Measure O Behavioral Health and Homelessness Pathways to Sustainability Agreement Awards

Recommended Action:

- A) Authorize the County Executive Officer, or designee, to execute agreements with community partners listed in Attachment 1, using the sample agreement in Attachment 4 and based upon proposals selected through the Measure O Behavioral Health and Homelessness Pathways to Sustainability Notice of Funding Availability, for various terms up to three (3) years from the time of contract execution and a total cumulative not-to-exceed \$12,400,000, subject to review and approval by County Counsel.
- B) Authorize the County Executive Officer, or designee, to execute modifications to the agreements awarded in this Board Item in order to address increased/decreased service needs, subject to available funding and review and approval by County Counsel.
- C) Adopt a budget resolution authorizing budgetary adjustments to the Department of Health Services Fiscal Year 2025-2026 Adopted Budget by increasing appropriations in the amount of \$2,172,989 to reflect revenues and expenditures associated with the increased use of funds and increased cost of the program. (4/5th Required Vote)

Executive Summary:

The Department of Health Services (hereinafter, "the Department" or "DHS") released the Measure O Behavioral Health and Homelessness Pathways to Sustainability Notice of Funding Availability (NOFA) on August 6, 2025. The goal of this NOFA was to support the community and help protect the County's investments in Behavioral Health and Homelessness services and programs utilizing Measure O dollars. The Department invited applications from community-based organizations and local government partners with existing projects that are essential to these service networks and currently facing funding uncertainties.

The NOFA proposals were due September 17, 2025. 52 proposals were received, requesting a total of \$35,629,116 in funding. Counsel determined that two proposals were ineligible because they did not fit into any of the Measure O expenditure plan categories. A Community Advisory Panel composed of five community members reviewed and scored the remaining 50 proposals. DHS staff reviewed the Panel's recommendations and developed funding allocation recommendations that balance geographic and programmatic diversity to

Agenda Date: 2/10/2026

address the varied needs of communities across Sonoma County.

DHS recommends the Board consider allocating \$10,000,000 in Measure O funding and \$2,400,000 in Homeless Housing, Assistance, and Prevention (HHAP) funding for a total of \$12,400,000.

Discussion:

Measure O Background

In 2018, the need for behavioral health and homelessness services had reached crisis levels in Sonoma County. The health care delivery system had been decimated by COVID-19, budget cuts to essential services, and decreased housing stock due to wildfires. These compounding issues demanded additional revenue to support the needs of the most vulnerable residents of Sonoma County. This led to the development of Measure O.

Passed by Sonoma County voters in 2020 with over 2/3rd of the vote, Measure O is a one-quarter cent sales tax over 10 years that generates approximately \$30 million each year. Revenue is spent exclusively on the five funding categories identified in Sonoma County Ordinance No. 6316.

1. Behavioral Health Facilities
2. Emergency Psychiatric/Crisis Services
3. Mental Health and Substance Use Disorder Outpatient Services
4. Behavioral Health Homeless/Care Coordination
5. Transitional and Permanent Supportive Housing/Supportive Housing Pool

Measure O Behavioral Health and Homelessness Pathways to Sustainability Notice of Funding Availability

On August 6, 2025, the Measure O Behavioral Health and Homelessness Pathways to Sustainability Notice of Funding Availability (NOFA) was released. DHS invited community-based organizations (CBOs) and local government partners to apply to provide Behavioral Health and Homelessness programming to the residents of Sonoma County in order to address one or more of the defined areas of need. A maximum total award amount was set at \$10,000,000 for Measure O funding. Proposals were due on September 17, 2025. 52 (50 eligible) proposals were received with requests totaling \$35,629,116. Counsel determined that two proposals were ineligible because they did not fit into any of the Measure O expenditure plan categories.

Community Advisory Panel

DHS issued a call for community members to express their interest in serving on a Community Advisory Panel for upcoming NOFAs. Interested individuals completed an interest form, which gathered information on their relevant experience, areas of expertise, organizational affiliations, and demographic background. DHS convened a review team with representatives from Behavioral Health, Homelessness Services, Administration, and the County Executive's Office to evaluate the 25 interest forms that were received using a set of established criteria:

- Relevant experience in behavioral health and/or homelessness
- Experience serving on boards, committees, or review panels
- Diverse representation
- Experience working with local government

Agenda Date: 2/10/2026

- Did not have any conflicts of interest with an applicant

Following individual reviews, the group held a consensus meeting to discuss and finalize the selection of candidates. Based on their evaluations, 14 individuals were invited to participate in the Measure O Community Advisory Panel (4 did not respond, 4 were found to have conflicts of interest, 1 was unable to participate due to capacity constraints, 5 accepted and had no conflicts).

The five selected panelists bring extensive experience in homelessness and behavioral health, have served on boards and committees, and reflect the diversity of Sonoma County. All proposals were scored, based on a set of established criteria, by the five-member Community Advisory Panel. See pages 18-21 of Attachment 2 for the scoring criteria. Community Advisory Panel recommendations were brought to Department of Health Services leadership to review and determine award allocations. Award allocations were determined based on geographic and programmatic diversity in order to meet a variety of needs of communities across Sonoma County. The following proposals are recommended for funding with the \$10,000,000 available Measure O funds.

Homeless Housing, Assistance, and Prevention (HHAP) Funding Background

Agenda Date: 2/10/2026

HHAP is a block grant provided by the State of California Interagency Council on Homelessness to both counties and continuums of care (CoCs) to support best practices and interventions in homelessness services. HHAP funding aligns closely with Measure O funding priorities in permanent supportive housing and interim housing projects and was included in this NOFA to support projects receiving Measure O funding and also support existing projects that have received funding reductions over the past year. HHAP funding is based on annual results of the Homeless Point in Time Count, among other factors. Funding is not ongoing and is granted year-to-year as one-time funds. Each round of HHAP has different expenditure deadlines. To date, five rounds of HHAP have been provided to CoCs and counties. Sonoma County's CoC is currently known as Homeless Coalition. Eligible projects for HHAP funding include Permanent supportive housing, Rapid Rehousing, Emergency Shelter/Interim Housing, Street Outreach, Capital expenses for permanent supportive housing or enhancing existing emergency shelter projects for privacy, and Operating subsidies for permanent supportive housing and rapid rehousing.

HHAP funds include a requirement to provide a minimum of 10% of total funds for projects serving transitional age youth (TAY), defined by the funder as ages 18-24. HHAP funds are administered in compliance with Emergency Solutions Grant standards and projects are monitored by the Ending Homelessness Team in the Homelessness Services Division of the County DHS. The following projects are being recommended for funding using unallocated HHAP funds:

HHAP Funding Recommendations - \$2,400,000

1. Committee on the Shelterless - Permanent Supportive Housing - \$196,017
2. City of Santa Rosa - Safe Parking Program - \$500,000
3. Committee on the Shelterless - Rapid Rehousing - \$81,077
4. Committee on the Shelterless - Mary Isaak Center Emergency Shelter - \$102,851
5. Community Support Network - Integrated Recovery TAY Housing Program - \$239,585
6. Committee on the Shelterless - Kids First Family Shelter - \$65,867
7. City of Healdsburg - L&M Village - \$778,300
8. City of Rohnert Park - Labath Landing - \$436,303

Contracts funded through this NOFA will have terms of either one or three years depending on project and funding source (See attachment 1 for details).
