The schedule and a detailed description of the binder contents can be found in Tab 01 of the above-mentioned budget binder materials.

**Discussion:**

The total recommended uses (excluding operating transfers) for FY 2024-25 is \$2.46 billion. This is financed by \$2.18 billion in sources and \$277 million in use of fund balance. Use of fund balance includes use of accumulated revenues or bond funding for capital projects and other one-time costs. Details regarding the overall recommended budget can be found in the Executive Overview of the FY 2024-25 Recommended Budget book (pages xiii - xviii). Details associated with departments' budgets can be found within that book.

In addition to the Recommended Budget, the County Administrator's Office compiles information for Budget Hearings for the Board of Supervisors and the public to explain staff recommendations to adjust the budget before final adoption. The information (commonly referred to as the "Budget Hearing Materials Binder") can be found on the County's Budget Reports webpage:

Layoff Administration and Mitigation Strategies

The recommended budget includes potential layoffs of 3.0 full-time equivalent (FTE) Victim Witness Advocate in the District Attorney’s Office due to a reduction in State funding. The department has submitted a program change requesting General Fund support to retain these encumbered positions. If the adoption of the FY 2024 -25 County budget results in the reduction of any allocated positions that are currently encumbered, Human Resources seeks authorization from the Board to work with departments to administer layoff proceedings, effective October 1, 2024, in accordance with the Sonoma County Civil Service Rules, specifically Rule 11: Layoffs. This includes the extension of any filled time-limited allocations set to expire on June 30, 2024, to the new date of September 30, 2024.

Further, Human Resources seeks approval to implement strategies, effective between now and October, to mitigate employee impacts and minimize the number of potential job losses to the extent reasonably possible.
