

PROPOSAL STATEMENT

Re: 300 Valley Ford Freestone Road, Valley Ford

AP# 026-100-013

The property referenced above houses 50 Dairy goats for its agricultural operation, and the proposed Farm Family Dwelling Unit will be occupied by a member of the family. This unit would be replacing an existing 704 sf residence on the property. Accordingly, we propose to demolish, redesignate, and replace the existing SFR as a Farm Family Dwelling Unit.
