

CLERK'S CERTIFICATE TO COUNTY INITIATIVE PETITION

I, DEVA MARIE PROTO, SONOMA COUNTY CLERK AND REGISTRAR OF VOTERS, COUNTY OF SONOMA, STATE OF CALIFORNIA HEREBY CERTIFY THAT:

The Improved and Enhanced Local Fire Protection, Paramedic Services and Disaster Response initiative petition was filed with this office on the 27th of July, 2023. Said petition consists of 1,366 sections containing 28,990 signatures purporting to be those of qualified electors in the County of Sonoma;

Each petition section, at the time of filing, contained an affidavit of the person who solicited the signatures and the dates between which the purported qualified electors signed. The affiant states that he/she solicited the signatures upon that section; that all of the signatures were made in his/her presence, and that, to the best of his/her knowledge and belief, each signature was the signature of the person whose name it purports to be;

After the petition was filed, the required number of signatures were verified by examining the records of registration in this county, current and in effect at the respective purported dates of such signing, to determine what number of qualified electors signed the petition, and from that examination **the petition was found sufficient.**

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my official seal this 29TH day of August, 2023
