Interests & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

I am a current member of the Advisory Council to the Sonoma County Area Agency on Aging, in a council-elected seat, representing District 3. I am applying for a board-appointed seat, representing District 3. I am particularly interested in people who enter older adulthood with limited resources such as money and caregiver support. This population is growing and the safety net to serve them is limited. I would like to help strengthen the community connections that can improve the quality of life for this population.
