**Resolution of the Board Of Supervisors of the County of Sonoma, State of California,
Establishing a Stipend for Redistricting Commission Members for Attendance at Redistricting
Commission Meetings**

Whereas, in response to the Federal Voting Rights Act of 1965 mandate that the Board of Supervisors adjust supervisorial district boundaries within the County to reflect new census data every ten years, the Board of Supervisors has established a Sonoma County Advisory Redistricting Commission (“ARC”) for the purpose of performing outreach, holding hearings and making recommendations consistent with Elections Code requirements;

Whereas, in recognition of the time commitment involved and in order to encourage participation by economically disadvantaged persons, the Board desires to establish a stipend for attendance at the ARC meetings by the commission members;

Whereas, Salary Resolution Section 6.4, “Boards and Commissions,” provides that the Board of Supervisors shall set compensation for boards and commissions by Resolution;

Now, Therefore, Be It Resolved that each member of the ARC shall receive \$____ for each half day and \$____ for each full day for each meeting day attended.
