RE: Landfill Settlement Agreement Funds – City Contingent Liability Funds

Dear Ms. Rivera,

This letter serves as notice that on February 19, 2026, the Committed Cities of the Central Disposal Site and Former Landfills Settlement Agreement by a vote of six of the committed cities approved a request by the Town of Windsor to withdraw \$535,000 from the Town of Windsor's share of the City Contingent Liability Funds to support community cleanup and waste reduction activities through activities such as implementing enhanced weed and debris abatement programs in addition to the purchase vector resistant "Big Belly" solid waste and recycling containers.

The cities that voted on the affirmative to the request were Cloverdale, Healdsburg, Rohnert Park, Santa Rosa, Sebastopol and Windsor. Therefore, we respectfully request the County of Sonoma disburse the requested funds to the Town of Windsor.

The committed cities continue to agree to only support requests for disbursement that amount to no more than 50% of the fund balance for a given city, and the Town of Windsor's request in the attached letter was amended during the meeting to reflect this commitment. If you require a revised letter, please let me know and we will work with the Town to provide an update.

Sincerely,

Jason Nutt
