Title:

Human Services Department Position Change Request

Recommended Action:

Adopt a Position Resolution to delete 1.0 Full-Time Equivalent Office Assistant II and add 1.0 Full-Time Equivalent Senior Office Assistant, effective December 9, 2025.

Executive Summary:

The Human Services Department is requesting to delete 1.0 Full-Time Equivalent Office Assistant II and add 1.0 Full-Time Equivalent Senior Office Assistant. The classification change will ensure that the position is aligned with the job duties and tasks performed by staff to meet the evolving needs and increasingly high number of clients served at the South County office.

Discussion:

The Human Services Department (HSD) South County Center (SCC) in Petaluma has experienced steady growth in people coming in for services over the past two years. Key services provided at SCC include assisting clients with applications for benefits such as Medi-Cal, CalFresh, General Assistance, and SonomaWorks; offering In-Home Supportive Services (IHSS) training for providers; and coordinating on-site family visitations for the Family, Youth, and Children Division. SCC also serves as the worksite for 62 HSD staff members representing Adult Protective Services, IHSS, Economic Assistance, and Family, Youth, and Children programs. In 2022, five years after its opening, SCC recorded approximately 630 client visits per month. In comparison, there has been an average of 1,763 client visits per month in the first half of 2025. Despite the drastic increase in the number of clients, the staffing structure has remained unchanged.

Currently, clients visiting the SCC lobby are supported by four Senior Office Assistants (SOA) and one Office Assistant (OA) II under the supervision of the Office Support Supervisor (OSS). The OA II position was designed exclusively to support application registration; however, application registration was discontinued with the implementation of the statewide CalSAWS eligibility system in 2023. This system shift requires the OA II position to perform the same duties and responsibilities assigned to the SOAs. To right-size this change in workflow and business need, it is necessary to delete 1.0 Full-Time Equivalent vacant OA II and add 1.0 Full-Time Equivalent SOA, which will ensure that the appropriate classification performs the required duties.

The Human Resources Department has reviewed the job duties of the positions and determined that the job classification change is appropriate.
