- C. SGMA requires the designation of groundwater sustainability agencies for the purpose of achieving groundwater sustainability through the adoption and implementation of groundwater sustainability plans or an alternative plan for medium- and high-priority basins as designated by the California Department of Water Resources.
- D. GSA was created under a Joint Exercise of Powers Agreement (JPA) entered into by and among the City of Petaluma, the Sonoma Resource Conservation Districts (RCD), North Bay Water District, Sonoma Water, and County of Sonoma.
- E. Under the JPA, the GSA Board may contract for services with a member of the JPA. The GSA Board now wishes to engage the services of Sonoma Water to provide outreach services.
- F. GSA requests consulting services necessary for outreach and communication services in an amount not to exceed \$46,000.

Sonoma Water also warrants that it is not suspended or debarred from receiving federal funds as listed in the List of Parties Excluded from Federal Procurement or Non-procurement Programs issued by the General Services Administration.

10.3. *Taxes:* Sonoma Water agrees to file federal and state tax returns and pay all applicable taxes on amounts paid pursuant to this Agreement and shall be solely liable and responsible to pay such taxes and other obligations, including, but not limited to, state and federal income and FICA taxes. Sonoma Water agrees to indemnify and hold GSA harmless from any liability which it may incur to the United States or to the State of California or to any other public entity as a consequence of Sonoma Water's failure to pay, when due, all such taxes and obligations. In case GSA is audited for compliance regarding any withholding or

other applicable taxes, Sonoma Water agrees to furnish GSA with proof of payment of taxes on these earnings.

- 10.4. *Records Maintenance:* Sonoma Water shall keep and maintain full and complete documentation and accounting records concerning all services performed that are compensable under this Agreement and shall make such documents and records available to GSA for inspection at any reasonable time. Sonoma Water shall maintain such records for a period of four (4) years following completion of work hereunder.
- 10.5. *Conflict of Interest:* Sonoma Water covenants that it presently has no interest and that it will not acquire any interest, direct or indirect, that represents a financial conflict of interest under state law or that would otherwise conflict in any manner or degree with the performance of its services hereunder. Sonoma Water further covenants that in the performance of this Agreement no person having any such interests shall be employed. In addition, if required by law or requested to do so by GSA, Sonoma Water shall submit a completed Fair Political Practices Commission Statement of Economic Interests (Form 700) with GSA within 30 calendar days after the Effective Date of this Agreement and each year thereafter during the term of this Agreement, or as required by state law.
- 10.6. *Nondiscrimination:* Sonoma Water shall comply with all applicable federal, state, and local laws, rules, and regulations in regard to nondiscrimination in employment because of race, color, ancestry, national origin, religion, sex, marital status, age, medical condition, pregnancy, disability, sexual orientation or other prohibited basis. All nondiscrimination rules or regulations required by law to be included in this Agreement are incorporated herein by this reference.
- 10.7. *Assignment of Rights:* Sonoma Water assigns to GSA all rights throughout the world in perpetuity in the nature of copyright, trademark, patent, right to ideas, in and to all versions of the plans and specifications, if any, now or later prepared by Sonoma Water in connection with this Agreement. Sonoma Water agrees to take such actions as are necessary to protect the rights assigned to GSA in this Agreement, and to refrain from taking any action which would impair those rights. Sonoma Water's responsibilities under this provision include, but are not limited to, placing proper notice of copyright on all versions of the plans and specifications as GSA may direct, and refraining from disclosing any versions of the plans and specifications to any third party without first obtaining written permission of GSA. Sonoma Water shall not use or permit another to use the plans and specifications in connection with this or any other project without first obtaining written permission of GSA.
- 10.8. *Ownership of Work Product:* All reports, drawings, graphics, plans, and studies, in their final form and format, assembled or prepared by Sonoma Water or Sonoma Water's subcontractors, consultants, and other agents in connection with this Agreement, shall be the property of GSA. - 10.9. *Authority:* The undersigned hereby represents and warrants that the undersigned has authority to execute and deliver this Agreement on behalf of Sonoma Water.

11. DEMAND FOR ASSURANCE

- 11.1. Each party to this Agreement undertakes the obligation that the other's expectation of receiving due performance will not be impaired. When reasonable grounds for insecurity arise with respect to the performance of either party, the other may in writing demand adequate assurance of due performance and until such assurance is received may, if commercially reasonable, suspend any performance for which the agreed return has not been received. "Commercially reasonable" includes not only the conduct of a party with respect to performance under this Agreement, but also conduct with respect to other agreements with parties to this Agreement or others. After receipt of a justified demand, failure to provide within a reasonable time, but not exceeding thirty (30) days, such assurance of due performance as is adequate under the circumstances of the particular case is a repudiation of this Agreement. Acceptance of any improper delivery, service, or payment does not prejudice the aggrieved party's right to demand adequate assurance of future performance. Nothing in this Article 11 limits GSA's right to terminate this Agreement pursuant to Article 6 (Termination).

12. ASSIGNMENT AND DELEGATION

- 12.1. *Consent:* Neither party hereto shall assign, delegate, sublet, or transfer any interest in or duty under this Agreement without the prior written consent of the other, and no such transfer shall be of any force or effect whatsoever unless and until the other party shall have so consented.
- 12.2. *Subcontracts:* Notwithstanding the foregoing, Sonoma Water may enter into subcontracts with the subconsultants specifically identified herein. If no subconsultants are listed, Sonoma Water may enter into subcontracts if subconsultants are approved in writing by GSA.
- 12.3. *Summary of Subconsultants' Work:* Sonoma Water shall provide GSA with a summary of work performed by subconsultants with each invoice submitted under Paragraph 4.3. Such summary shall identify the individuals performing work on behalf of subconsultants and the total amount paid to subconsultant, broken down by the tasks listed in the Scope of Work.

13. METHOD AND PLACE OF GIVING NOTICE, SUBMITTING BILLS, AND MAKING PAYMENTS

- 13.1. *Method of Delivery:* All notices, bills, and payments shall be made in writing and shall be given by personal delivery, U.S. Mail, courier service, or electronic means. Notices, bills, and payments shall be addressed as specified in Paragraph 3.2.
- 13.2. *Receipt:* When a notice, bill, or payment is given by a generally recognized overnight courier service, the notice, bill, or payment shall be deemed received on the next business day. When a copy of a notice, bill, or payment is sent by electronic means, the notice, bill, or payment shall be deemed received upon transmission as long as (1) the original copy of the notice, bill, or payment is deposited in the U.S. mail and postmarked on the date of the electronic transmission (for a payment, on or before the due date), (2) the sender has a written confirmation of the electronic transmission, and (3) the electronic transmission is transmitted before 5 p.m. (recipient's time). In all other instances, notices, bills, and payments shall be effective upon receipt by the recipient. Changes may be made in the names and addresses of the person to whom notices are to be given by giving notice pursuant to this Article 13.

14. MISCELLANEOUS PROVISIONS

- 14.1. *No Waiver of Breach:* The waiver by GSA of any breach of any term or promise contained in this Agreement shall not be deemed to be a waiver of such term or promise or any subsequent breach of the same or any other term or promise contained in this Agreement.
- 14.2. *Construction:* To the fullest extent allowed by law, the provisions of this Agreement shall be construed and given effect in a manner that avoids any violation of statute, ordinance, regulation, or law. The parties covenant and agree that in the event that any provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired, or invalidated thereby. Sonoma Water and GSA acknowledge that they have each contributed to the making of this Agreement and that, in the event of a dispute over the interpretation of this Agreement, the language of the Agreement will not be construed against one party in favor of the other. Sonoma Water and GSA acknowledge that they have each had an adequate opportunity to consult with counsel in the negotiation and preparation of this Agreement.
- 14.3. *Consent:* Wherever in this Agreement the consent or approval of one party is required to an act of the other party, such consent or approval shall not be unreasonably withheld or delayed.

- 14.4. *No Third-Party Beneficiaries:* Nothing contained in this Agreement shall be construed to create and the parties do not intend to create any rights in third parties.
- 14.5. *Applicable Law and Forum:* This Agreement shall be construed and interpreted according to the substantive law of California, regardless of the law of conflicts to the contrary in any jurisdiction. Any action to enforce the terms of this Agreement or for the breach thereof shall be brought and tried in Santa Rosa or in the forum nearest to the City of Santa Rosa, in the County of Sonoma.
- 14.6. *Captions:* The captions in this Agreement are solely for convenience of reference. They are not a part of this Agreement and shall have no effect on its construction or interpretation.
- 14.7. *Merger:* This writing is intended both as the final expression of the Agreement between the parties hereto with respect to the included terms and as a complete and exclusive statement of the terms of the Agreement, pursuant to Code of Civil Procedure section 1856. Each Party acknowledges that, in entering into this Agreement, it has not relied on any representation or undertaking, whether oral or in writing, other than those which are expressly set forth in this Agreement. No modification of this Agreement shall be effective unless and until such modification is evidenced by a writing signed by both parties.
- 14.8. *Survival of Terms:* All express representations, waivers, indemnifications, and limitations of liability included in this Agreement will survive its completion or termination for any reason.
- 14.9. *Time of Essence:* Time is and shall be of the essence of this Agreement and every provision hereof.
- 14.10. *Counterpart; Electronic Signatures:* The parties agree that this Agreement may be executed in two or more counterparts, each of which shall be deemed an original, and together which when executed by the requisite parties shall be deemed to be a complete original agreement. Counterparts may be delivered via electronic means, or other transmission method, and any counterpart so delivered shall be deemed to have been duly and validly delivered, be valid and effective for all purposes, and shall have the same legal force and effect as an original document. This Agreement, and any counterpart, may be electronically signed by each or any of the parties through the use of any commercially available digital and/or electronic signature software or other electronic signature method in compliance with the U.S. federal ESIGN Act of 2000, California's Uniform Electronic Transactions Act (Cal. Civil Code § 1633.1 et seq.), or other applicable law. By its use of any electronic signature below, the signing party agrees to have conducted this transaction and to execution of this Agreement by electronic means.
