NOT TO BE USED FOR FEDERALLY FUNDED PROJECTS UNLESS APPROVED IN ADVANCE BY GRANT MANAGER-

On August 3, 2023, Sonoma County Water Agency (Sonoma Water) issued a Request for Statements of Qualifications (RFQ) to the attached list of 31 firms.

The RFQ was also posted on the Sonoma County Water Agency and County of Sonoma Purchasing Department websites.

The 15 firms listed below submitted Statements of Qualifications (SOQs):

The following criteria were used to evaluate each firm:

- Thoroughness of SOQ
- Professional qualifications and demonstrated ability to perform the work
- Exceptions to standard terms in the sample agreement
- Local Service provider Preference

Based on the evaluations, all 15 of the firms who responded were deemed qualified and were included on the list of qualified consultants.

For projects requiring cultural resources management planning and study services, and related services, Sonoma Water will contact individual firms from the above list to determine availability and potential conflict of interest with other projects that the firm is undertaking, and to prepare a cost proposal to perform the work.

Prior to contacting a firm, Sonoma Water will, at a minimum, vet the firm against federal sanctions lists to comply with Executive Order N-6-22. Executive Order N-6-22 was issued by Governor Newsom to support federal efforts aimed at the Russian war on Ukraine. To remain eligible for state contracting and grant funding, Sonoma Water will not contract with firms listed on the sanctions lists or that are a target of the federal sanctions.

SOQs and evaluation forms have been sent to Records.
