 31, 2025, with no change to the agreement amount.

The third amended agreement extends the term by one year for a new end date of March 31, 2026, with no change to the agreement amount.

### **MOU WITH NOAA**

On August 17, 2017, Sonoma Water and NOAA entered into an MOU in the amount of \$6,596,159 for system integration and coordination. Tasks under the MOU, with NOAA acting as the technical lead, included the following: direct technical aspects of the AQPI Project in conjunction with the TAC, develop the AQPI system architecture, design and develop high-resolution and medium-range precipitation forecast products, integrate software systems, and develop a tailored AQPI user interface to display and deliver meteorological products.

A first amendment, approved by the Board on December 14, 2021, extended the term by two years to December 31, 2023, with no change to the agreement amount. A second amendment, approved by the Board on November 7, 2023, extended the term by one year to December 31, 2024, with no change to the agreement amount.

Under the third amendment, NOAA will continue to provide these services. The amendment extends the term by 15 months for a new end date of March 31, 2026, with no change to the agreement amount.

### **AGREEMENT WITH JENNIFER KREBS DBA JENNIFER KREBS ENVIRONMENTAL PLANNING**

On October 1, 2018, Sonoma Water and Jennifer Krebs dba Jennifer Krebs Environmental Planning (Consultant) entered into an agreement in the amount of \$250,000 for project coordination services. Tasks under the agreement included the following: meeting coordination, grant management assistance, siting and permitting assistance, and public outreach tasks.

A first amended agreement, approved by the Board on December 14, 2021, increased the agreement amount by \$100,000 for a new not-to-exceed total of \$350,000 and extended the agreement by 30 months to June 30, 2024. A second amended agreement, approved by the General Manager of Sonoma Water on September 5, 2023, extended the term by one year to June 30, 2025, with no change to the agreement amount.

The third amended agreement extends the term by one year for a new end date of June 30, 2026, with no change to the agreement amount.
