Resolution of the Board of Supervisors of the County Of Sonoma, State of California, Amending the Department Allocation Table of the Board of Supervisors/County Administrator's Office to Delete 1.0 Full-Time Equivalent Board of Supervisors' Aide Allocation and Add 1.0 Full-Time Equivalent Board of Supervisors' Field Representative Allocation, Specific to the Fourth District, Effective March 10, 2020.

Whereas, Human Resources recently developed a new job class, Board of Supervisors' Field Representative, which added to the list of job classes that Supervisorial Districts could use to staff the respective Districts; and

Whereas, The Board of Supervisors' Aide classification focuses more on general District support and office coverage, and the Field Representative position focuses more on assignments and work that brings that staff member out into the District community on a regular basis; and

Whereas, Given the general make-up of the Fourth Supervisorial District, there is a need for Fourth District staff to be immersed in the community on a frequent basis; and

Whereas, It has been determined that changing one Aide position to a Field Representative position would better serve the needs of the Fourth District and there will be no negative impact to the existing staff as a result of this change;

Now, Therefore, Be It Resolved that the Allocation Table of County Administrator/Board of Supervisors' Office is hereby revised as follows:

Budget Index	Job Class	Class Title	Existing Positions In Class	Change in Position Allocation	New Total Allocation For Class	Duration/ End Date	Salary Range
15010104	0851	Board of Supervisors' Aide	2.0	(-1.0)	1.0	Ongoing	2631
15010104	0861	Board of Supervisors' Field Representative	0.0	1.0	1.0	Ongoing	3105
