Expenses not expressly authorized by the Agreement shall not be reimbursed.

Unless otherwise noted in this agreement, payments shall be made within the normal course of county business after presentation of an invoice in a form approved by the County for services performed. Payments shall be made only upon the satisfactory completion of the services as determined by the County.

2.1. Overpayment. If County overpays Contractor for any reason, Contractor agrees to return the amount of such overpayment to County at County's option, permit County to offset the amount of such overpayment against future payments owed to Contractor under this Agreement or any other agreement.

2.2. Pursuant to California Revenue and Taxation code (R&TC) Section 18662, the County shall withhold seven percent of the income paid to Contractor for services performed within the State of California under this agreement, for payment and reporting to the California Franchise Tax Board, if Contractor does not qualify as: (1) a corporation with its principal place of business in California, (2) an LLC or Partnership with a permanent place of business in California, (3) a corporation/LLC or Partnership qualified to do business in California by the Secretary of State, or (4) an individual with a permanent residence in the State of California.

If Contractor is qualified, then the County requires a completed Form 590. Forms 587 and 590 remain valid for the duration of the Agreement provided there is no material change in facts. By signing either form, the contractor agrees to promptly notify the County of any changes in the facts. Forms should be sent to the County pursuant to Article 12. To reduce the amount withheld, Contractor has the option to provide County with either a full or partial waiver from the State of California.

3. Term of Agreement.

The term of this Agreement shall be from 07/01/2025 to 06/30/2026 unless terminated earlier in accordance with the provisions of Article 4 below.

4.3. Change in Funding. Contractor understands and agrees that County shall have the right to terminate this Agreement immediately upon written notice to Contractor in the event that (1) any state or federal agency or other funder reduces, withholds, terminates or funds are not made available for which the County anticipated using to pay Contractor for services provided under this Agreement or (2) County has exhausted all funds legally available for payments due to become due under this Agreement.

4.4. Delivery of Work Product and Final Payment Upon Termination. In the event of termination, Contractor, within 14 days following the date of termination, shall deliver to County all materials and work product subject to Article 9.19 (Ownership and Disclosure of Work Product) and shall submit to County an invoice showing the services performed, hours worked, and copies of receipts for reimbursable expenses up to the date of termination.

4.5. Payment Upon Termination. Upon termination of this Agreement by County, Contractor shall be entitled to receive as full payment for all services satisfactorily rendered and expenses incurred hereunder, an amount which bears the same ratio to the total payment specified in the Agreement as the services satisfactorily rendered hereunder by Contractor bear to the total services otherwise required to be performed for such total payment; provided, however, that if services which have been satisfactorily rendered are to be paid on a per-hour or per-day basis, Contractor shall be entitled to receive as full payment an amount equal to the number of hours or days actually worked prior to the termination times the applicable hourly or daily rate; and further provided, however, that if County terminates the Agreement for cause pursuant to Article 4.2, County shall deduct from such amount the amount of damage, if any, sustained by County by virtue of the breach of the Agreement by Contractor.

4.6. Authority to Terminate. The Board of Supervisors has the authority to terminate this Agreement on behalf of the County. In addition, the Purchasing Agent or the Director of the Human Services Department, in consultation with County Counsel, shall have the authority to terminate this Agreement on behalf of the County.

5. Indemnification.

Contractor agrees to accept all responsibility for loss or damage to any person or entity, including County, and to indemnify, hold harmless, and release County, its officers, agents, and employees, from and against any actions, claims, damages, liabilities, disabilities, or expenses, that may be asserted by any person or entity, including Contractor, that arise out of, pertain to, or relate to Contractor's or its agents', employees', contractors', subcontractors', or invitees' performance or obligations under this Agreement. Contractor agrees to provide a complete defense for any claim or action brought against County based upon a claim relating to such Contractor's or its agents', employees, contractors, subcontractors, or invitees performance or obligations under this Agreement. Contractor's obligations under this Section apply whether or not there is contributory or concurrent negligence on County's part, but to the extent required by law, excluding liability due to County's conduct. Subject to Contractor's approval, County shall have the right to select its legal counsel at Contractor's expense. Contractor may not reasonably withhold its approval. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for Contractor or its agents under workers' compensation acts, disability benefits acts, or other employee benefit acts.

The execution of this Agreement shall constitute Contractor's authority to proceed immediately with the performance of this Agreement. Performance of the services hereunder shall be completed within the time required herein, provided, however, that if the performance is delayed by earthquake, flood, high water, or other Act of God or by strike, lockout, or similar labor disturbances, the time for Contractor's performance of this Agreement shall be extended by a number of days equal to the number of days Contractor has been delayed.

8. Extra or Changed Work.

Extra or changed work or other changes to the Agreement may be authorized only by written amendment to this Agreement, signed by both parties. Minor changes, which do not exceed the delegated signature authority of the Department Head and which do not significantly change the scope of work or significantly lengthen time schedules may be executed by the Department Head in a form approved by County Counsel. The Board of Supervisors must authorize all other extra or changed work. The parties expressly recognize that, pursuant to Sonoma County Code Section 1-11, County personnel are without authorization to order extra or changed work or waive Agreement requirements. Failure of Contractor to secure such written authorization for extra or changed work shall constitute a waiver of any and all right to adjustment in the Agreement price or Agreement time due to such unauthorized work and thereafter Contractor shall be entitled to no compensation whatsoever for the performance of such work. Contractor further expressly waives any and all right or remedy by way of restitution and quantum meruit for any and all extra work performed without such express and prior written authorization of the County.

9. Representations of Contractor.

9.1. Standard of Care. County has relied upon the professional ability and training of Contractor as a material inducement to enter into this Agreement. This Agreement shall not in any manner restrict Contractor from performing services for other clients or businesses. Contractor is not to be considered an agent or employee of County for any purpose and is not entitled to participate in any pension plan, worker's compensation plan, insurance, bonus, or similar benefits County provides its employees. In the event County exercises its right to terminate this Agreement pursuant to Article 4, above, Contractor expressly agrees that it shall have no recourse or right of appeal under rules, regulations, ordinances, or laws applicable to employees.

9.3. Subcontractors. No performance of this Agreement or any portion thereof, may be assigned or subcontracted without the express written consent of the County. Contractor agrees to indemnify and hold County harmless from any liability which it may incur to the United States or to the State of California as a consequence of Contractor's failure to pay, when due, all such taxes and obligations. In case County is audited for compliance regarding any withholding or other applicable taxes, Contractor agrees to furnish County with proof of payment of taxes on these earnings.

Exhibit A: Scope of Work

A. Family Urgent Response System

The Sonoma Marin Family Urgent Response System (FURS) is designed to support caregiver families, foster youth, and former foster youth through a toll-free statewide telephone hotline available 24/7 and a corresponding local in-person mobile response during crisis situations. Built on the principles of Continuum of Care Reform and the state System of Care development, the FURS program will provide in-person, immediate intervention, and trauma-informed support to caregivers, current and former foster youth, and Juvenile Justice involved youth in times of crisis.

Contractor shall respond to calls from the State Hotline for all caregivers, probation involved youth, and current and former foster youth residing in Sonoma or Marin Counties, regardless of County of jurisdiction.

Foster and former foster youth include those who have been part of the Welfare Institutions Code (W&I) Section 300 or 601, 602 systems including voluntary placements pursuant to W&I Section 300, or youth placed in California through an Interstate Compact of the Placement of Children at any point in their childhood prior to age 18. Former foster youth who have exited foster care for any reason are eligible and can receive FURS services up to age 21. A foster youth does not have to be living in a family-based setting in order to receive mobile response services.

Activities to be provided will be, at a minimum, those included in the Sonoma-Marin Family Urgent Response System Request for Proposals on which this contract is based.

For ease of reference, this contract will reference current and former foster youth eligible for FURS services as “youth” and caregivers and families who care for foster youth as “caregivers”.

B. County Partnership

The Sonoma County Human Services Department’s Family, Youth & Children’s Division (FY&C) in coordination with Sonoma County Juvenile Probation and Sonoma County Behavioral Health will take the lead for services provided within Sonoma County.

The Marin County Health & Human Services Department’s Children and Family Services in coordination with Marin County Juvenile Probation, and Youth and Family Services will assume the lead for services provided within Marin County.

Program coordination between Sonoma County and Marin County shall be managed by representatives from each County. Each County shall designate a lead representative for ease of communication between Counties.

Sonoma County and Marin County have entered into an agreement that describes the roles of each County and address the transfer of revenue from Sonoma to Marin County.

Counties shall jointly coordinate with Contractor on FURS program development and administration.

C. Community Input

Contractor will continue to obtain and incorporate community input for FURS program design and continuous improvement efforts including:

1. Conducting virtual listening sessions and/or online surveys of caregivers, and current and former foster youth, particularly those youth that are disproportionately impacted or have specialized needs, such as LGBTQ+ youth, older/transitional age youth (TAY), youth impacted by commercial sexual exploitation, indigenous youth, and youth who have experienced homelessness and housing instability residing in Sonoma and Marin Counties regarding their concerns, needs, and preferences for services.
2. Contractor will provide updates on community input related to program design via monthly reporting and at quarterly coordination meetings and/or in writing as agreed upon between Counties and Contractor.

D. Outreach

To facilitate the regional outreach within Sonoma and Marin Counties, Contractor will work closely with each County to continue outreach strategies and materials that may include, but are not limited to:

1. Advertising using targeted social media (posts/videos/digital banners).
2. Utilizing existing partnerships with those involved in the lives of foster youth and caretakers, such as the Bay Area chapter of California Youth Connection and the California Court Appointed Special Advocates (CASA) Association and community-based organizations.
3. Messaging directly to Contractor clients in both counties.
4. Providing outreach and presentations to schools, hospitals, law enforcement, and community organizations regarding FURS Hotline.
5. Increasing public awareness of FURS by distributing refrigerator magnets with the hotline number, and brochures describing the program to caregivers, resource families, schools, and other service providers.
6. Maintaining ongoing communication and outreach to social workers, foster family agencies and caregivers to inform them about the FURS program so that they can inform families about the FURS program when a foster youth is first placed.
7. Providing updates to Counties regarding all community outreach activities and connections established with local organizations in a method as agreed upon between County and Contractor.

E. Scheduling of FURS Teams

1. Contractor will implement a FURS staff coverage plan that allows up to two (2) families to be served at any given time.
2. When scheduling FURS team shifts and whenever possible, Contractor will ensure that one team member is Spanish-speaking.

F. Response to State Hotline Calls

1. Contractor will accept calls from the State Hotline 24/7 and receive information from State hotline staff based on their risk assessment, de-escalation and conflict resolution efforts.
2. Contractor's Rapid Response Administrator On-Call (AOC) will receive calls from State hotline staff and participate in a 3-way conversation that includes the State hotline worker, the caller (caregiver or youth) and the AOC, to facilitate a warm handoff and respond to the crisis call. The AOC will not replicate what has been completed by the State hotline worker. While there may be exceptions, the default response should be an in-person response. Non-urgent response must be within 24 hours. In-person response shall not be excluded unless there are active COVID cases or a weapons screening that significantly increases in the household.
3. Contractor will deploy a response team to the caller's specified location within one hour across all areas of both counties, and no more than three (3) hours in all cases. While there may be exceptions, the default response should be an in-person response. Non-urgent response must be within 24 hours.
4. The FURS team will utilize iCarol to enter all information shared by State hotline staff, along with additional details shared by the caller during the warm handoff. The AOC will identify whether a caller has previously utilized the FURS Program, if there is an existing safety plan, and/or if care plan information is available so that the local FURS team can input correct information to iCarol.
5. The AOC, in collaboration with the local Director On-Call, will select a team of at least two staff, according to the FURS team schedule, the geographic location of the caller, linguistic needs, and number of teams already in the field.
6. Each FURS team will consist of two (2) qualified mental health professionals who meet Seneca's minimum job requirements and have experience working with and/or managing high risk, crisis situations, with children and families in crisis situations, allowing both the youth and the caregiver to receive simultaneous individualized interventions as needed. The team may also include a Director, Program or Clinical Supervisor, Clinician, Facilitator, Support Counselor, Family Partner, Peer Partner or Wraparound Team Member as determined by the AOC that their assistance would be beneficial and clinically appropriate.
7. The lead team member or designated staff will be responsible for completing clinical paperwork and documentation. All other roles remain adaptable depending on the needs of the youth and/or caregiver, how the situation is evolving, particular skills of the assigned team members, and special considerations such as language capacity.

G. De-escalation, Stabilization and Support

Contractor's FURS response staff will provide de-escalation interventions, stabilization and support to address the crisis. The primary goal when responding is to diffuse the immediate situation, provide stabilization support, and identify additional support needs and next steps.

Contractor's FURS staff will address the youth and caregiver without judgment, and transparently explain their intent to assess and respond to the crisis. FURS staff will tailor their interventions in consideration of any cultural values, beliefs, or language needs of the youth and caregivers including providing services in whatever ways are most honoring to the family's experience, with a respect for the family's expertise regarding their own lives.

1. For youth and caregivers who need services in a language that is not spoken by a FURS responder, staff will utilize interpreter services provided by Interpretalk Language Services.
2. FURS staff will use de-escalation strategies (e.g., taking space, communication styles, and setting behavioral expectations) and help identify family strengths and resources including natural or formal supports.
3. FURS staff will work with youth and caregivers, individually and together, to address concerns and provide support, working to help them identify shared goals and form a foundation for future interactions.
4. FURS staff will minimize the need for engagement with law enforcement whenever possible and will coordinate with local county mobile services/response teams, if and when appropriate. If law enforcement is present, FURS staff will coordinate with law enforcement to support trauma-informed interactions.
5. If indicated and during the Aftercare service, FURS staff will assess youth for safety, psychiatric or substance use concerns, and ecological factors that may have contributed to the crisis using the Crisis Assessment Tool (CAT).
6. When indicated, FURS staff will use the Commercial Sexual Exploitation – Identification Tool (CSE-IT) to screen youth to determine their risk level for exploitation. A child abuse report will be made if appropriate.
7. Before leaving, FURS staff will provide caregivers and/or youth with information regarding local and online resources, with information in both English and Spanish.
 - a. For youth, these resources will include a list of crisis numbers the youth can call and smartphone apps that focus on meditation techniques, suicide and self-harm prevention, and ameliorating trauma.
 - b. For caregivers, resources may include local mental health centers, 24-hour parent talk lines, legal resources, and domestic violence services.
8. Caregivers and youth will be informed of the FURS team's plan for immediate follow-up support and communication in the 24 hours following the initial response. FURS team will provide support to the caregiver/youth for up to 72 hours after the initial call is received.

H. Identifying Needed Supports

Underlying and unmet needs of youth and caregivers will be assessed during the initial in-person interaction. Caregiver and youth needs will be identified through observations, interactions, the youth or caregiver's report, and use of the CAT during aftercare services to identify and develop a wide range of supports.

1. Contractor will identify available resources and services in each County including culturally responsive mental health services, educational supports, positive activities to build youth and family strengths, and services to meet resource needs such as housing instability or food insecurity.
2. FURS staff will train caregivers on how to explain the youth's needs to staff from other agencies in an affirming and supportive way.
3. FURS staff will engage the Child and Family Team (CFT) to ensure that appropriate assessments and future support options are identified.

I. Follow up Services

A member of the Contractor's in-person FURS team will contact the family within 24 hours of a crisis visit to offer up to fourteen (14) days of follow-up care delivered in-person, by phone, and/or through virtual meetings. The FURS team will ensure that youth and caregivers are linked to trauma-informed and culturally-relevant wellness services.

1. Contractor's FURS AOC staff will be available to caregivers and/or youth for emotional support and coaching over the phone at any time of day or night.
2. FURS staff will support caregivers and youth to connect with clinically- and culturally-appropriate community resources, including providing warm hand-offs and facilitating the linkage whenever needed.
3. Contractor Peer Partner and/or Family Partner will be available to offer validation and emotional support from the perspective of their lived experience.
4. Contractor will provide coaching and interventions for youth and caregivers that will assist them in maintaining stability even after mobile response services end.
 - a. Skills Coaching: FURS staff will work with the youth to help them identify and practice functional skills such as self-care, self-regulation, self-expression, and other adaptive behaviors that will decrease or replace target behaviors contributing to the crisis situation.
 - b. Behavior Plan Creation: FURS staff will work with the youth and caregivers to identify and implement behavior plans that reinforce preferred behaviors demonstrated by the youth.
 - c. Caregiver Coaching and Support: FURS staff will provide support to caregivers to increase their capacity to understand and respond to the youth's behaviors, as well as identifying ways for the caregiver to practice self-care and self-control techniques during times of distress. FURS staff will provide training and modeling on techniques the caregiver can use, as well as coaching and feedback as the caregiver attempts these techniques themselves.

J. Utilization of Evidence Based Practices Services

Evidence Based Practices (EBPs) such as the following may be utilized by the Sonoma-Marín FURS teams when appropriate to address crisis situations.

- Motivational Interviewing
- Psychological First Aid

- Dialectical Behavior Therapy (DBT)

K. Services Transition to County

1. Contractor will collaborate closely with the youth's County Social Worker and/or Probation Officer, as applicable, to ensure that the transition to long-term services is designed for success.
2. Contractor will work with County partners to identify additional methods for accessing information from County systems, such as information relevant to the youth's CFT or other existing social service or behavioral health plans.
3. If the youth's county of jurisdiction is outside of Sonoma and Marin Counties, Contractor will follow the same protocols, utilizing jurisdiction information from the California Department of Social Services (CDSS) Child Welfare Services/Case Management System once access is available to Contractor.

L. Staff Experience

1. All Contractor staff who act as FURS mobile responders will have experience working with children and families involved in public service systems such as child welfare and/or juvenile justice.

Contractor must comply with the provisions for cost allocations contained in Federal Office of Management and Budget 2 CFR Part 200, Subpart E. The inability of Contractor to demonstrate compliance will cause a corresponding reduction in reimbursement.

1.5.1.1. Charges to awards for salaries and wages, whether treated as direct costs or indirect costs, must be based on documented payrolls approved by a responsible official(s) of the organization. The distribution of salaries and wages to various program funding sources must be supported by personnel activity reports (such as timesheets or time studies) except when a substitute system has been approved in

writing by the cognizant agency. Such activity reports must account for the total activity for which employees are compensated and must be maintained for all staff members (professionals and nonprofessionals) whose compensation is charged, in whole or in part, to this Agreement.

1.5.2. If it should be determined during the term of this Agreement by the Human Services Department, County Administrator, Auditor-Controller, and/or Board of Supervisors that funds are not being utilized by Contractor in accordance with this Agreement, an audit may be ordered of Contractor's books, financial records, and program records. 3.1. Modification of Funding. County reserves the right to modify levels of funding for programs and renegotiate Agreement budgets, if needed, due to increases or decreases in funding. If the cost report shows that the actual allowable costs for the term of the Agreement exceeded payments, the County will remit the difference to the Contractor provided that the remittance will not cause the total payments made hereunder to exceed the funding amount set forth in Article 2 of this Agreement. If the cost report shows that the payments exceeded the actual allowable costs for the term of the Agreement, Contractor shall enclose with the cost report funds equal to the difference between payments received and costs incurred.

6. Audits.
