Resolution Of The Board Of Supervisors Of The County Of Sonoma, State Of California, Honoring TLC Child & Family Services On Its 50th Anniversary

Whereas, for fifty years, TLC Child & Family Services has been a cornerstone of support for children, youth, and families in Sonoma County and surrounding North Bay communities. Since its founding in 1975, TLC has expanded from its early beginnings to provide a full continuum of care - including foster family services, mental health treatment, transitional housing, crisis intervention, and educational programming through Journey Academy; and

Whereas, Thousands of young people and families have found hope, stability, and healing through TLC's programs, and the organization's commitment to trauma-informed practice and community collaboration has strengthened the fabric of our region; and

Whereas, As TLC celebrates its 50th anniversary, we recognize the organization's ongoing leadership in addressing homelessness, mental health, and opportunity gaps affecting youth and families across Northern California.

Whereas, Pip's calm demeanor, inclusive style, and dedication to open public process have built trust across the region and encouraged participation from a wide range of voices; and

Now therefore, Be It Resolved, that the Sonoma County Board of Supervisors hereby commends TLC Child & Family Services for fifty years of transformative service, visionary leadership, and enduring impact in our communities
