RE: Rockin' the River Permit Application  
Thursdays May 23 and September 7, 2024

Russian River Rotary is requesting a permit for two three hour evening events on the Guerneville Plaza and adjoining county access road. A license agreement should be on file for use of the plaza by Russian River Rotary. A stage will be set up for the bands who are performing from the same stage area in sequence. Music will start at 6 PM and end at 9PM. Set up of the stage will begin as early as noon. The stage is planned to be set up next to the Sonoma Nesting Company parking spaces. The parking spaces will be left open to allow access for emergency vehicles to the lower part of the access road if needed. No cars will be parked in the lower area unless by those working the event and not entering or leaving during the event.

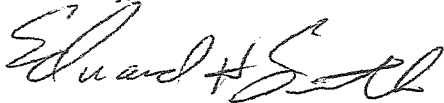

There are two independent food vendors planning on setting up in the plaza. A Rotary information booth will be set up adjacent to the Hernandez Realty. Bottled drinks will be available from that booth. It is assumed that the businesses in town will also benefit from having additional sales due to people attending the event.

The number of people attending is unknown, but it is expected that there will be around 100 at any given time. No portable toilets are planned. There is a public restroom a short distance down the street in front of the Vet's Hall. People eating in local restaurants will use restrooms in those establishments.

After the bands have finished playing, Rotarians will stay to pick up any trash left in the plaza and place it in a flatbed truck to be taken to the Guerneville Transfer Station. The musicians will remove their equipment and the stage will be dismantled and placed on a trailer to be returned to storage. Those responsible for stage set up and takedown have done so before and it is anticipated that the cleanup will be completed before 10 PM.

No fees are being charged for the event.

Sincerely,

Edward H Smith
