Title:

Annual Federal Equitable Sharing Agreement and Certification with the U.S. Department of Justice and the U.S. Treasury.

Recommended Action:

Authorize the Chairperson of the Board of Supervisors to execute annual Federal Equitable Sharing Agreement and Certifications with the U.S. Department of Justice and the U.S. Treasury for fiscal year 2024-2025, as annual reporting ensures eligibility for future funding.

Executive Summary:

Upon execution of the Agreement and Certification, the District Attorney's Office will be authorized to continue participating in the Department of Justice Equitable Sharing Program. Through this program, the Department of Justice distributes an equitable share of forfeited property and proceeds to participating state and local law enforcement agencies that directly participate in an investigation or prosecution resulting in a federal forfeiture. For example, if the District Attorney's Office prosecutes a narcotics trafficking case and the related asset forfeiture matter is pursued federally, or the District Attorney's Office assists local law enforcement investigating a narcotics trafficking case that is prosecuted federally by reviewing search warrants, the District Attorney's Office will receive a proportionate share of any forfeited assets from the case.

Each year, the District Attorney's Office must submit an agreement and certification within 60 days of the close of its fiscal year. The District Attorney's Office must report all equitably shared funds received during the last fiscal year and how those funds were spent.

Discussion:

This action has been brought to the Board for approval annually since 1997. It allows the District Attorney's Office, when working with federal agencies to enforce federal criminal laws, to receive an equitable share of federal asset forfeiture proceeds. The U.S. Department of Justice and Treasury requires the Chairperson of the Board of Supervisors to execute an annual Federal Equitable Sharing Agreement and Certification that confirms the proceeds received are allocated as required by federal statutes and regulations established by the U.S. Department of Justice and Treasury. The Agreement sets forth the statutory and regulatory requirements for participating in the program, and the restrictions upon the use of federally forfeited case property, proceeds, and any interest earned. All shared assets are required to be used only for law enforcement purposes. Backfilling locally funded programs with the County's share of forfeitures is not allowed.

These laws and regulations require that:

1. Forfeited funds or property must be kept separate from state or other forfeitures;
2. A federal Equitable Sharing Agreement and Certification be filed annually with both agencies;
3. A record shall be maintained of the funds or property and any expenditures; and
4. Funds exceeding \$100,000 shall be audited annually.

The fund balances in the Department of Justice and the Treasury Special Revenue Funds at the end of the fiscal year are as follows:

	<u>Justice</u>	<u>Treasury</u>
Fiscal year 2024-2025	\$8,365.40	\$3,525.96

The forfeited proceeds received through the Equitable Sharing Agreement vary greatly year to year (from \$0 to several thousand) as the receipt of funds is based on the participation in and resolution of specific court cases. As indicated in the attached Annual Certification Report, the District Attorney did not receive any federal asset forfeiture funds in FY 2024-2025, but it did earn interest on accumulated fund balances. The department did not expend any asset forfeiture funds during FY 2024-2025. □

Equitable shares allocated to a law enforcement agency such as the District Attorney’s Office must bear a reasonable relationship to the agency’s direct participation in the investigation or law enforcement effort resulting in the forfeiture. The U.S. Department of Justice ordinarily determines equitable shares by comparing the number of work hours expended by each agency participating in the seizure. Where the work hours alone do not reflect the contribution of a law enforcement agency, the U.S. Department of Justice considers qualitative factors in making a sharing allocation. When received, monies are placed into special asset forfeiture funds and must be used for law enforcement purposes only. Funds are held in a separate Special Revenue Fund as prescribed by the Guide to Equitable Sharing for State and Local Law Enforcement Agencies. If expenditures are made, these funds are included on the Schedule of Expenditures of Federal Awards (SEFA) as part of the County’s Single Audit of Federal Funds performed by the independent auditor, Eide Bailly, LLP.

Due to the unpredictable nature of revenue receipts, the District Attorney’s Office usually recommends these funds be used for one-time projects. Expenditure appropriations in asset forfeiture special revenue funds are approved by the Board either through the Board’s annual budget adoption process or through a separate Board Item, depending on the timing of the project requiring funding. Past expenditures include overtime for District Attorney Investigators, training for Deputy District Attorneys, and outreach.

The Certification Report included with the Agreement requires an electronic signature by the Agency Head (the District Attorney) and the Governing Body Head (the Chair of the Board) to certify under penalty of perjury that the County understands its obligations under the Agreement and that the reported financial information regarding the County’s receipt and expenditure of the funds is true and correct. County Counsel has reviewed the language of the Certification and has recommended that a letter accompany the Certification stating that it is being signed with the understanding that it is a *pro forma* document that does not require

either the District Attorney or the Chair of the Board to personally verify the matters being certified. A copy of the letter is attached for reference.

Asset forfeiture funds generated as a result of the Agreement are handled through the County's annual budget processes. For fiscal year 2025-2026, the District Attorney's Office has budgeted \$8,000 from Justice Funds and \$3,200 from Treasury Funds and anticipates using those funds in alignment with allowable expenditures, such as training and outreach.
