Exhibit A: Scopes of Work

This Exhibit A (Scopes of Work) includes the following, which are attached hereto and incorporated herein by this reference:

1. **Exhibit A-1:** Scope of Work General Requirements
2. **Exhibit A-2:** Scope of Work – Legal Assistance

Exhibit A-1: Scope of Work General Requirements

1. Language Capacity:

Take reasonable steps to ensure that program services are available to Spanish-speaking persons or limited-English speaking persons, including but not limited to the accessibility of services and program information by means of the following:

- a) Bilingual provider staff available.
- b) Translated written information materials, including enrollment information, forms, descriptions of available services and programs, advertising and outreach flyers.

2. Equity Statement:

The County of Sonoma supports fair, accessible, and relevant services that promote equity and social justice for families and individuals. In January 2021, Sonoma County's Board of Supervisors approved a five-year strategic plan, which includes a Racial Equity and Social Justice pillar. The pillar is made up of specific goals and objectives that will lead to normalizing, organizing, and operationalizing a new way of seeing our challenges, conducting analysis, and implementing new policies to ensure a workforce reflective of the community we serve and to achieve racial equity in County service provision.

3. Anti-Racist Results-Based Accountability (AR RBA) Plan:

AR RBA recognizes that inequities in Sonoma County are the result of generations of institutional and structural racism. Advancing equity in our community demands that we look at community and program level data by race and other social demographics to adopt strategies to eliminate inequities. The AR RBA framework centers communities with the greatest need while creating a data driven culture that embodies root cause analysis, participatory practice, organizational self-reflection and authentic relationship building.

Measurable change is a core component of a data driven culture. AR RBA uses Performance Measures to look at the quality, efficiency, and outcome of services. AR RBA asks three Performance Measure questions to get at the most important program outputs and outcomes: How much did we do? How well did we do it? Is anyone better off?

Upon execution of the contract County and Contractor may work to develop Performance Measures reflective of outcomes included in the scope of work. This may include, but is not limited to, attending one (1) AR RBA training, creating an AR RBA plan, submitting quarterly Performance Measure data and participating in periodic AR RBA Turn the Curve conversations.

4. Voluntary Contributions/Program Income: Under this Agreement, Contractor will:

- 4.1. Provide each participant with the opportunity to voluntarily contribute to the cost of the service by developing a notice to participants. Notices provided to participants regarding contributions shall be identified as "voluntary" and contain language that "no individual can be denied participation because of failure or inability to contribute."

These documents cannot include the words “bill, invoice or statement” or otherwise indicate or infer a contribution is required. The template for voluntary contributions must be submitted to AAA Program Staff within thirty (30) days of the contract’s start date. Any changes to this template must be communicated to AAA Program Staff prior to use.

- 4.2. Protect the privacy of each participant with respect to contribution made. This privacy protection is to include establishing procedures to safeguard and account for all contributions. Procedures must be submitted to AAA Program Staff within thirty (30) days of the contract’s start date.
- 4.3. Ensure that all Program Income is reported and expended under the same terms and conditions as the program funds from which it is generated. Program Income means revenue generated by Contractor from contract-supported activities, including voluntary contributions received from a participant for services received. See Exhibit B – Fiscal Provisions.

5. Contract Funding: Under this Agreement, Contractor will:

- 5.1. Agree not to use contract funds to pay the salary or expenses of any individual who is engaging in activities designed to influence legislation or appropriations pending before the Congress (22 CCR § 7364 (a) 2).
- 5.2. Comply with budget reduction in the event the service levels specified in Section 5 are not attained (22 CCR § 7364 (a) 3).

6. Service Compliance: Under this Agreement, Contractor will:

- 6.1. Ensure contract is in full contract compliance within 120 days of the beginning date of the contract. County shall evaluate Contractor's capacity to fulfill contract goals if full compliance by this time period has not occurred (22 CCR § 7364 (c)).
- 6.2. Comply with program standards, service priorities, and responsibilities consistent with statewide standards as they are released or identified by AAA or state licensing body.
- 6.3. Prevent disclosure of any information about the participant without written consent of the individual.

7. Service Changes: Contractor will ensure that proposed changes affecting the provision of services such as changes in paid program staff, program structure/activities, hours/day(s) of service, site additions, site renovations, and temporary or permanent site closures must be communicated in writing via email to AAA Program Staff within ten (10) days of proposed date of the change.

Funds must supplement and not supplant existing services to participants and will build upon existing state-funded programs to the extent possible.

8. Grievance Policy: The Contractor will ensure the grievance policy is posted, in English and Spanish, in a public space and in compliance with 22 CCR, §7400 *Grievance Process*. In addition, the policy must state the time the agency will take to complete the complaint resolution, indicate that all complaints are kept confidential, and provide the procedure for them to appeal a dissatisfied outcome resolution to the Sonoma County Area Agency on Aging.

9. Service Provider Meetings Requirement: The AAA periodically hosts service provider meetings to share new information with service providers (contractors). Contractor shall designate a representative to attend each Service Provider meeting. It is recommended that Contractor also attend the monthly full AAA Advisory Council meetings. Meetings are held the 3rd Wednesday/month at 1:00 pm.

10. Security Awareness Training: Contractor's employees, subcontractors/vendors, and volunteers who handle confidential, sensitive and/or personal identifying information must complete the Security Awareness Training module by July 30, or within 30 days of the start date of the contract, or within thirty (30) days of the start date of any new employee, Subcontractor/Vendor, or volunteer's employment. Contractor will send signed certificates to AAA staff. Training may be on an individual or group basis. A sign in sheet for a group presentation is acceptable for group trainings. Access Information Security Awareness training under: [Information Security | California Department of Aging - State of California](#).
11. Transition Plan: In the event the agreement is terminated prior to end of the contract term, Contractor shall submit a transition plan to ensure there will be no break in continued service. Transition plan must be received by County within 15 days of delivery of a written Notice of Termination initiated by Contractor, County, or State. At such time, County will provide required elements to be included in the transition plan to Contractor.

All or part of this Agreement will be paid with Federal awards. Contractor is designated as a Sub-recipient and the federal funds received under this agreement must be used in accordance with Federal statutes, regulations and the terms and conditions of the Federal award.

2. Fiscal Responsibilities.

In consideration of the obligations to be performed by Contractor herein, Contractor shall be reimbursed for its actual costs, in accordance with the agreed upon budget included herein by reference. Notwithstanding the foregoing, the total amount to be paid to Contractor under the terms of this Agreement shall in no case exceed the amount stated in Article 2 of this Agreement.

2.1. Claiming and Documentation. Contractor shall receive reimbursement for its actual costs by submitting a Monthly Cost Report for reimbursement by the tenth (10th) of each month for all services provided to County's clients in the previous month. All costs reported by Contractor shall be supported by appropriate accounting documentation. The documentation shall establish that County is charged a fair and equitable portion of any indirect or shared costs attributable to services performed under this Agreement. The Monthly Cost Report shall be submitted to:

County of Sonoma Human Services Department
Attn: A&A Accounting (adultandagingaccountspayable@schsd.org)
3600 Westwind Blvd.
Santa Rosa, CA 95403

2.2. Allowable Costs. No amount or rate negotiated and included in the Contractor's program budget summary or budget backup shall be considered to be an allowable cost in and of itself; such amounts or rates are subject to final approval upon presentation of documentation establishing that actual costs were incurred and are allowable in accordance with Code of Federal Regulations Title 2 CFR Sections 200.420-475.

2.3. Program Income. Program Income is revenue generated by the Contractor from contracted-supported activities, such as voluntary contributions received from a participant or other party for services received.

2.3.3. Program Income must be spent before contract funds and may reduce the total amount of contract funds payable to the Contractor.

2.3.4. If Program Income is earned in excess of the amount reported in the Area Plan Budget, the excess amount may be deferred for use in the first quarter of the following contract period, which is the last quarter of the federal fiscal year.

2.3.5. If Program Income is deferred for use it must be used by the last day of the federal fiscal year and reported when used.

2.3.6. Program Income may not be used to meet the matching requirements of this Agreement.

2.3.7. Program Income must be used to expand baseline services.

2.4. No Supplantation. Contractor must not claim reimbursement under this Agreement for expenditures reimbursed or financed by any other source. No supplantation of program financing by Contractor is contemplated or allowed.

Contractor must comply with the provisions for cost allocations contained in Federal Office of Management and Budget 2 CFR Part 200, Subpart E. 2.6.1.1. Charges to awards for salaries and wages, whether treated as direct costs or indirect costs, must be based on documented payrolls approved by a responsible official(s) of the organization. The distribution of salaries and wages to various program funding sources must be supported by personnel activity reports (such as timesheets or time studies) except when a substitute system has been approved in writing by the cognizant agency. Such activity reports must account for the total activity for which employees are compensated and must be maintained for all staff members (professionals and nonprofessionals) whose compensation is charged, in whole or in part, to this Agreement.

2.6.2. If it should be determined during the term of this Agreement by the Human Services Department, County Administrator, Auditor-Controller, and/or Board of Supervisors that funds are not being utilized by Contractor in accordance with this Agreement, an audit may be ordered of Contractor's books, financial records, and program records. The cost of this audit shall be deducted from the total paid to Contractor through this Agreement.

Contractor shall exercise the same degree of control and responsibility over equipment out-stationed to it by County. Both purchased and out-stationed equipment shall be covered under Contractor's insurance policies. In addition, Contractor shall notify County and the local police agency within twenty-four (24) hours in the event that any such equipment is lost or stolen.

3.3. All computer hardware and software purchased under this Agreement for use of Contractor shall be considered property of the State of California. Contractor shall make no additions, alterations, or adjustments to any hardware or software purchased under this Agreement.

4. Funding Contingency. Notwithstanding anything contained in the Agreement to the contrary, Contractor acknowledges that any payments to be made to it as provided herein shall be expressly contingent upon the receipt of sufficient funds by County. This contingency is for the express benefit of County and may be waived only by giving express written and executed notice to Contractor.

4.1. Modification of Funding. County reserves the right to modify levels of funding for programs and renegotiate Agreement budgets, if needed, due to increases or decreases in funding. County also reserves the right to request changes in program design in order to accommodate changes made by the funder. The County Human Services Director has authority to request and approve program design changes.

5. Budget Adjustments.

5.1. Request. Request for transfer of funds between line items shall be submitted on a "Line Item Adjustment Request" as provided by the County. The Contractor must provide justification and supporting documentation for the requested revision.

5.2. Approval. The County is authorized to approve and execute a "Line Item Adjustment Request", which details the transfer of funds between Budget line items, and to approve such changes without an Amendment to this Agreement so long as they do not result in an increase in County's maximum financial obligation.

5.3. Adjustments Requiring Written Consent. County's written approval is required prior to the transfer of any program funds between Budget line items when the amount of the individual line item adjustment is more than the greater of \$2,500 or 15% of funds budgeted per line item.

5.4. Equipment. Requests to purchase equipment in excess of Five Thousand Dollars (\$5,000) and not included in original budget shall require County approval prior to purchase.

6. Closeout. Within fifteen (15) calendar days after the termination of this Agreement, Contractor shall submit to County a final cost report showing the actual allowable Agreement costs. If the cost report shows that the actual allowable costs for the term of the Agreement exceeded payments, the County will remit the difference to the Contractor provided that the remittance will not cause the total payments made hereunder to exceed the funding amount set forth in Article 2 of this Agreement. If the cost report shows that the payments exceeded the actual allowable costs for the term of the Agreement, Contractor shall enclose with the cost report funds equal to the difference between payments received and costs incurred. As part of the Closeout, Contractor must submit invoices for any purchased equipment and a complete list of all AAA-owned equipment in the possession of Contractor.

7. Audits. County will conduct a fiscal monitoring annually. In addition, Contractors, who receive multiple Federal Awards which taken together total over One Million Dollars (\$1,000,000), are required to have a single agency audit in accordance with the Federal Office of Management and Budget, 2 CFR Part 200, Subpart F. A copy of this audit must be forwarded to the County/Area Agency on Aging (AAA) by the auditor as soon as it is complete.

7.1. As applicable, the Contractor shall ensure that both State and Federally-Funded expenditures are displayed separately in the single audit report's "Schedule of Expenditures of Federal Awards (SEFA)". The SEFA should include the Assistance Listing Number (ALN) and Pass-through Identifying Contract Number.

8. Repayment.

8.1. Contractor is responsible for the repayment of all audit exceptions and disallowances taken by County, State, or Federal agencies related to activities conducted by Contractor under this Agreement.

8.2. Where unallowable costs have been claimed and reimbursed, they will be refunded to the program that reimbursed the unallowable cost using a cash refund or offset to a subsequent claim.

9. Local Non-Federal Match. Most programs require that Contractor provide local, non-federal funds as program match. In most cases the match can be either cash or in-kind. The amount of the match requirement depends upon the specific program. The minimum required match by program area is as follows:

- Titles IIIB and IIIC require minimum match of 10.53%.
- Title IIIE requires minimum match of 25%.

10. Funding.

10.1. All or part of this Agreement may be paid with Federal awards.

10.3. Federally awarded funds must be used in accordance with Federal statutes and regulations.
