Recommended Action:

Review the 2025 Board Calendar of Items of Significant Interest

Executive Summary:

Annually the Board discusses strategic priorities and Board content for consideration.

Discussion:

Per the Board Rules of Procedure Rule 45, this item is to review of the Calendar of Significant Interest for 2025. □

The review provides an opportunity for the Board to discuss policy priorities and to give direction to the County Executive regarding significant items throughout the year. The objective with the calendar is to schedule no more than 80% capacity for each meeting to allow space for urgent additions, such as land use hearings that arise throughout the year. A draft calendar (Attachment 1) reflects County department and agency input on strategic priorities that should come to the Board for consideration for the calendar year. The final Calendar of Items of Significant for 2025 will be put forward on January 28, 2025 for adoption.
