

## **5 DAY NOTICE BEFORE ADOPTION**

SUMMARY OF PROPOSED ORDINANCE amending Chapter 20, Article VIII of the Sonoma County Code updating County of Sonoma marinas (introduced on December 16, 2025).

On February 3, 2026, in the Board of Supervisors Chambers at 575 Administration Drive, Santa Rosa, California 95403, at 8:30am or as soon thereafter as may be heard, the Board of Supervisors for the County of Sonoma (County) will consider for adoption a proposed ordinance amending Chapter 20, Article VIII of the Sonoma County Code updating County of Sonoma marinas (introduced on December 16, 2025). The ordinance expands Article VIII to cover all County-operated marinas (Spud Point Marina, Mason's Marina, and the Sport Fishing Center), updates definitions, clarifies operational authority of the Park Authority and Marina Supervisor, incorporates visitor-serving berth provisions, and strengthens rules related to pollution control, safety, berthing, and fee authority. These updates ensure that the County Code reflects current operational practices, supports fiscal stability, and provides a framework for both commercial and recreational marina users.

The proposed ordinance will be placed on the Board's Consent Agenda on February 3, 2026, for consideration for adoption and it will become effective thirty (30) days after the date of its adoption. The proposed ordinance will also be published in summary form once before the expiration of fifteen (15) days after its adoption. Copies of the full text of the ordinance shall be available for review at the Clerk of the Board 5 days before the adoption date.
