Subject: Sonoma County Animal Disaster Grant Decision

Dear Sonoma County Animal Services

Thank you for applying to the Sonoma County Animal Disaster Grant. This year, we received requests that significantly exceeded the available funds. However, we were able to release some of the holdback funds from prior years since there has not been a fire during the implementation of this grant. By releasing these holdback funds and by partially funding most requests, we ensured that every eligible grantee received some funding.

Here is what we were able to allocate to your organization:

- Nonprofit Name: Sonoma County Animal Services
- Amount Awarded: \$13,500
- Purpose: 2025 CanAm Defender Utility Task Vehicle (UTV) for Disaster Response

Even if your request was not fully funded, we hope the funds can be used toward your project. A report is due in the fall, and funds must still be spent in alignment with the submitted project. However, if your proposal was partially funded and you no longer wish to receive funds for this reason, please let us know.

In order to process your payment, we need two items as soon as possible. Please email these items to grants@jamesonhumane.org.

1. 2026 W9 (form must be dated 2026)
2. Attached Direct Deposit Form

Thank you again for your commitment to animal disaster response in Sonoma County!
