1. BOND TERMS AND CONDITIONS

- 1.1. Contractor and Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors and assigns to Owner for the complete and proper performance of the Agreement, which is incorporated herein by reference.
- 1.2. If Contractor completely and properly performs all of its obligations under the Agreement, Surety and Contractor shall have no obligation under this Bond.
- 1.3. If there is no Owner Default, Surety's obligation under this Bond shall arise after:
 - a. Owner has declared a Contractor Default under the Agreement pursuant to the terms of the Agreement; and
 - b. Owner has agreed to pay the Balance of the Agreement Amount:
 - i. To Surety in accordance with the terms of this Bond and the Agreement; or
 - ii. To a contractor selected to perform the Agreement in accordance with the terms of this Bond and the Agreement.
- 1.4. When Owner has satisfied the conditions of Paragraph 1.3, above, Surety shall promptly (within 30 days) and at Surety's expense elect to take one of the following actions:
 - a. Arrange for Contractor, with consent of Owner, to perform and complete the Agreement (but Owner may withhold consent, entirely within its discretion, in which case the Surety must elect an option described in Paragraphs 1.4.b, 1.4.c, or 1.4.d, below); or
 - b. Undertake to perform and complete the Agreement itself, through its agents or through independent contractors; provided that Surety may not select Contractor as its agent or independent contractor without Owner's consent; or
 - c. Undertake to perform and complete the Agreement by obtaining bids from qualified contractors acceptable to Owner for a contract for performance and completion of the Agreement and, upon determination by Owner of the lowest responsive and responsible bidder, arrange for an agreement to be prepared for execution by Owner and the contractor selected with Owner's concurrence, to be secured with performance and payment bonds executed by a qualified surety equivalent to the bonds attached to this Agreement; and, if Surety's obligations defined in Paragraph 1.6, below, exceed the Balance of the Agreement Amount, then Surety shall pay to Owner the amount of such excess upon Owner's demand; or
 - d. Waive its right to perform and complete, arrange for completion, or obtain a new contractor and with reasonable promptness under the circumstances and, after investigation and consultation with Owner, tender the full penal sum of the bond.
- 1.5. If Surety does not proceed as provided in Paragraph 1.4, above, then Surety shall be deemed to be in default on this Bond ten Days after receipt of an additional written notice from Owner to Surety demanding that Surety perform its obligations under this Bond. At all times Owner shall be entitled to enforce any remedy available to Owner at law or under the Agreement, including without limitation, and by way of example only,

rights to perform work, protect work, mitigate damages, advance critical work to mitigate schedule delay, or coordinate work with other consultants or contractors.

- 1.6. Surety's monetary obligation under this Bond is limited by the amount of this Bond identified herein as the Penal Sum. This monetary obligation shall augment the Balance of the Agreement Amount. Subject to these limits, Surety's obligations under this Bond are commensurate with the obligations of Contractor under the Agreement. Surety's obligations shall include, but are not limited to:
 - a. The responsibilities of Contractor under the Agreement for completion of the Agreement and correction of Defective Work;
 - b. The responsibilities of Contractor under the Agreement to pay liquidated damages, and for damages for which no liquidated damages are specified in the Agreement, actual damages caused by non-performance of the Agreement including, but not limited to, all valid and proper backcharges, offsets, payments, indemnities, or other damages;
 - c. Additional legal, design professional, and delay costs resulting from Contractor Default or resulting from the actions or failure to act of the Surety under Paragraph 1.4, above (but excluding attorney's fees incurred to enforce this Bond).
- 1.7. No right of action shall accrue on this Bond to any person or entity other than Owner or its successors or assigns.
- 1.8. Surety hereby waives notice of any change, alteration or addition, to the Agreement or to related subcontracts, purchase orders, and other obligations, including changes of time. Surety consents to all terms of the Agreement, including provisions on changes to the Agreement. No extension of time, change, alteration, modification, deletion, or addition to the Agreement, or of the work required thereunder, shall release or exonerate Surety on this Bond or in any way affect the obligations of Surety on this Bond.
- 1.9. Any proceeding, legal or equitable, under this Bond shall be instituted in any court of competent jurisdiction where a proceeding is pending between Owner and Contractor regarding the Agreement, or in the courts of the County of Sonoma, or in a court of competent jurisdiction in the location in which the work is located. Communications from Owner to Surety under Paragraph 1.3.a of this Bond shall be deemed to include the necessary agreements under Paragraph 1.3.b of this Bond unless expressly stated otherwise.
