By signing either form, the contractor agrees to promptly notify the County of any changes in the facts. Forms should be sent to the County pursuant to Article 12. To reduce the amount withheld, Contractor has the option to provide County with either a full or partial waiver from the State of California.

GEOGRAPHIC SERVICE AREA(S): Countywide

PROGRAM AREA: **Brown Bag**

1. Program Overview: The Brown Bag program provides both surplus, and donated edible fruits, vegetables, and other unsold food products to low-income older adults aged 60 and older in order to help increase nutrient intake and prevent health deterioration. Participants will receive a robust provision of at least 25 pounds (21 meals worth) of healthy surplus food.

The following key actions comprise the plan to deliver the proposed Brown Bag activities to thousands of low-income seniors across Sonoma County:

- Strategically source and procure surplus and donated food through producers/growers, wholesalers, manufacturers, etc. Transport and distribute surplus and donated items, including fresh produce available through partnerships with the California Association of Food Banks.
 - Enlist the help of dedicated volunteers to glean and sort food at Redwood Empire Food Bank’s facility in Santa Rosa, assist at distribution sites, and deliver food to homebound seniors where possible.
 - Conduct ongoing outreach with local site hosts to confirm their committed support for efforts and regularly communicate any program changes.
 - Conduct direct outreach to age-eligible seniors to ensure that all elderly individuals in need of services can receive them.
 - Distribute food to senior clients on a monthly, twice monthly, or weekly basis across Sonoma County (depending on the site), through a combination of drive-through, walk-up and porch delivery models to meet participants where they are in a manner that is most convenient for them.

4. Equity Statement:

The County of Sonoma supports fair, accessible, and relevant services that promote equity and social justice for families and individuals. In January 2021, Sonoma County's Board of Supervisors approved a five-year strategic plan, which includes a Racial Equity and Social Justice pillar. The pillar is made up of specific goals and objectives that will lead to normalizing, organizing, and operationalizing a new way of seeing our challenges, conducting analysis, and implementing new policies to ensure a workforce reflective of the community we serve and to achieve racial equity in County service provision.

5. Anti-Racist Results-Based Accountability (AR RBA) Plan:

AR RBA recognizes that inequities in Sonoma County are the result of generations of institutional and structural racism. Advancing equity in our community demands that we look at community and program level data by race and other social demographics to adopt strategies to eliminate inequities. The AR RBA framework centers communities with the greatest need while creating a data driven culture that embodies root cause analysis, participatory practice, organizational self-reflection and authentic relationship building.

Measurable change is a core component of a data driven culture. AR RBA uses Performance Measures to look at the quality, efficiency, and outcome of services. AR RBA asks three Performance Measure questions to get at the most important program outputs and outcomes: How much did we do? How well did we do it? Is anyone better off?

Upon execution of the contract County and Contractor may work to develop Performance Measures reflective of outcomes included in the scope of work. This may include, but is not limited to, attending one (1) AR RBA training, creating an AR RBA plan, submitting quarterly Performance Measure data and participating in periodic AR RBA Turn the Curve conversations. County and Contractor will finalize AR RBA plan within two (2) months of contract execution.

The cost of this audit shall be deducted from the total paid to Contractor through this Agreement.
