## Interests & Experiences

Please tell us about yourself and why you want to serve.

### Why are you interested in serving on a board or commission?

First and foremost: I love the library! And I love libraries in general. Secondly, I am retired and a couple of my commitments have wound down, so I now have time in my schedule for a new volunteer activity. I enjoy working with people, and I enjoy giving back to the community in ways that fit my life experience and interests.
