NOTICE OF INTENT TO AWARD

Emergency Food Services

SC001-00000001974

The evaluation panel carefully reviewed and analyzed the proposals received in response to the above referenced solicitation. Based upon that review and analysis, we are recommending to the Sonoma County Board of Supervisors that the contract be a multi-award to the following suppliers: the Ceres Community Project, Sonoma Family Meal, and SLSCO Ltd.

Thank you for your interest in working with the County of Sonoma, and we hope you continue to submit proposals to the County for future projects.

Jeff Duvall

Director, Department of Emergency Management
