

AGREEMENT FOR PROFESSIONAL SERVICES
DISASTER DEBRIS REMOVAL AND DISPOSAL

This agreement ("Agreement"), dated as of _____, 20__ ("Effective Date") is by and between the County of Sonoma, a political subdivision of the State of California (hereinafter "County"), and _____ (hereinafter "Contractor").

R E C I T A L S

WHEREAS, Contractor represents that it is a duly qualified disaster response and recovery operations firm, experienced in environmental disaster recovery projects and related services; and

WHEREAS, in the judgment of Sonoma County Public Infrastructure it is necessary and desirable to employ the services of Contractor to be at the service of, and be able to respond to, the County's need for disaster debris removal and disposal services in times of catastrophic emergency such as fire, flood, earthquake, or any other natural or man-made large debris generating event.

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants contained herein, the parties hereto agree as follows:

A G R E E M E N T

1. Scope of Services.

1.1 Contractor's Specified Services. Contractor shall perform the services described in Exhibit "B," attached hereto and incorporated herein by this reference (hereinafter "Scope of Work"). Upon County's issuance of a Task Order pursuant to Article 2 hereunder, Contractor shall perform the services described in such Task Order, which shall identify a specific scope of services, expected results, project deliverables, and project schedule. Prices will be based on the Contractor's Unit Rate Price Schedule, included as Exhibit C, attached hereto and incorporated herein by this reference ("Rate Sheet"), and pursuant to Article 7, Prosecution of Work. In the event of a conflict between the body of this Agreement and the Task Order, the provisions in the body of this Agreement shall control.

1.2 Cooperation With County. Contractor shall cooperate with County and County staff in the performance of all work hereunder.

1.3 Performance Standard. Contractor shall perform all work hereunder in a manner consistent with the level of competency and standard of care normally observed by a person practicing in Contractor's profession. County has relied upon the

professional ability and training of Contractor as a material inducement to enter into this Agreement. Contractor hereby agrees to provide all services under this Agreement in accordance with generally accepted professional practices and standards of care, as well as the requirements of applicable federal, state and local laws, it being understood that acceptance of Contractor's work by County shall not operate as a waiver or release. If County determines that any of Contractor's work is not in accordance with such level of competency and standard of care, County, in its sole discretion, shall have the right to do any or all of the following: (a) require Contractor to meet with County to review the quality of the work and resolve matters of concern; (b) require Contractor to repeat the work at no additional charge until it is satisfactory; (c) terminate this Agreement pursuant to the provisions of Article 4; or (d) pursue any and all other remedies at law or in equity.

1.4 Assigned Personnel.

- a. Contractor shall assign only competent personnel to perform work hereunder. In the event that at any time County, in its sole discretion, desires the removal of any person or persons assigned by Contractor to perform work hereunder, Contractor shall remove such person or persons immediately upon receiving written notice from County.
- b. Any and all persons identified in this Agreement or any exhibit hereto as the project manager, project team, or other professional performing work hereunder are deemed by County to be key personnel whose services were a material inducement to County to enter into this Agreement, and without whose services County would not have entered into this Agreement. Contractor shall not remove, replace, substitute, or otherwise change any key personnel without the prior written consent of County.
- c. In the event that any of Contractor's personnel assigned to perform services under this Agreement become unavailable due to resignation, sickness or other factors outside of Contractor's control, Contractor shall be responsible for timely provision of adequately qualified replacements.

1.5 Contractor's Reports or Meetings.

- 1.5.1 Contractor shall submit progress reports on each specific project in accordance with the Task Order. These reports shall be submitted at least once a month, and more frequently if requested in writing by County. The report should be sufficiently detailed for County's Department Head or designated project coordinator to determine if Contractor is performing to expectations and is on schedule, and to provide communication of interim findings sufficient to address any difficulties or special problems encountered, so remedies can be developed.

- 1.5.2 Contractor's Project Manager shall meet with County's Department Head or designated project coordinator, as needed, to discuss progress on the project(s).

1.6 Federal Requirements.

Work under this Agreement may be funded by financial assistance from outside agencies, including from the Federal Emergency Management Agency (FEMA). With regard to all such work, Contractor shall comply and acknowledges compliance with the terms and conditions attached hereto as Exhibit A "Federal Requirements – FEMA" (the "Federal Requirements"), attached hereto and incorporated as though fully set forth herein, and/or with such other terms and conditions as County may specify in any individual Task Order.

1. Allowable Costs and Payments.

2.1 Method of Payment.

All payment to Contractor under this Agreement shall be in accordance with the below provisions.

2.2. Task Orders.

- 2.2.1 Specific projects will be assigned to Contractor on an as-needed basis through issuance of Task Orders. No amount of work is guaranteed under this Agreement. Nothing herein grants Contractor any exclusive right to provide any services, and County reserves absolute discretion to obtain any and all services from other providers.
- 2.2.2 After a project to be performed under this Agreement is identified by County, County will prepare a draft Task Order; less the cost estimate. A draft Task Order will identify the scope of services, expected results, project deliverables, period of performance, project schedule and will designate the County's Department Head. The draft Task Order will be delivered to Contractor for review. Contractor shall return the draft Task Order within 48 hours along with a Cost Estimate, including a written estimate of the number of hours and hourly rates per staff person, any anticipated reimbursable direct costs, and total dollar amount. After agreement has been reached on scope and total cost for the project, the finalized Task Order shall be signed by both County and Contractor.
- 2.2.3 Compensation to Contractor for Task Orders may be established on a lump sum (Firm Fixed Price) basis, or on a time and materials basis, based on the labor and other rates specified in the attached Rate Sheet - Exhibit C. All rates and/or lump sums shall be all-inclusive of all salary costs, employee benefits, overhead, and fees. These rates shall remain fixed for

the Term of this Agreement. In addition, Contractor will be reimbursed for non-labor costs other than salary costs that are in the cost proposal and identified in the cost proposal and in the executed Task Order. No mark-up will be paid on direct costs.

2.2.4 Contractor shall not commence performance of work or services until a Task Order has been approved by County, and notification to proceed has been issued by County's Department Head. No payment will be made prior to final approval of any Task Order.

2.2.5 A Task Order is of no force or effect until returned to County and signed by an authorized representative of County. No expenditures are authorized on a project and work shall not commence until a Task Order for that project has been executed by County.

2.2.6 The period of performance for Task Orders shall be in accordance with dates specified in the Task Order. No Task Order will be written which extends beyond the expiration date of this Agreement.

2.2.7 The total amount payable by County for an individual Task Order shall not exceed the amount agreed to in the Task Order, unless authorized by a written amendment to the Task Order prepared pursuant to Article 8.

2.2.8 If Contractor fails to satisfactorily complete a deliverable according to the schedule set forth in a Task Order, no payment will be made until the deliverable has been satisfactorily completed.

2.2.9 Task Orders may not be used to amend this Agreement and may not exceed the scope of services contemplated by this Agreement.

2.3 Transportation & Subsistence.

Reimbursement for transportation and subsistence costs shall not exceed the rates specified in the attached Rate Sheet - Exhibit C.

2.4 Milestone Costs.

When milestone cost estimates are included in a Task Order, Contractor shall obtain written approval of any revised milestone cost estimate from the County's Department Head before exceeding such cost estimate.

2.5 Progress Payments.

Progress payments for each Task Order will be made monthly in arrears based on services provided and actual costs incurred.

2.6 Payment.

No payment will be made prior to approval of any work, nor for any work performed prior to approval of this Agreement.

2.7 Invoices.

Contractor shall submit its bills in arrears on a monthly basis in a form approved by County's Auditor and the Head of the County Department receiving the services unless more frequent billing is required by the terms of a Task Order. The bills shall show or include: (a) the task(s) performed; (b) the time in quarter hours devoted to the task(s); (c) the hourly rate or rates of the persons performing the task(s); and (d) copies of receipts for reimbursable materials/expenses, if any. Expenses not expressly authorized by this Agreement shall not be reimbursed. Contractor shall include copies of invoices paid to sub-Contractors for any subcontractor work billed to the County.

Unless otherwise noted in this Agreement, payments shall be made within the normal course of County business after presentation of an invoice in a form approved by the County for services performed. Payments shall be made only upon the satisfactory completion of the services as determined by the County.

Invoices shall be mailed to County's Department Analyst at the following address:
Sonoma County Public Infrastructure
Adrian Diaz, (or designee) Department Analyst
2300 County Center Dr., Suite A220
Santa Rosa, CA 95403

2.8 Contract Value.

It is understood and agreed that there is no guarantee, either expressed or implied, that any dollar amount will be authorized under this Agreement through Task Orders.

2.9 Salary Increases.

For personnel subject to prevailing wage rates as described in the California Labor Code, all salary increases, which are the direct result of changes in the prevailing wage rates are reimbursable.

2.10 Taxes.

Pursuant to California Revenue and Taxation code (R&TC) Section 18662, the County shall withhold seven percent of the income paid to Contractor for services performed within the State of California under this agreement, for payment and reporting to the California Franchise Tax Board, if Contractor does not qualify as: (1) a corporation with its principal place of business in California, (2) an LLC or Partnership with a permanent place of business in California, (3) a corporation/LLC or Partnership qualified to do business in California by the Secretary of State, or (4) an individual with a permanent residence in the State of California.

If Contractor does not qualify, County requires that a completed and signed Form 587 be provided by the Contractor in order for payments to be made. If Contractor is qualified, then the County requires a completed Form 590. Forms 587 and 590 remain valid for the duration of the Agreement provided there is no material change in facts. By signing either form, the Contractor agrees to promptly notify the County of any changes in the facts. Forms should be sent to the County pursuant to Article 12. To reduce the amount withheld, Contractor has the option to provide County with either a full or partial waiver from the State of California.

3. Term of Agreement. The term of this Agreement shall be from the Effective Date to a date three years thereafter, unless terminated earlier in accordance with the provisions of Article 4 below.

4. Termination.

4.1 Termination Without Cause. Notwithstanding any other provision of this Agreement, at any time and without cause, County shall have the right, in its sole discretion, to terminate this Agreement by giving 5 days written notice to Contractor.

4.2 Termination for Cause. Notwithstanding any other provision of this Agreement, should Contractor fail to perform any of its obligations hereunder, within the time and in the manner herein provided, or otherwise violate any of the terms of this Agreement, County may immediately terminate this Agreement by giving Contractor written notice of such termination, stating the reason for termination.

4.3 Delivery of Work Product and Final Payment Upon Termination.

In the event of termination, Contractor, within 14 days following the date of termination, shall deliver to County all reports, original drawings, graphics, plans, studies, and other data or documents, in whatever form or format, assembled or prepared by Contractor or Contractor's subcontractors, Contractors, and other agents in connection with this Agreement and shall submit to County an invoice showing the services performed, hours worked, and copies of receipts for reimbursable expenses up to the date of termination.

4.4 Payment Upon Termination. Upon termination of this Agreement by County, Contractor shall be entitled to receive as full payment for all services satisfactorily rendered and reimbursable expenses properly incurred hereunder, an amount which bears the same ratio to the total payment specified in the Agreement as the services satisfactorily rendered hereunder by Contractor bear to the total services otherwise required to be performed for such total payment; provided, however, that if services which have been satisfactorily rendered are to be paid on a per-hour or per-day basis, Contractor shall be entitled to receive as full payment an amount equal to the number of hours or days actually worked prior to the termination times the applicable hourly or daily rate; and further provided, however, that if County terminates the Agreement for cause pursuant to Section 4.2, County shall deduct from such amount the amount of damage, if any, sustained by County by virtue of the breach of the Agreement by Contractor.

4.5 Authority to Terminate. The Board of Supervisors has the authority to terminate this Agreement on behalf of the County. In addition, the Purchasing Agent or Sonoma County Public Infrastructure Department Head, in consultation with County Counsel, shall have the authority to terminate this Agreement on behalf of the County.

5. Indemnification. Contractor agrees to accept all responsibility for loss or damage to any person or entity, including County, and to indemnify, hold harmless, and release County, its officers, agents, and employees, from and against any actions, claims, damages, liabilities, disabilities, or expenses, that may be asserted by any person or entity, including Contractor, that arise out of, pertain to, or relate to Contractor's or its agents', employees', contractors', subcontractors', or invitees' performance or obligations under this Agreement. Contractor agrees to provide a complete defense for any claim or action brought against County based upon a claim relating to such Contractor's or its agents', employees', contractors', subcontractors', or invitees' performance or obligations under this Agreement. Contractor's obligations under this Section apply whether or not there is concurrent or contributory negligence on County's part, but to the extent required by law, excluding liability due to County's conduct. County shall have the right to select its legal counsel at Contractor's expense, subject to Contractor's approval, which shall not be unreasonably withheld. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for Contractor or its agents under workers' compensation acts, disability benefits acts, or other employee benefit acts.

6. Insurance. With respect to performance of work under this Agreement, Contractor shall maintain and shall require all of its subcontractors, Contractors, and other agents to maintain, insurance as described in Exhibit D, which is attached hereto and incorporated herein by this reference.

7. Prosecution of Work. Performance of the services hereunder shall be completed within the time required herein, provided, however, that if the performance is delayed by earthquake, flood, high water, or other Act of God or by strike, lockout, or similar labor disturbances, the time for Contractor's performance of this Agreement shall be extended by a number of days equal to the number of days Contractor has been delayed.

8. Extra or Changed Work. Extra or changed work or other changes to the Agreement may be authorized only by written amendment to this Agreement, signed by both parties. Minor changes, which do not exceed the delegated signature authority of the Department Head and which do not significantly change the scope of work or significantly lengthen time schedules may be executed by the Department Head in a form approved by County Counsel. The Board of Supervisors must authorize all other extra or changed work. The parties expressly recognize that, pursuant to Sonoma County Code Section 1-11, County personnel are without authorization to order extra or changed work or waive Agreement requirements. Failure of Contractor to secure such written authorization for extra or changed work shall constitute a waiver of any and all right to adjustment in the Agreement price or Agreement time due to such unauthorized work and thereafter Contractor shall be entitled to no compensation whatsoever for the performance of such work. Contractor further expressly waives any and all right or remedy by way of restitution and quantum meruit for any and all extra work performed without such express and prior written authorization of the County.

9. Representations of Contractor.

9.1 Standard of Care. County has relied upon the professional ability and training of Contractor as a material inducement to enter into this Agreement. Contractor hereby agrees that all its work will be performed and that its operations shall be conducted in accordance with generally accepted and applicable professional practices and standards as well as the requirements of applicable federal, state and local laws, it being understood that acceptance of Contractor's work by County shall not operate as a waiver or release.

9.2 Status of Contractor. The parties intend that Contractor, in performing the services specified herein, shall act as an independent contractor and shall control the work and the manner in which it is performed. Contractor is not to be considered an agent or employee of County and is not entitled to participate in any pension plan, worker's compensation plan, insurance, bonus, or similar benefits County provides its employees. In the event County exercises its right to terminate this Agreement pursuant to Article 4, above, Contractor expressly agrees that it shall have no recourse or right of appeal under rules, regulations, ordinances, or laws applicable to employees.

9.3 No Suspension or Debarment. Contractor warrants that it is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in covered transactions by any federal department or agency. Contractor also warrants that it is not suspended or debarred from receiving federal funds as listed in the List of Parties Excluded from Federal Procurement or Non-procurement Programs issued by the General Services Administration. If the Contractor becomes debarred, Contractor has the obligation to inform the County

9.4 Taxes. Contractor agrees to file federal and state tax returns and pay all applicable taxes on amounts paid pursuant to this Agreement and shall be solely liable and responsible to pay such taxes and other obligations, including, but not limited to, state and federal income and FICA taxes. Contractor agrees to indemnify and hold County harmless from any liability which it may incur to the United States or to the State of California as a consequence of Contractor's failure to pay, when due, all such taxes and obligations. In case County is audited for compliance regarding any withholding or other applicable taxes, Contractor agrees to furnish County with proof of payment of taxes on these earnings.

9.5 Records Maintenance. Contractor shall keep and maintain full and complete documentation and accounting records concerning all services performed that are compensable under this Agreement and shall make such documents and records available to County for inspection at any reasonable time. Contractor shall maintain such records for a period of four (4) years following completion of work hereunder.

9.6 Conflict of Interest. Contractor covenants that it presently has no interest and that it will not acquire any interest, direct or indirect, that represents a financial conflict of interest under state law or that would otherwise conflict in any manner or degree with

the performance of its services hereunder. Contractor further covenants that in the performance of this Agreement no person having any such interests shall be employed. In addition, if requested to do so by County, Contractor shall complete and file and shall require any other person doing work under this Agreement to complete and file a "Statement of Economic Interest" with County disclosing Contractor's or such other person's financial interests.

9.7 Statutory Compliance/Living Wage Ordinance. Contractor agrees to comply with all applicable federal, state and local laws, regulations, statutes and policies, including but not limited to the County of Sonoma Living Wage Ordinance, applicable to the services provided under this Agreement as they exist now and as they are changed, amended or modified during the term of this Agreement. Without limiting the generality of the foregoing, Contractor expressly acknowledges and agrees that this Agreement may be subject to the provisions of Article XXVI of Chapter 2 of the Sonoma County Code, requiring payment of a living wage to covered employees. Noncompliance during the term of the Agreement will be considered a material breach and may result in termination of the Agreement or pursuit of other legal or administrative remedies.

9.8 Nondiscrimination. Without limiting any other provision hereunder, Contractor shall comply with all applicable federal, state, and local laws, rules, and regulations in regard to nondiscrimination in employment because of race, color, ancestry, national origin, religion, sex, marital status, age, medical condition, pregnancy, disability, sexual orientation or other prohibited basis, including without limitation, the County's Non-Discrimination Policy. All nondiscrimination rules or regulations required by law to be included in this Agreement are incorporated herein by this reference.

9.9 AIDS Discrimination. Contractor agrees to comply with the provisions of Chapter 19, Article II, of the Sonoma County Code prohibiting discrimination in housing, employment, and services because of AIDS or HIV infection during the term of this Agreement and any extensions of the term.

9.10 Assignment of Rights. Contractor assigns to County all rights throughout the world in perpetuity in the nature of copyright, trademark, patent, right to ideas, in and to all versions of the plans and specifications, if any, now or later prepared by Contractor in connection with this Agreement. Contractor agrees to take such actions as are necessary to protect the rights assigned to County in this Agreement, and to refrain from taking any action which would impair those rights. Contractor's responsibilities under this provision include, but are not limited to, placing proper notice of copyright on all versions of the plans and specifications as County may direct, and refraining from disclosing any versions of the plans and specifications to any third party without first obtaining written permission of County. Contractor shall not use or permit another to use the plans and specifications in connection with this or any other project without first obtaining written permission of County.

9.11 Ownership and Disclosure of Work Product. All reports, original drawings, graphics, plans, studies, and other data or documents ("documents"), in whatever

form or format, assembled or prepared by Contractor or Contractor's subcontractors, Contractors, and other agents in connection with this Agreement shall be the property of County. County shall be entitled to immediate possession of such documents upon completion of the work pursuant to this Agreement. Upon expiration or termination of this Agreement, Contractor shall promptly deliver to County all such documents, which have not already been provided to County in such form or format, as County deems appropriate. Such documents shall be and will remain the property of County without restriction or limitation. Contractor may retain copies of the above- described documents but agrees not to disclose or discuss any information gathered, discovered, or generated in any way through this Agreement without the express written permission of County.

9.12 Authority. The undersigned hereby represents and warrants that he or she has authority to execute and deliver this Agreement on behalf of Contractor.

9.13 Subcontracting.

9.13.1 Nothing contained in this Agreement or otherwise, shall create any contractual relation between County and any subcontractor(s), and no subcontract shall relieve Contractor of its responsibilities and obligations hereunder. Contractor agrees to be as fully responsible to County for the acts and omissions of its subcontractor(s) and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by Contractor. Contractor's obligation to pay its subcontractor(s) is an independent obligation from County's obligation to make payments to the Contractor.

9.13.2 Contractor shall perform the work contemplated with resources available within its own organization and no portion of the work shall be subcontracted without written authorization by County's Department Head, except that which is expressly identified in the attached Rate Sheet - Exhibit C.

9.13.3 All subcontracts entered into as a result of this contract shall contain all the provisions stipulated in this contract to be applicable to subcontractors.

9.13.4 Any substitution of subcontractor(s) must be approved in writing by County's Department Head in advance of assigning work to the substitute subcontractor.

9.14 Equipment Purchase and Other Capital Expenditures.

9.14.1 Any equipment purchased as a result of this Agreement is subject to the acquisition, use, and disposal requirements of 2 CFR Part 200, including

the following: (1) Contractor shall maintain an inventory of all nonexpendable property. Nonexpendable property is defined as having a useful life of at least two years and an acquisition cost of \$5,000 or more. If the purchased equipment needs replacement and is sold or traded in, County shall receive a proper refund or credit at the conclusion of the Agreement, or if the Agreement is terminated, Contractor may either keep the equipment and credit County in an amount equal to its fair market value, or sell such equipment at the best price obtainable at a public or private sale, in accordance with established County procedures and credit County in an amount equal to the sales price. If Contractor elects to keep the equipment, fair market value shall be determined at Contractor expense, on the basis of a competent independent appraisal of such equipment. Appraisals shall be obtained from an appraiser mutually agreeable to by County and Contractor, if it is determined to sell the equipment, the terms and conditions of such sale must be approved in advance by County.

9.15 Appropriation Requirements.

9.15.1 Contractor understands that this Agreement was executed before ascertaining the availability of funds or appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays that could occur if the Agreement were executed after that determination was made.

9.15.2 It is mutually agreed that if sufficient funds are not appropriated, this Agreement may be amended to reflect any reduction in funds.

9.15.3 County has the option to terminate the Agreement pursuant to Article 4, or by mutual agreement to amend the Agreement to reflect any reduction of funds.

9.16 Inspection of Work.

Contractor and any subcontractor shall permit County, the state, and the federal government, to review and inspect the project activities and files at all reasonable times during the Term of this Agreement, including review and inspection on a daily basis.

10. Prevailing Wages

10.1 General. Contractor shall pay to persons performing services hereunder amounts no less than the general prevailing rate of per diem wages for (1) work of a similar character in the locality in which the work is performed and (2) legal holiday and overtime work in said locality. The per diem wages shall be an amount equal to or more than the stipulated rates contained in a schedule that has been ascertained and determined by the Director of the State Department of Industrial Relations and County to be the general prevailing rate of per diem

wages for each craft or type of workman or mechanic needed to execute this Agreement. Contractor shall also cause a copy of this determination of the prevailing rate of per diem wages to be posted at each site work is being performed. Copies of the prevailing wage rate of per diem wages are on file at Sonoma County Public Infrastructure and will be made available to any person upon request.

10.2 Subcontracts. Contractor shall insert in every subcontract or other arrangement which Contractor may make for performance of such work or labor on work provided for in the Agreement, provision that Subcontractor shall pay persons performing labor or rendering service under subcontract or other arrangement not less than the general prevailing rate of per diem wages for work of a similar character in the locality in which the work is performed, and not less than the general prevailing rate of per diem wages for holiday and overtime work fixed in the Labor Code. Pursuant to Labor Code Section 1775(b)(1), Contractor shall provide to each Subcontractor a copy of Sections 1771, 1775, 1776, 1777.5, 1813 and 1815 of the Labor Code.

10.3 Compliance Monitoring and Registration: This work specified above is subject to compliance monitoring and enforcement by the Department of Industrial Relations. Contractor shall furnish and shall require all subcontractors to furnish the records specified in Labor Code section 1776 (e.g. electronic certified payroll records) directly to the Labor Commissioner in a format prescribed by the Labor Commissioner at least monthly (Labor Code 1771.4 (a)(3)). Contractor and all subcontractors performing work that requires payment of prevailing wages shall be registered and qualified to perform public work pursuant to Labor Code section 1725.5 as a condition to engage in the performance of any services under this Agreement.

10.4 Compliance With Law. In addition to the above, Contractor stipulates that it shall comply with all applicable wage and hour laws, including without limitation Labor Code Sections 1725.5, 1775, 1776, 1777.5 1813 and 1815 and California Code of Regulations, Title 8, Section 16000, et seq.

11. Demand for Assurance. Each party to this Agreement undertakes the obligation that the other's expectation of receiving due performance will not be impaired. When reasonable grounds for insecurity arise with respect to the performance of either party, the other may in writing demand adequate assurance of due performance and until such assurance is received may, if commercially reasonable, suspend any performance for which the agreed return has not been received. "Commercially reasonable" includes not only the conduct of a party with respect to performance under this Agreement, but also conduct with respect to other agreements with parties to this Agreement or others. After receipt of a justified demand, failure to provide within a reasonable time, but not exceeding thirty (30) days, such assurance of due performance as is adequate under the circumstances of the particular case is a repudiation of this Agreement. Acceptance of

any improper delivery, service, or payment does not prejudice the aggrieved party's right to demand adequate assurance of future performance. Nothing in this Article limits County's right to terminate this Agreement pursuant to Article 4.

12. Assignment and Delegation. Neither party hereto shall assign, delegate, sublet, or transfer any interest in or duty under this Agreement without the prior written consent of the other, and no such transfer shall be of any force or effect whatsoever unless and until the other party shall have so consented.

13. Method and Place of Giving Notice, Submitting Bills and Making Payments. All notices, bills, and payments shall be made in writing and shall be given by personal delivery or by U.S. Mail or courier service. Notices, bills, and payments shall be addressed as follows:

To the fullest extent allowed by law, the provisions of this Agreement shall be construed and given effect in a manner that avoids any violation of statute, ordinance, regulation, or law. No modification of this Agreement shall be effective unless and until such modification is evidenced by a writing signed by both parties.

14.8. Survival of Terms. All express representations, waivers, indemnifications, and limitations of liability included in this Agreement will survive its completion or termination for any reason.
